28. **POINT PARK UNIVERSITY LEASE – CITY CONNECTIONS – PSE**

**RESOLVED**, that the Board of Directors of the School District of Pittsburgh authorize its proper officers to renew the Program for Students with Exceptionalities contract with Point Park University, wherein Point Park University will lease to the School District space located at Room 711, Academic Hall, Point Park University to be used as one of our City Connection sites. This site will provide life skills classes for students with disabilities.

The lease is for up to three years, beginning August 1, 2013 and ending July 31, 2016. The total contract amount shall not exceed $18,000 from account line 5211-27V-1211-449.

(See attached MOU).

29. **CHILDREN’S MUSEUM OF PITTSBURGH – LEASE – EARLY CHILDHOOD**

**RESOLVED**, That the Board authorize the Early Childhood Program to enter into an agreement with the Children’s Museum of Pittsburgh to lease two (2) classrooms and ancillary space to house Early Childhood classrooms, upon terms and conditions approved by the Executive Director, Solicitor and Chief Operations Officer. The rental period covers July 1, 2013 through June 30, 2014. Base rent will be $2,130.00 per month, excluding incidentals (i.e., custodial services), payable from account number 4800-19V-1803-441. ALSO **RESOLVED**, That the Board authorize payment to the Children’s Museum of Pittsburgh for the provision of additional services (cleaning, copy charges, DSL service, food/refreshments for parent/staff meetings, etc.) to two (2) Early Childhood classrooms. These services are to compliment the rental agreement between the School District and the Children’s Museum. The total payment for these services is not to exceed $7,800.00 ($650 per month), payable from account number 4800-19V-1803-413/550/599/635.

Collaboration with the Children’s Museum for the provision of classroom rental space and additional services was proposed in grant application that was approved by Board of Directors on May 29, 2013.

30. **COHERENT ANALYTICS (DAVID WORK) – TEACHER EFFECTIVENESS**

**RESOLVED**, that the Board of Directors of the School District of Pittsburgh authorize its proper officers to enter into an agreement with Coherent Analytics (David Work) to complete the development and delivery of a data warehouse and analytics tools that bring together data from multiple sources to enable efficient reporting. Coherent Analytics will also be responsible for ensuring the use and sustainability of this system by providing data and reporting project management, decision support, and data governance and security processes.

The operating period shall be from July 1, 2013 to June 30 2016. The total contract amount shall not exceed $336,000 from account line 1312-16N-2840-330.
36. **EAST LIBERTY TRANSIT REVITALIZATION INVESTMENT DISTRICT PLAN (TRID) – OPERATIONS/LAW**

**RESOLVED,** that the Board of Directors of the School District of Pittsburgh authorize its proper officers to agree to participate in a Transit Revitalization Investment District Plan (TRID) for Phase I of the East Liberty Project and authorizing related agreements

(See attached Resolution)

Directors have received information on the following:

What is the purpose of this contract and how will it be implemented? (Please write in complete sentences)

RESOLVED, that the Board of Directors of the School District of Pittsburgh authorize its proper officers to enter into a contract with Part D Advisors, Inc. to:

1. Assist the School District in the application process for the Retiree Drug Subsidy program under the Medicare Modernization Act. This program provides Plan Sponsors with a subsidy payment of 28 percent of allowable retiree prescription drug costs attributable to gross prescription drug costs between the cost threshold and the cost limit per qualifying covered retiree and/or their dependent; and

2. Continue assisting the School District with the Early Retiree Reinsurance Program (ERRP) that has provided reimbursement to participating employer based plans for a portion of the costs of health benefits for an early retiree and their covered dependents. This program was authorized in the Patient Protection and Affordable Care Act of 2010.

Who will the services benefit?

By applying for the Retiree Drug Subsidy program the School District could potentially receive reimbursement amounts ranging from $275 to $5,600 per eligible retiree toward the 2013 prescription drug costs.

Where will the services occur? (location)

Part D Advisors, Inc. offices

Board Action Information Sheet

26
Action Item #

June 2013
Action Month

The operating period shall be from June 27, 2013 to June 25, 2014.

Explain why an external contract is necessary to provide these services?
For the benefit plans offered to retirees to be considered creditable (equivalent or better than benefits offered through Medicare), an actuarial attestation or certification by a qualified and registered actuary is required.

Indicate process for making recommendation:
☐ Negotiated ☐ Solicited Proposals ☐ Competitive Bid

Describe the expected results of this activity:
That the benefit plans offered to retirees would qualify as creditable plans and the School District's application for the prescription drug reimbursement program would be approved by Medicare.
That an application is submitted to the Secretary of Health & Human Services in a timely manner and approved and certified to receive reimbursement.

If this is a contract renewal, indicate the original objective of this activity:
To receive annual prescription drug reimbursements under the Retiree Drug Subsidy program.

Has objective been met? ☐ Yes; ☐ No

Please explain how the objective was met or why the objective was not met:
The School District received the following reimbursements:

2009: $68,835.92
2010: $35,177.09
2011: $53,934.69
2012: $14,631.37 amount received to date.

Data Source utilized, or if a new contract, that will be utilized to evaluate contractor performance:

Will evaluation be made on the basis of predetermined written criteria? ☐ Yes ☐ No

Will there be a tangible work product at the completion of the contract? ☐ Yes ☐ No

If there is a tangible work product expected, please describe expectations and name the custodian of the work product:
Medicare approval of application to receive prescription drug reimbursement and H&HS approval of application. Nancy Kusko is the custodian of the work product.
Board Action Information Sheet

Additional Information:

Medicare Part D subsidy services: Performance Bonus - after the effective date, if School District receives a larger Medicare Drug Subsidy than the prior subsidy, the School District will pay Part D Advisors fifty percent (50%) of the increase in the Medicare Drug Subsidy over the prior subsidy. If there is no increase in the Medicare Drug Subsidy received by the School District, there shall be no performance bonus for that subsidy application.

Early Retiree Reinsurance Program (ERRP): if the School District receives a subsidy under this program, the School District will pay Part D Advisors thirty-five percent (35%) of all subsidies received.

RESOLVED, that the Board of Directors of the School District of Pittsburgh authorize its proper officers to renew the contract with Residential Resources, Inc. wherein Residential Resources will lease to the School District space located at 3450 California Avenue to be used as one of our City Connection sites. This site will provide life skills classes for students with disabilities.

The lease is for three years, beginning July 1, 2013 and ending June 30, 2016, with a sliding scale of rent that is as follows: July 1, 2013 through June 30, 2014 -- $2,251 per month equaling $27,012 for the first year; July 1, 2014 through June 30, 2015 -- $2,296 per month equaling $27,552 for the second year; and July 1, 2015 through June 30, 2016 -- $2,342 per month equaling $28,104 for the third year.

The total contract amount shall not exceed $82,668 from account line 5211-27V-1211-449.

Who will the services benefit?
The services will benefit students with disabilities at one of the five District City Connection sites.

Where will the services occur? (location)
The services will occur at 3450 California Avenue, Pittsburgh, PA 15212

What is the purpose of this authorization? (Please write in complete sentences)

RESOLVED, that the Board of Directors of the School District of Pittsburgh authorize its proper officers to adopt a resolution to take remedial action to maintain the tax exempt status of Prospect bonds as it relates to the sale of the Prospect building and any related transaction costs.

See attached Resolution

Who will this benefit?

All parties benefit sound financial transactions

Where will the activities/services occur and how was this school/location selected? (if applicable)

WHEREAS, from time to time the Board may approve the sale or lease of certain buildings and facilities which may result in the requirement for remedial action to be taken pursuant to U.S. Treasury Regulations §1.141-12 Remedial Actions, in order to assure continued compliance with the Internal Revenue Code of 1986, as amended (the "Code") and maintain the status of the School District’s outstanding bonds as exempt from federal income taxes, and;

WHEREAS, the Board has approved the sale of the Prospect facility to a for-profit limited partnership, which transaction requires remedial actions pursuant to the Code, and;

NOW, THEREFORE, BE IT, AND IT HEREBY IS, ENACTED by the Board as follows:

1. Based upon an analysis of the School District staff and the School District’s financial advisor, Public Financial Management, Inc. (“PFM”), the approximate amount of $370,055 of outstanding bonds of the School District are attributed to capital project bond proceeds for the Prospect facility, in the amounts from the various bond issues of the School District.

2. The Board has determined to implement the remedy provided pursuant to Treas. Reg. §1.141-12(e) and Rev. Proc. 93-17 Section 4.02(5)(b) and Section 4.04 – Alternative Use of Disposition Proceeds, and apply the amount of $150,000 of the proceeds from the sale of the Prospect facility to the payment of debt service due by School District for the principal payment of debt service due on outstanding bonds attributed to the Prospect facility.
This document contains a Board Action Information Sheet with a section titled "GENERAL AUTHORIZATION." The payment data section includes columns for Total Cost This Action, Account Number(s), Resp, Fund, Func, Obj, and Amount. There are options for General Fund and Supplemental Fund. The District Goals section lists five goals, with the first four being checkable boxes and the fifth checked. The purpose of this authorization section states that the Board of Directors of the School District of Pittsburgh authorize its proper officers to designate $16,100,000 of the fund balance for increases in Pension Plan Cost. There is a space to note who this will benefit and where the activities/services will occur. It also asks if applicable about the school/location selected for the activities/services.

SCHOOL DISTRICT OF PITTSBURGH

RESOLUTION NO. ___

A RESOLUTION OF THE BOARD OF PUBLIC EDUCATION OF THE SCHOOL DISTRICT OF PITTSBURGH AGREING TO PARTICIPATE IN A TAX INCREMENT FINANCING PLAN FOR THE SUMMERSSET AT FRICK PARK PROJECT AND AUTHORIZING RELATED AGREEMENTS.

WHEREAS, the Tax Increment Financing Act, 53 PA. CONS. STAT. ANN. § 6930.1 et seq. ("Act"), provides local taxing bodies with authority to cooperate in providing financing for development of blighted areas, as defined in the Act, within their respective jurisdictions to increase the tax base and improve the general economy of their communities; and

WHEREAS, pursuant to the Act, the Urban Redevelopment Authority of Pittsburgh ("Authority") is legally empowered to prepare tax increment financing ("TIF") plans to provide financing for the elimination and prevention of blight within specified tax increment districts located in the City of Pittsburgh ("City") and to present such TIF plans to the City, the School District of Pittsburgh ("School District"), and Allegheny County ("County") for consideration; and

WHEREAS, the County, the School District and the City have each adopted resolutions on September 21, 2010, September 29, 2010 and September 21, 2010 respectively, endorsing the concept of a TIF plan to fund a portion of the costs of construction of public infrastructure and other necessary public improvements to facilitate the redevelopment of portions of the Summerset at Frick Park Project located in the Squirrel Hill South and Swisshelm Park neighborhoods of the City of Pittsburgh; and

WHEREAS, the Authority, working with the designated representatives of the City, the County and the School District, adopted a TIF Plan in accordance with the requirements of the Act, providing for the creation of the Summerset at Frick Park TIF District (the "TIF District") and the financing of a portion of the costs of the TIF Project; and

WHEREAS, the Authority recommends the creation of the TIF District and adoption of the TIF Plan; and

WHEREAS, the Authority submitted the TIF Plan to the City, School District and County for review and consideration; and

WHEREAS, the Council of the City will hold a public hearing on the creation of the TIF District as required by the Act; and

WHEREAS, the Act directs the governing bodies of all taxing jurisdictions that levy property taxes within the boundaries of a proposed TIF District to determine whether they will participate in the proposed TIF District and TIF Plan; and

WHEREAS, the Board of Public Education of the School District of Pittsburgh ("Board") expects the School District to benefit from the implementation of the TIF Plan by stimulation of
private investment, increases in property values, creation of employment opportunities and improvement of surrounding properties; and

WHEREAS, the Act provides for the cooperation of local taxing bodies in the financing of projects within TIF Districts (including publicly owned infrastructure outside the boundaries of a TIF District but of such benefit to a TIF Project) and authorizes the Authority to issue obligations for the purpose of paying certain costs of implementing the TIF Plan; and

WHEREAS, the implementation of any TIF Plan is fully dependent on the cooperation and participation of all local taxing bodies, namely the City, the School District and the County.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF PUBLIC EDUCATION OF THE SCHOOL DISTRICT OF PITTSBURGH AS FOLLOWS:

SECTION 1. The Board hereby agrees on behalf of the School District to participate in the TIF District in accordance with the TIF Plan attached hereto as Exhibit A and based upon the tax increments set forth in the TIF Plan for a period of twenty (20) years, commencing on the date of TIF District creation by the City, will allocate seventy-five percent (75%) of the tax increment from properties within the Phase 2B and 2C areas of the TIF District and forty-five percent (45%) of the tax increment within the Phase 3 area of the TIF District to the Authority for the purpose of financing TIF Project improvements.

SECTION 2. The respective governing bodies of the City and the County shall be notified of this action and requested to undertake similar favorable consideration and cooperation in participating in the TIF Plan and TIF District.

SECTION 3. The appropriate public officials of the School District are hereby authorized and empowered to execute and deliver in the name of and on behalf of the School District all documents required in connection with the creation of the TIF District and administration of the TIF Plan, including, without limitation, a TIF cooperation agreement by and among the Authority, the City, the School District and the County, and the School District’s obligations under such documents are hereby, in all respects, approved.

SECTION 4. All acts and actions taken by School District officials and/or by School District staff prior to the date hereof with respect to the TIF Project and the TIF Plan are hereby in all respects confirmed, approved and ratified.

SECTION 5. The tax revenues due or owed to, or received by the School District from the TIF District, subject to the percentage limitation and time requirement set forth in Section 1 of this Resolution, and as set forth in the TIF Plan, are hereby pledged, and a security interest is hereby granted, to the extent of those specific revenues to secure the repayment of any debt incurred by the Authority for the purpose of financing TIF Project improvements.

SECTION 6. Any resolution or ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.
RESOLVED this ___ day of ________, 2013 by the Board of Public Education of the School District of Pittsburgh.

President
EXHIBIT A

Urban Redevelopment Authority of Pittsburgh
Summerset at Frick Park TIF District

Tax Increment Financing Plan

1. Summerset Tax Increment Financing (TIF) District

2. Proposed Improvements in Summerset TIF project with estimated units and / or square footage (Phases 2B, C and 3)
   - Single Family Homes 185 units
   - Townhouses 78 units
   - Condominiums / Apartments 210 units
   - Commercial / Retail Space One (1) unit at 30,000 square feet
   - Public Streets and Infrastructure, Public Parks and Trails

3. Estimated Total Project Costs (Phase 2B, C and 3)
   - Site Acquisition $ 100,000
   - Site work, Remediation and Grading $ 5,537,914
   - Stormwater, Sanitary and Utilities $ 1,822,022
   - Public Streets, Access Roads, Bridge $ 29,050,889
   - Frick Park Extension, Trails and Amenities $ 2,050,000
   - Private Parks and Alleys $ 3,008,437
   - Buildings – Homes, Apartments, Commercial $152,742,855
   - Soft Costs - Design, Inspection $ 8,330,088
   - Interest, TIF Expenses $ 1,909,858
   - Debt Service Reserve Fund (if required) $ 1,350,565
   - Contingency $ 4,078,869

Total Project Costs
$ 209,981,497

4. Estimated Total Project Sources (Phase 2B, C and 3)
   - Residential Lot Revenues $ 21,921,779
   - Home and Building Sales $ 152,742,855
   - TIF Proceeds (par amount of borrowings) $ 24,000,000
   - PWSA Reimbursement $ 4,563,591
   - Federal Grants $ 3,100,000
   - State Grants $ 1,770,208
   - Equity Contribution $ 532,500
   - Debt Service Reserve Fund (if required) $ 1,350,565

Total Project Sources
$ 209,981,497

5. TIF Financing

$ 24,000,000
- TIF Proceeds (par amount of borrowings) $18,000,000
- TIF Revenue (PAYGO Financing) $6,000,000

6. Estimated Cost of Public Infrastructure Improvements (to be partially funded with TIF proceeds): (Phase 3)

- Site Acquisition $100,000
- Site work, Remediation and Grading $5,622,400
- Public Streets, Access Roads, Bridge, Utilities $21,843,255
- Frick Park Extension, Trails and Amenities $2,050,000
- Soft Costs – Assessment, Design, Engineering $5,561,889
- Interest, TIF Expenses $937,573
- Debt Service Reserve (if required) $1,350,565
- Contingency $3,718,969

Total Public Infrastructure $41,184,651

7. Estimated Source of Funds for Public Infrastructure Improvements:

- Residential Lot Revenues $11,693,061
- TIF Proceeds $24,000,000
- PWSA Reimbursement $3,143,525
- State and Federal Grants $465,000
- Debt Service Reserve (if required) $1,350,565
- Developer Equity $532,500

Total Public Infrastructure $41,184,651

8. Use of TIF Proceeds

- Design Engineering $2,000,000
- Remediation $4,622,400
- Infrastructure $12,601,082
- Permits $70,000
- Land Acquisition $100,000
- Contingency $2,867,092
- Administration: Inspection & Monitoring $1,289,809
- Legal $150,000
- Financial / Accounting $299,617

Total Use of TIF Proceeds $24,000,000

9. a. Assessed as of February 2013 value of Taxable Real Property in the proposed Summerset TIF District $5,657,766

b. Projected assessed value of Taxable Real Property following Improvements in the Summerset TIF District $128,066,908
10. Proposed Term of the TIF District – 20 years

11. Proposed Pledge of Real Estate Tax Increment
   - Phase 2B and 2C Distribution
     - 75% Pledged to TIF Financing(s) or to pay costs of the TIF Project
     - 25% Distributed Pro Rata to the Three Taxing Bodies
   - Phase 3 Pledge
     - 45% Pledged to TIF Financing(s) or to pay costs of the TIF Project
     - 55% Distributed Pro Rata to the Three Taxing Bodies
   - Average Pledge during term 65%

12. a. Current Annual Real Estate Tax Revenue of the proposed Summerset TIF District at 2% discount (as of February 2013): $ 121,648

     b. Projected Annual Real Estate Tax Revenue within the TIF District Following Improvements at 2% discount (as of February 2013) at full build out: $ 2,753,592

13. Estimated Annual Real Estate Taxes Generated After Full Development based on current millage at 2% discount (as of February 2013)

Urban Redevelopment Authority of Pittsburgh  
Summerset Tax Increment Financing Plan  
May 2013  

I. Introduction  

A. Overview of Summerset:  

The Summerset at Frick Park Phase 3 project consists of three development components: 1) site preparation and remediation; 2) public/private infrastructure development and 3) residential housing construction. The public portion of the infrastructure components, 1 and 2 above, constitutes the “TIF Project.” The TIF proceeds will fund the public infrastructure improvements while other funding sources will be used for the private infrastructure and the housing construction.  

The Urban Redevelopment Authority of Pittsburgh (URA) acquired the 278 acre Nine Mile Run site in October 1995. For much of the early 20th century, the land was used by local steel companies as a dumping ground for slag, a by-product of metal smelting. In 1997, the URA began the transformative process of converting the slag portion of Nine Mile Run into a new traditional neighborhood, now known as Summerset at Frick Park (“Summerset”) located in the Squirrel Hill South neighborhood of the City.  

Summerset Land Development Associates was selected by the Urban Redevelopment Authority (URA) as developer of the Nine Mile Run site in 1997. SLDA entered into a Development Agreement (the “URA-SLDA Agreement”) dated January 29, 1999 with the URA. This URA-SLDA Agreement provides the exclusive option to SLDA to purchase improved property from URA and delineates responsibilities between the URA and SLDA relative to completing the public and private improvements. The terms of the URA-SLDA Agreement allow for the transfer of the right to purchase by SLDA to residential homebuilders (Builders). Separate Builders purchase the improved property subject to an agreement between SLDA and the Builder. The terms and conditions of the Builder-SLDA Agreement obligate the Builders to purchase lots at established prices and to comply with the SLDA-URA Agreement relative to the performance of the work, environmental obligations etc. The phase 2B and 2C area of the Project has agreements in place between the URA and SLDA as well as three Builders and SLDA. The URA-SLDA Agreement contemplates that the parties will endeavor to secure financing and create a development plan for the Phase 3 area.  

To date, approximately 256 of the 710 units planned for the site have been built and rented/sold in Phases 1 and 2A. Infrastructure financing for Phases 2B & 2C has been finalized and is not being financed with the proposed TIF. This financing will fund site development cost to support the development of 124 single family homes, 132 condominiums or apartment units and one 30,000 square foot commercial parcel.  

The proposed TIF project will allow for the necessary site preparation and public infrastructure improvements to support approximately 102 single family homes, 37 townhomes and 78 condominium or apartment units associated with Phase 3. The public infrastructure improvements include grading, road and bridge construction, environmental remediation, and construction of new water, sewer and stormwater infrastructure.  

The proposed TIF Plan would allow for the collection of a real property tax increment associated with Phases 2B, 2C and 3 of the Summerset project to pay for the Phase 3 site preparation and infrastructure. To maximize borrowing capacity sufficient to pay for infrastructure costs related to the
project, the URA will create a single TIF District but may divide the borrowing and repayment schedule into two components. Under the financing plan, the taxing bodies will dedicate 75% of their increased real estate tax revenues from properties located within the Phase 2B and 2C area of the TIF District to facilitate a borrowing by the URA of up to $17 million. The taxing bodies will also dedicate 45% of their increased tax revenues from the Phase 3 TIF District to facilitate an additional borrowing of approximately $7 million. The TIF district, under this structure, would generate approximately $24 million in TIF proceeds. At this time, alternative funding strategies have been identified to finance $18 million of this amount for the initial site preparation and public infrastructure work. The remaining estimated TIF proceeds of $6 million would be used for enhancements to Frick Park including trails, recreational facilities and additional public infrastructure in the project area during the term of the district. These enhancements will directly benefit the Summerset project. See table on page 10 showing the economic feasibility of the Project and Appendix F showing the fiscal effects on the municipal tax base.

B. Proposed Financing Overview:

The name of the TIF District is “Summerset at Frick Park Tax Increment Financing District”. The method of financing being proposed to fund certain portions of the Project is a Tax Increment Financing (“TIF”) Plan. Under this structure the Project can leverage the tax revenue collections from the properties included under the Plan as a means to fund necessary site remediation, improvements and infrastructure needs. The TIF District created under the Plan will include parcels within Phase 2B, Phase 2C and Phase 3 of the Summerset at the Frick Project. It has been determined that this site, and these projects, are integral to the redevelopment efforts within the City of Pittsburgh, and thusly the sponsorship by the URA for the creation of the TIF District.

C. TIF District Structure:

The District will be a single Tax Increment Financing District comprised of all the parcels within Phase 2B, all of Phase 2C and all of Phase 3 as defined in the master site plan (Appendix A). The tax revenues that will support the District are derived from the single-family residential parcels within those phases of the Project, as well as multi-family structures and a commercial site. The District will be in existence for a term of twenty (20) years, maintaining the allowable maturity under the TIF statutes, with an estimated creation date in the third quarter of 2013 (est. July) and an estimated expiration date in July 2033. The URA will oversee the creation and annual auditing of the TIF District over the term.

The taxing bodies that comprise the District include the City of Pittsburgh, the School District of the City of Pittsburgh and Allegheny County.

D. Financing Structure / Methods of Financing:

The URA is currently evaluating alternatives for financing the costs of the TIF Project.

(a) One alternative would involve borrowing under the TIF Plan in multiple phases. The first phase Note (the “2013 Note”) could be issued in the third quarter of 2013 (est. September 2013) and be amortized over a term of twenty (20) years. The second phase Note (the “2014 Note”) could be issued in the fourth quarter of 2014 (est. November 2014) and be amortized over a term of ten (10) years. At this juncture, a third phase of borrowing is being projected for the residual infrastructure need which will utilize the Phase 3 revenues as security. The third borrowing is estimated to be drawn in 2018-2019 (the 2018/19 Note) as the Phase 3 development begins.
If the URA funds the Project by issuing the 2013, 2014 and the 2018/19 Notes described above, the URA may utilize differing participation percentages from the three taxing bodies. At this point, the 2013 Note and the 2014 Note would be secured by a tax pledge of 75% of the increased taxes attributable to properties located within Phase 2B and 2C of the TIF District. The 2018/19 Note would be secured by a tax pledge of 45% of the increased taxes attributable to properties located within Phase 3 of the TIF District. These rates of participation would be applicable to all three taxing bodies. In aggregate, the three borrowings result in a blended tax pledge of approximately 65% for the term of the TIF District.

The estimated borrowings are summarized in the tables below:

Under this scenario bridge/interim financing will be required to be secured in advance of 2018/2019 and which will be repaid from the third borrowing.
(b) The URA is evaluating other possible methods of financing the costs of the TIF Project, with the objective of achieving the lowest possible borrowing costs. Any such alternatives will be structured in the manner that preserves the economic intent of the TIF Plan; specifically, any alternative financing plan must work without changing the amounts pledged to support the borrowing(s) by the taxing bodies, the parcels included within the TIF District, the bifurcation of Phases 2B and 2C from Phase 3 and the percentage of increment pledged from each of these areas within the TIF District, the term of the TIF District and the use of the proceeds derived from any borrowings secured by TIF revenues.

All borrowings, as briefly described above, will be supported by the property tax collections of the three taxing bodies. The basis utilized for projecting the future real estate tax revenue is derived from 2013 assessed values along with the eight (8) year property absorption history from earlier phases of the Summerset at Frick Park development. This basis allows for projected sale prices to be derived for the units included within each phase to be developed. The proposed financing structure utilizes eighty-five percent (85%) of those projected sale prices as the assessed valuations for tax purposes.

In any case, TIF proceeds will not be drawn until sales or development of parcels within the TIF District are adequate to support the repayment of the outstanding TIF debt.

The proposed timing and amount of the borrowings in the financing structure described on pages 10-11 and 16 of the TIF Plan are based on the project's projected ability to repay the debt in accordance with stated loan terms from specific sources and the available TIF increment (based on the financing assumptions included in the TIF plan). These loan terms may require the Developer to obtain interim or bridge financing pending satisfaction of conditions to drawing TIF loan proceeds.

E. Security for the TIF borrowing:

The borrowings will be supported from the anticipated real estate tax collections on the pledged parcels included in the TIF District. As additional security, the TIF debt is anticipated to be secured by a debt service reserve fund, to be held by the Trustee. Also funded upfront will be a capitalized interest fund to cover a portion of the interest due on the TIF debt during the respective construction periods. The capitalized interest fund will also be held by the Trustee.

To provide additional security for a borrowing secured by the TIF revenues generated from the TIF District, the City may be asked to create a neighborhood improvement district ("NID") within the boundaries of the TIF District. Under the Pennsylvania NID law, special assessments can be imposed by the NID Management Association on properties within a NID. These statutory special assessments have lien priority that is equivalent to a municipal tax lien. The NID assessments will be available in the event that TIF revenues generated from the TIF District are inadequate to pay 100% of debt service on the outstanding balance of the TIF note at any time. If TIF revenues are sufficient to fully pay the debt service in any particular year, the special assessments for that year will be zero; similarly, if there is a deficiency of TIF revenues in a particular year, an allocation of that deficiency will be imposed upon properties within the NID.

F. Financing Assumptions:

The sources for the key inputs utilized in the preliminary financing structure have been internally provided as follows:
- **Summerset at the Frick Project Plan** (Master site plan detailing construction schedule, timing, parcels, etc.) - Summerset Land Development Associates

- **Property Tax History** – Urban Redevelopment Authority of Pittsburgh, Summerset Land Development Associates and Allegheny County

- **Projected Property Tax Assessed Values** – Summerset Land Development Associates, as described herein (subject to independent verification)

- **Funding Program**
  2013 Note: PENNVEST has provided a preliminary commitment under its Brownfields Remediation Loan Program, with an assumed interest rate of one point four zero eight percent (1.408%) for years 1 to 5 and one point eight three seven percent (1.837%) during years 6 to 20.

  2014 Note: Pennsylvania Infrastructure Bank (PIB) loan will have a 10-year repayment term and bear interest at one half of the prime rate set at closing. Currently the rate would be one point six two five percent (1.625%) during the term of the loan.

  2018/19 Note: Pennsylvania Infrastructure Bank (PIB) loan will have a 10-year repayment term and bear interest at one half of the prime rate set at closing. Currently the projected rate would be two point five zero percent (2.500%) during the term of the loan.

  In the event that the URA determines that it is more cost effective to issue some or all of the TIF debt with different terms and to different investors or lenders, the funding program participation described above would change.

- **Property Absorption Rate** – assumes two (2) units are absorbed per month upon completion which is consistent with a 8 year pattern in earlier phases of Summerset at Frick Park

- **Property Tax Collections** (at a 2% discount) – assumes properties are assessed one year after absorption (completion and subsequent sale)

2. **Summerset Tax Increment Financing Project**

The Summerset TIF district is expected to generate approximately $24 million in proceeds for use towards $41 million needed for public infrastructure improvements to support Phase 3 of the Summerset at Frick Park project. The total estimated cost of Phase 3 public and private improvements is $115 million including residential construction. Phase 3 of the project is expected to include approximately 102 single family residential units, 37 townhomes and 78 condominiums or apartments.

**Project Scope for TIF Project: Infrastructure Improvements**

Environmental characterization of the Phase 3 site is currently underway, and its findings reflect similar sub-surface results found in Phases 1 and 2 of the site. Phases 1 and 2 have been remediated to Pennsylvania Department of Environmental Protection (PaDEP) standards under a Consent Order Agreement between PaDEP, City of Pittsburgh, URA and the Developer. TIF proceeds will be utilized to meet those same remediation standards on the Phase 3 portion of the site. Construction of new systems to manage stormwater runoff will enhance water quality standards as it relates to the stormwater entering the
Nine Mile Run watershed. New construction of public streets and alleys and improvements to the neighboring Frick Park will enhance the quality of life for City residents.

The public infrastructure improvements will include:

- Site Acquisition
- Sitework, Remediation and Grading
- Stormwater Management Systems
- Public Streets, Access Roads, Bridge and Utilities
- Frick Park Extension, Trails and Amenities
- Soft Costs related to Public Infrastructure
- Financing Costs related to Public Infrastructure

**TIF District Details**

The approximate $122 million projected increase from the base year real estate assessed value in the proposed TIF district (after full build-out) will yield projected annual real estate taxes of approximately $2.6 million. The URA proposes that approximately 65% (75% for Phase 2B and 2C and 45% for Phase 3), or approximately $1.5 million, of the real estate tax increment be pledged to support debt that would help fill financing gaps for public infrastructure improvements including: Site acquisition, site work remediation and grading, public streets, access roads and bridge, Frick Park improvements and other soft cost and financing cost related to the construction of the public infrastructure. The pledged real estate tax increment of approximately $24 million will benefit the immediate neighborhoods, Frick Park and support the completion of the residential development of which $18 million is being financed initially.

Summerset at Frick Park is a Traditional Neighborhood Development (TND), utilizing small lots, interconnected streets, sidewalks, diverse housing types and approximately 30,000 square feet of neighborhood retail. Phase 3 of the project will remain consistent with the previous two phases and will create a dense, urban, walkable, community integrated within established neighborhoods and near major employment centers. Overall unit density is greater than 10 units per acre. The projected assessed value, based upon the Allegheny County Office of Property Assessment estimate (subject to change), of taxable real property following the completion of all improvements in the Summerset TIF District is approximately $128 million.

**B. Summerset / Nine Mile Run Redevelopment Area #67**

Phase 3 of the Summerset project is located in the Swisshelm Park neighborhood in Council District 5 of the City of Pittsburgh. The site is entirely within the proposed Nine Mile Run Redevelopment Area #67 (Appendix B.1). The Planning Commission of the City of Pittsburgh certified this study area as blighted on November 9, 2010 as a result of findings in the Nine Mile Run Basic Conditions Report.

**II. Projected Budget for Improvements Financed with TIF Proceeds**

The proceeds from the TIF Financing(s) will be used to partially fund the public infrastructure improvements related to the Phase 3 portion of the development. TIF proceeds would be used to fund a
portion of the public infrastructure improvements needed to support the new construction of approximately 102 single family homes, 37 townhomes and 78 condominiums or apartments for the Summerset Project.

Estimated Cost of Phase 3 Public Infrastructure Improvements (to be partially funded with TIF proceeds):

- Site Acquisition $ 100,000
- Sitework, Remediation and Grading $ 5,622,400
- Public Streets, Access Roads, Bridge, Utilities $ 21,843,255
- Frick Park Extension, Trails and Amenities $ 2,050,000
- Soft Costs – Assessment, Design, Engineering $ 5,561,889
- Interest, TIF Expenses $ 937,573
- Debt Service Reserve (if required) $ 1,350,565
- Contingency $ 3,718,969

Total Public Infrastructure $ 41,184,651

Estimated Sources of Funds for Phase 3 Public Infrastructure Improvements:

- Residential Lot Revenues $ 11,693,061
- TIF Proceeds $ 24,000,000
- PWSA Reimbursement $ 3,143,525
- State and Federal Grants $ 465,000
- Debt Service Reserve (if required) $ 1,350,565
- Developer Equity $ 532,500

Total Public Infrastructure $ 41,184,651

The projected costs for the Phase 3 TIF funded Public Infrastructure Improvements are as follows:

- Design Engineering $ 2,000,000
- Remediation $ 4,622,400
- Infrastructure $ 12,601,082
- Permits $ 70,000
- Land Acquisition $ 100,000
- Contingency $ 2,867,092
- Administration: Inspection & Monitoring $ 1,289,809
- Legal $ 150,000
- Financial / Accounting $ 299,617

Total cost of improvements (TIF funded) $ 24,000,000

The amount of incremental taxes shall be applied either: (a) directly toward the Capital Costs (as defined in the Tax Increment Financing Act (53 P.S.§6930.1 et.seq.) of public improvements and public infrastructure together with related costs; or (b) indirectly, to the support and service of debt incurred to finance said capital costs, together with related costs. In either event, incremental taxes will be applied so long as and
until the cumulative and aggregate amount of such taxes, applied directly or indirectly, has produced the funds necessary to pay for, or otherwise acquire, such capital improvements.

III. Economic Impact Analysis

Refer to Economic and Market Impact Study Summerset at Frick Park as Appendix F of the TIF Plan for the Economic Impact Analysis including the fiscal effects on the municipal tax base.

IV. Economic Feasibility Analysis

A. Project Sources and Uses

Estimated Total Project Costs (Phase 2B, C and 3)

- Site Acquisition $100,000
- Site work, Remediation and Grading $5,537,914
- Stormwater, Sanitary and Utilities $1,822,022
- Public Streets, Access Roads, Bridge $29,050,889
- Frick Park Extension, Trails and Amenities $2,050,000
- Private Parks and Alleys $3,008,437
- Buildings – Homes, Apartments, Commercial $152,742,855
- Soft Costs - Design, Inspection $8,330,088
- Interest, TIF Expenses $1,909,858
- Debt Service Reserve Fund (if required) $1,350,565
- Contingency $4,078,869

Total Project Costs $209,981,497

Estimated Total Project Sources (Phase 2B, C and 3)

- Residential Lot Revenues $21,921,779
- Home and Building Sales $152,742,855
- TIF Proceeds (par amount of borrowings) $24,000,000
- PWSA Reimbursement $4,563,591
- Federal Grants $3,100,000
- State Grants $1,770,208
- Equity Contribution $532,500
- Debt Service Reserve Fund (if required) $1,350,565

Total Project Sources $209,981,497

B. Tax Increment Financing

1. Note Amount(s)

The Tax Increment Financing (TIF) Financing(s) to be issued to fund a portion of the infrastructure costs in Summerset at Frick Park Phase 3 will be serviced by 75% of the School District, City and
County incremental real estate taxes on all parcels within the Phase 2B and 2C area and 45% of incremental real estate taxes on all parcels within the Phase 3 area within the TIF District.

The URA has received a funding commitment in the amount of $11,000,000 from the Commonwealth of Pennsylvania through its PENNVEST Brownfield Remediation Loan Program. The goal of the program is to facilitate the remediation of sites that are contaminated by past industrial or commercial activity and pose a threat to local groundwater or surface water sources (i.e. “brownfields”). The purpose of the financing is to encourage the cleanup and reuse of contaminated properties. It is anticipated the PENNVEST loan will have a 20-year repayment term and bear interest at one point four zero eight percent (1.408%) for years 1 to 5 and one point eight three seven percent (1.837%) during years 6 to 20.

The URA is anticipating funding awards in the aggregate amount of $7,000,000 from the State of Pennsylvania through its Pennsylvania Infrastructure Bank Program (PIB). The PIB program is a PennDOT-operated program that provides low-interest loans to help fund transportation projects within the Commonwealth. The goal of the PIB is to leverage state and federal funds, accelerate priority transportation projects, spur economic development, and assist local governments with their transportation needs. It is anticipated that the PIB financing will be provided in two (2) separate borrowings. Each PIB loan will have a 10-year repayment term and bear interest at one half of the prime rate set at closing. Currently the rate would be one point six two five percent (1.625%) during the term of the loan. We have estimated the interest rate on the second portion of the PIB loan to be two point five percent (2.5%) during the term of the loan. Under this scenario bridge/interim financing will be required to be secured in advance of the second PIB borrowing (which will be repaid from the second PIB borrowing).

The URA is also considering alternatives to the financing proposals submitted by PENNVEST and PIB. The URA will finance the TIF costs in the most cost effective manner possible. Among the alternative financing methods under consideration is the public sale, or private placement, of TIF bonds or notes supported by a Neighborhood Improvement District (NID) as described in Section IE hereof.

2. Pledged Revenues

With respect to the School District, City and County, 75% of the real estate tax increment from the Phase 2B and 2C Pledged Parcels and 45% of the real estate tax increments from the Phase 3 Pledged Parcels, as defined by the lot & block designations below, will be used to support the TIF Financing(s) or to fund the infrastructure costs.

3. Pledged Parcels (see next page)

</table>

Note: Parcels in Phase 3 to be further subdivided. Approximately 200 additional parcels.
4. Provisions for Unused TIF Bond/Note Proceeds

Any TIF Financing(s) proceeds which remain after financing the capital costs may be used for any other Public Infrastructure Improvements servicing the TIF district subject to the Tax Increment Financing Act.

Additional public improvements within the TIF District could include:

- Trail enhancements along Nine Mile Run Stream
- Trail enhancements and slope stabilization at the edge of the bluff above the Monongahela River in the Phase 3 area.
- Playground and ball-fields adjacent to Commercial Road
- Commercial Road pedestrian enhancements
- Reconstruction of causeway/culvert at the Nine Mile Run stream and Commercial Road/Forward Avenue
- Enhancements to Frick Park Extension area in Phase 2C
- Enhancements to Frick Park Extension area in Phase 3
- Pedestrian connections to Swissshelm Park from Phase 3
- Plantings and re-vegetation and the removal of invasive plants in Nine Mile Run stream and Phase 3 unimproved areas.

5. Tax Base for Purpose of Increment Calculation

Subject to the provision of the Tax Increment Financing Act, the taxable market value of each of the Pledged Parcels as of the date of the creation of the District will be used as the “base” for the purpose of calculating tax base with respect to such Pledged Parcel.

As a result, the Taxing Bodies will continue to receive the base taxes from each of the Pledged Parcels throughout the term of the TIF District. The base assessments for these Pledged Parcels are illustrated on the summary and are found in Appendix C of the TIF plan.

6. Real Estate Tax Determination

In the future, the current system of real estate taxation may be revised and/or reassessments or other changes in the real estate assessment system may occur. Accordingly, the cooperation agreement (and possibly certain of the documents executed in connection with the issuance of any TIF Financing(s)) likely will provide that, upon the occurrence of such event, such document(s) will be interpreted in a manner which takes all relevant changes into account in order to preserve the intended economic results and expectations of the parties as of the date of the TIF Plan including, but not limited to, the expectations that the minimum amount required to pay the debt service and related expenses on any TIF Financing(s) will be available for such purpose and that all amounts in excess of such minimum amount will be available for the other uses described herein.
7. Actual Tax Increment in Excess of Assumed Increment

Annual excess increment is critical to the leveraging aspect of the financing allowing for coverage and reserves. Any "excess" funds shall remain in the project account maintained by the trustee and can be used for public infrastructure costs, including capital expenditures, design, engineering, soft costs, management as well as additional financing expenses.

8. Interest Earnings

Any interest earnings on TIF revenues or trustee held funds will be used towards debt service, including payment of capitalized interest and prepayment of the TIF Financing(s) as permitted.

9. Financial Details

It is anticipated that the Summerset TIF District will be established effective in July 2013.

The specific terms and structure of the TIF Financing(s) will be determined at the time of issuance. However, it is contemplated that the first TIF Financing(s) will be issued in 2013 and amortized over an approximate 20 year term. All TIF Bonds(s)/Note(s) issued for the Summerset project will be required to be retired no later than 20 years past the creation date of the TIF district.

TIF Financing(s) proceeds may be used to pay construction period interest.

The specific uses for various sources of funds may be interchanged as necessary to efficiently fund the total project. It is currently anticipated that TIF Financing(s) proceeds will be used to fund construction of off-site infrastructure improvements and other public infrastructure which will directly benefit the Summerset project.

10. Community Engagement

Since the inception of the project in 1998 a group of community representatives have met regularly to discuss the project. This group is identified as the Nine Mile Run Task Force; a current list of participants is included as Appendix G.

An overview of the Phase 3 project, and the proposed TIF financing concept, was been presented to the following community organizations, representatives and residents:

Appendix F: Economic and Market Impact Study: Summerset at Frick Park

Appendix G: Nine Mile Run Task Force members

VI. Proposed Zoning Changes

The site is currently zoned RP and no further zoning changes are required. Individual Final Land Development Plans will be submitted for portions of the project in advance of construction.

VII. Estimated Non-Project Costs

The TIF supported infrastructure project is expected to complement and stimulate ongoing development and property value appreciation in the area. Other non-project costs listed under “issuance costs” include capitalized interest (estimated), URA issues fee, TIF counsel fee, Trustee fee, and fees for preparing the Basic Condition and Impact Analysis Reports. The estimated cost of constructing private parks, alleys, individual homes and multi-family residential units and commercial building are projected to be approximately $150-$155 million.

VIII. Proposed Relocation Statement

No businesses or residences will be displaced by this development.

IX. 1% Neighborhood Development Fee

As per City of Pittsburgh Ordinance No. 28 enacted in December 1998, the developer, from its own funds, will be required to pay a 1% fee (based on par amount of borrowings) to be expended by the Urban Redevelopment Authority and to be used for neighborhood development in the City of Pittsburgh.
X. 1% School Development Fee

As per Pittsburgh School Board Resolution No. 12 approved on May 26, 1999, the developer, from its own funds, will be required to pay a 1% fee (based on par amount of borrowings) to be expended by the Pittsburgh School Board and to be used for school development in the City of Pittsburgh.

SCHOOL DISTRICT OF PITTSBURGH

RESOLUTION NO. ___

A RESOLUTION OF THE BOARD OF PUBLIC EDUCATION OF THE SCHOOL DISTRICT OF PITTSBURGH AGREING TO PARTICIPATE IN A TRANSIT REVITALIZATION INVESTMENT DISTRICT PLAN FOR PHASE I OF THE EAST LIBERTY PROJECT AND AUTHORIZING RELATED AGREEMENTS.

WHEREAS, the Transportation Revitalization Investment District Act, Act of Dec. 8, 2004, P.L. 1801, No. 238 ("Act"), provides local taxing bodies with authority to cooperate in establishing transit oriented development and value capture areas, as defined in the Act, within their respective jurisdictions to increase the tax base and improve the general economy of their communities; and

WHEREAS, pursuant to the Act, the Urban Redevelopment Authority of Pittsburgh ("Authority") is legally empowered to prepare transit revitalization investment ("TRID") plans to provide financing for local, county and regional economic development and revitalization activities through private sector investment, reinvestment and joint development activities in conjunction with public transportation improvements in TRID districts located in the City of Pittsburgh ("City") and to present such TRID plans to the City, the School District of Pittsburgh ("School District"), and Allegheny County ("County") for consideration; and

WHEREAS, the County, the School District and the City each, respectively, plan to adopt resolutions endorsing the concept of a Phase I TRID plan to fund a part of the costs necessary to implement public and private improvements and maintenance to facilitate the redevelopment of portions of the East Liberty area (the "TRID Project") and by leveraging the increased value of the proposed subprojects (the "Subprojects") and authorizing the Authority to prepare a detailed TRID plan in connection with the same; and

WHEREAS, the Authority, working with the designated representatives of the City, the County and the School District, adopted a Phase I TRID Plan in accordance with the requirements of the Act, providing for the creation of the East Liberty TRID District (the "TRID District") and the financing of a portion of the costs of the Phase I TRID Project; and

WHEREAS, the Authority recommends the creation of the TRID District and adoption of the Phase I TRID Plan; and

WHEREAS, the Authority submitted the Phase I TRID Plan to the City, School District and County for review and consideration; and

WHEREAS, the Council of the City will hold a public hearing on the creation of the TRID District as required by the Act; and
WHEREAS, the Act directs the governing bodies of all taxing jurisdictions that levy real estate and parking taxes within the boundaries of a proposed TRID District to determine whether they will participate in the proposed TRID District and TRID Plan; and

WHEREAS, the Board of Public Education of the School District of Pittsburgh ("Board") expects the School District to benefit from the implementation of the TRID Plan by stimulation of private investment, increases in property values, creation of employment opportunities and improvement of surrounding properties; and

WHEREAS, the implementation of any TRID Plan is fully dependent on the cooperation and participation of all local taxing bodies, namely the City, the School District and the County.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF PUBLIC EDUCATION OF THE SCHOOL DISTRICT OF PITTSBURGH AS FOLLOWS:

SECTION 1. The Board hereby agrees on behalf of the School District to participate in the TRID District in accordance with the Phase I TRID Plan attached hereto as Exhibit A and based upon the real estate and parking tax increments set forth in the Phase I TRID Plan for a period of twenty (20) years, commencing on the date of the initial tax reassessment of each Subproject by the County, will allocate seventy-five percent (75%) of the real estate (City, County, and School District) and parking (City only) tax increment to the Authority for the purpose of financing Phase I TRID Project improvements.

SECTION 2. The respective governing bodies of the City and the County shall be notified of this action and requested to undertake similar favorable consideration and cooperation in participating in the Phase I TRID Plan and TRID District.

SECTION 3. The appropriate public officials of the School District are hereby authorized and empowered to execute and deliver in the name of and on behalf of the School District all documents required in connection with the creation of the TRID District and administration of the Phase I TRID Plan, including, without limitation, a TRID cooperation agreement by and among the Authority, the City, the School District and the County, and the School District’s obligations under such documents are hereby, in all respects, approved.

SECTION 4. All acts and actions taken by School District officials and/or by School District staff prior to the date hereof with respect to the TRID Project and the Phase I TRID Plan are hereby in all respects confirmed, approved and ratified.

SECTION 5. The tax revenues due or owed to, or received by the School District from the TRID District, subject to the percentage limitation and time requirement set forth in Section 1 of this Resolution, and as set forth in the Phase I TRID Plan, are hereby pledged, and a security interest is hereby granted, to the extent of those specific revenues to secure the repayment of any debt incurred by the Authority for the purpose of financing TRID Project improvements. Notwithstanding anything herein to the contrary, parcel 84-M-130, the Bakery Square 2.0 development parcel, will not be pledged for the School District and the School District will receive 100% of the taxes for this parcel.

SECTION 6. Any resolution or ordinance or part thereof conflicting with the provisions of this Resolution is hereby repealed so far as the same affects this Resolution.
RESOLVED this ___ day of ______, 2013 by the Board of Public Education of the School District of Pittsburgh.
