Attend the 2022 Magnet Fair!
Saturday, October 22nd
Pittsburgh Public Schools has wide variety of offerings and options. Come check for yourself!

Meet with staff from each of our magnet programs and from other departments across the District. Learn about all that we offer in Pittsburgh Public Schools!

If your student does not currently attend a Pittsburgh Public School in grade K-11, including students who will be entering kindergarten or who currently attend a private, parochial or charter school in the city, your first step to apply for a magnet program is to complete the Pittsburgh Public Schools pre-registration process. This will provide you with your Home Access Center (HAC) credentials to access the online application. You can begin this process on-site at the magnet fair! Bring proof of your child’s age (a copy of their birth certificate, passport, or baptismal certificate), two current proofs of residency (a valid Pennsylvania driver’s license or vehicle registration, utility bills, tax statements, lease or mortgage statement, or an official public assistance letter), and immunization records (with dates from your child’s doctor’s office or former school, or an international health certificate). For a complete list of acceptable documentation, visit www.pghschools.org/enrollment.

The magnet application opens on Tuesday, November 1st for the 2023–24 school year. Apply online using your Home Access Center (HAC) username and password, by visiting www.pghschools.org/magnet. The application deadline for the magnet lottery and Pittsburgh CAPA auditions is Friday, December 9th at 5PM.
