Parent Testimonials

“We love Fulton and our Fulton Community. The teachers and staff truly care about the children and have created a wonderful space for them to learn and grow. Fulton is like a second home to our daughter and it has been such a joy to see her thrive there.”

-Meredith Knight, parent of Fulton 1st Grader

“As a family living in the Highland Park community with elementary age children, we enjoy sending our children to Pittsburgh Fulton PreK-5. There is something very special about being able to accompany our children to and from school each day. We get to know our principal, teachers, and fellow Fulton families in a way that we wouldn't if they attended a school outside of our neighborhood.”
