I understand that completing the Personal Project is a requirement for all 10th grade students at the Obama Academy. The Personal Project is a year-long exploration of a subject that each student finds interesting.

The Personal Project will be due March 26, and count for 25% of the 4th marking period grade for one class. Students may select the class to have the Personal Project grade assigned, but each teacher has the right to refuse a project if it does not meet the content area of the class.

Students will receive support from the MYP Coordinator and their supervising teachers, but it is each student's responsibility to complete the assigned work in a timely fashion.

Please contact Michal Chapman at 412-529-8763, or mchapman1@pghschools.org with any questions.
