Notes: A school identified as making progress is one that was previously in either School Improvement or Corrective Action but has made AYP for one year. If the school fulfills its AYP for a second year, it will exit the improvement system. A school that did not meet all of its targets can keep the same status if targets were missed in a different subject than the prior year. New schools, or schools that were reconfigured, do not have prior AYP status (na).
