

Five Minutes Activities

1. Is five minutes a short amount of time or a long amount of time?
Try using a clock or a watch to time yourself doing a fun activity for 5 minutes. Then time yourself for five minutes doing something you don't like as much. Did they both seem to last the same amount of time?

or

2. Think about all the different places the characters go in the book. Where would you most like to spend five minutes? Draw a picture of yourself there and include details showing why you chose it.
