Arsenal Facility Closed After Two Staff Members Tests Positive for COVID-19 *Grab and Go Site Closed*

PITTSBURGH November 12, 2020 – The Arsenal facility will be closed tomorrow, Friday November 13. On Monday, staff and families at Pittsburgh Arsenal 6-8 were notified that a staff member at the school had tested positive for COVID-19. Today, the District was notified that a Pittsburgh Arsenal PreK-5 staff member has also tested positive for the coronavirus. Since both schools share the same facility, the building will close in line with guidance by the Pennsylvania Department of Education. Instruction for students of both schools will continue remotely. The building will reopen on Friday, November 20.

Grab and Go meal distribution at the facility will also discontinue until Friday, November 20. Families may access the Grab and Go sites located at Pittsburgh Sunnyside and Pittsburgh Obama.

Staff and families of both schools have received notification related to the closure.
