Activities by School**

School Name	Activities	Time
Allderdice High School	<p>Fathers and father figures will have a chance to submit a video on the topics of fatherhood/role-modeling/reading to Flipgrid. These videos will be compiled to create a video to be shared with our school community. Additionally, on May 21st, we will have a live online trivia competition (kahoot) with the topic being reading and literature. Fathers and their children will pair up and register to take part in the live competition.</p>	<p>The online trivia competition will be on May 21st at 9:00 am. This time is subject to change. The video will be compiled during the weeks leading up to May 21st (cut off on May 17th) and the video will be shared via several formats through a link on May 21st.</p>
Allegheny 6-8	<p>Allegheny Traditional Academy 6-8 will have a full day of activities and engaging tasks with our students and fathers/role models. Content Leads have collaborated with their teachers to design virtual activities and lessons for all to engage in. The run of show is as follows:</p> <p><b>ELA:</b> Special Stories- During the class period, students and their guest will use the Pixton application to create a short story through cartoon panels. Volunteer pairs will share their stories during the live Teams call. Short story topics include "A day in life of...", Growing up-different times, Most memorable moment together, Take a Father to School Day reflections, etc.</p> <p><b>MATH:</b> Math Mania- Parents and students will be engaged in a series of reasoning activities that promote literacy through mathematics. These activities will reinforce the importance of perseverance through problem-solving. The reasoning activities will be done using Kahoot, Challenge 24, and logic puzzles. Students and their guests will reason collectively or competitively, depending on preference.</p> <p><b>SOCIAL STUDIES:</b> Worldly Wizzes- Parents and all students will engage in a BLOOKIT game. 6th grade will focus on Geography. 7th grade will focus on Current Events. 8th grade will focus on Constitutional History.</p> <p><b>SCIENCE:</b> Are You Smarter Than a MS Scientist?- All students will vs. guests in a jeopardy game which tests their knowledge on the Science topics covered this year.</p> <p><b>SPECIAL SUBJECTS:</b> Focus on Fathers- fathers and others special guests will give speeches (pre-selected) on what it means to be a father/fatherhood. Students will complete a short writing prompt or poem reflecting on the experience. The activity will also contain short clips of well-known sitcom fathers and role models engaging on screen.</p>	<p>The activities will run on a bell schedule. The students and guests will engage in the activities during the period they are assigned for each content area. 9:00-12:00, 1:20-3:40 (classes run in 40 minute increments).</p>
