**Rosedale Technical College and Pittsburgh Public Schools CTE
Articulation Agreement for College Credit
Automotive Body Repair Program**

INTRODUCTION

Rosedale Technical College and Pittsburgh Public Schools CTE agree to establish an articulation agreement for the purpose of eliminating the duplication of instruction for secondary students entering a post-secondary environment. This agreement is for the Collision Technology program offered at Rosedale Technical College. This agreement is based upon:

1. Pittsburgh Public Schools CTE curriculum adoption of the Competency Based Program of Study developed by the PA Department of Education.
2. The competencies identified Pittsburgh Public Schools CTE for the Automotive Collision Program and determined acceptable with the following Rosedale Tech course(s):

Rosedale Technical College		
Collision Technology Program		
	Course	Credits
C-100	Intro to Auto Body Repair	2.0
C-101	Automotive Components Repair	2.0
C-102	Foundation of Collision Repair	4.6

ARTICULATION AGREEMENT REQUIREMENTS

Before articulated credits will be awarded the following conditions must be fulfilled by the prospective student prior to their start date:

1. Applicant must meet the standard admission criteria of Rosedale Technical College, to include a personal interview, successfully pass all program assessments, receipt of student's high school transcript, and provide proof of a valid driver's license.
2. The applicant must have achieved a grade of "B" or better in their program of study at Pittsburgh Public Schools CTE.
3. The applicant must obtain a letter of recommendation from their Collision Repair teacher.
4. The applicant must complete Rosedale Tech's admissions **Transfer Credit Form**, which is provided during the application process.
