

PPS Obama Virtual Code of Conduct

As students at the Obama Academy of International Studies, we strive to exhibit all aspects of the IB Learner Profile. It is a duty to ourselves, families, school community and the world.

As **Principled** Scholars, we act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

As a student of the Barack Obama Academy of International Studies, I agree to the following:

- ✓ I will use an appropriate profile picture.
- ✓ I will use an appropriate status in my profile.
- ✓ I will use kind and positive words while using any school provided learning platforms (Schoology, Teams, etc.). This includes during and outside of school hours.
- ✓ I will use the learning platforms for communication with my teachers and classmates for educational purposes only. (It is not to be used as a chat with friends.)
- ✓ I will participate in positive behavior while online for virtual learning. Although I am learning from home, I will still follow the rules in the PPS Code of Conduct.
- ✓ I will do my best to be dressed in appropriate attire and in a proper working space. (I will not be in pajama tops and lying in the bed.)
- ✓ I will not take pictures of or record teachers and other students.

** It is expected that all students follow these norms and all others listed in the PPS Student Code of Conduct. **
