

Get them vaxxed!

At our upcoming vaccination clinic.

Getting vaccinated against COVID-19 is the best way to keep us all safe and healthy. That's why Pittsburgh Public Schools is partnering with UPMC for two new COVID-19 vaccination clinics. First and second doses as well as booster shots will be available. Children between the ages of 5-11 can receive the Pfizer pediatric vaccine. Students 12 years of age and older may receive the Pfizer vaccine, and adult family members may receive either the Pfizer, Moderna or Johnson and Johnson vaccine.

Students under 18 must be accompanied by a parent or guardian.

■ DATES:

December 18, 2021 and January 8, 2022
