1. Suicide Prevention Plan – Both Mrs. Rainey and Ms. Washington highlighted key points of the newly developed Suicide Prevention Plan. The plan included 4 hours of PD for MACS staff.

2. Board Seat - Mr. Scoumis notified everyone that Trustee Dr. Betty Robinson was admitted to the hospital yesterday. Even before her health issue, she recommended that her son or daughter-in-law replace her on the MACS Board.

3. Summer Learning – currently enrollment is lower than anticipated. Again, he stressed that MACS hopes to have a substantive program. MACS will handle the academics from 9am – 1pm. MYDC will take over at 1:00pm with enrichment. In addition, there will be basketball later in the evening.

4. ESSER’S Program – Is COVID Relief funding. This year we have received $150k in funding. Next year we will get $700K. Mr. Scoumis shared his plan to hire up to seven teaching assistants with the ESSER’s next school. The TA’s will provide additional support in the classroom.

5. Deputy CEO Transition – Mr. Scoumis (with feedback from his admin team) has decided to bring on two vice-principals to fill the vacancies created by Mr. Henderson and Ms. Fouse. There will be one vice-principal for each school. Mr. Scoumis will attempt to take over the fundraising work but plans to re-evaluate that down the line.
6. **PSSA Testing** – is taking place at the time of the meeting. Group C students (virtual) had the option of coming in on Wednesdays for testing or to take the test with Group A or B. About 20% of the families elected not to take the test.
