Pittsburgh Public Schools

Schoolology for Parents/Guardians

Welcome to Schoology!

Schoology (pronounced /skoo-luh-jee/) is the Learning Management System (LMS) used by Pittsburgh Public Schools students.

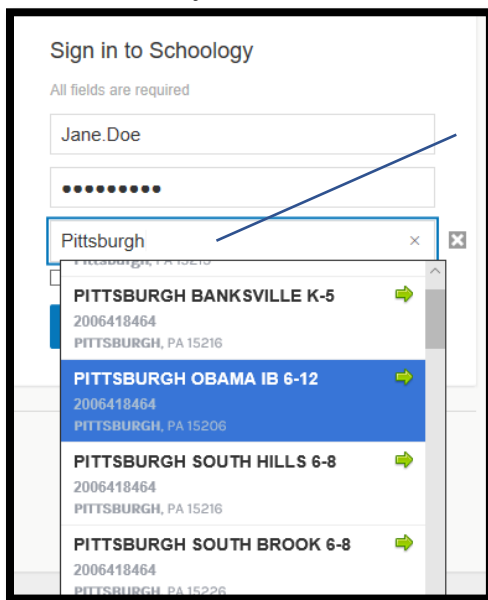

Parent Access to Schoology

Parent access allows for a "view only" approach to the course content. Parents will be able to view any assignments, discussions, completed assessments, calendar updates, or content that is shared by their child's teachers. Schoology also enhances teacher and parent communication by allowing direct contact (or communication) through the platform.

How do I log on to Schoology?

You will log on to Schoology using the same username and password you use to log onto your Home Access Center (HAC) account.

1. Using any browser, go to <https://app.schoology.com>
