DIRECTORS:

The Committee on Education recommends the adoption of the following resolutions, that the proper officers of the Board be authorized to enter into contracts relating to those resolutions and that authority be given to the staff to change account numbers, the periods of performance, and such other details as may be necessary to carry out the intent of the resolution, so long as the total amount of money carried in the resolution is not exceeded. Except that with respect to grants which are received as a direct result of Board action approving the submission of proposals to obtain them, the following procedures shall apply: Where the original grant is $1,000 or less, the staff is authorized to receive and expend any increase over the original grant. Where the original grant is more than $1,000, the staff is authorized to receive and expend any increase over the original grant, so long as the increase does not exceed fifteen percent (15%) of the original grant. Increases in excess of fifteen percent (15%) require additional Board authority.

Proposals/Grant Award

RESOLVED, That the Board of Education of the School District of Pittsburgh authorize its proper officers to submit proposals for grants and accept grant awards in the amounts and for the purposes set forth in subparagraphs 1 through 5, inclusive.

RESOLVED FURTHER, That upon approval of the grant by the granting agency, the Board authorize the establishment of appropriate accounts and, where necessary to implement the grant, authorize the advancement of funds to operate the program until the grant and fees are received.

1. Acceptance of $10,000 from the PA Department of Education of the Paraeducator Training Performance Grant to support a series of five professional development sessions that are directly aligned with the PA Special Education Paraeducator Credential of Competence knowledge and skill areas. Each training will focus on developing the skills of up to thirty-five (35) paraeducators in providing support and services to students with disabilities. The funding period shall be from January 26, 2006 to July 1, 2006.

2. Acceptance of $500 from ExxonMobil Educational Alliance to provide student incentives/rewards for scholarship, good attendance, and good citizenship at Greenfield Elementary School. By teaching, emphasizing, and rewarding our ten core character values, students will be encouraged to use self-discipline to develop effective interpersonal skills, achieve goals, and improve critical thinking skills. Students (K-8) will receive any item of their choice from the school store for exhibiting positive character traits and academic achievements. The funding period shall be from January 26, 2006 through January 26, 2007.
3. Acceptance of $2,500 from Jordan Fundamentals Program/NIKE Foundation to support an integrated arts mural project at Frick ISA that will incorporate mathematics, language arts, and technology. Students will work individually and in teams to develop and plan mural designs to be painted on the interior of the school. Students will maintain a drawing and writing journal recording ideas along the way and responding to and solving specific problems that are posed, as they design murals in a set space with specific dimensions. Students will make artistic choices and will participate in guided discussion to explain, defend, and consider their choices. These discussions will include art professionals from the Indianapolis Museum of Art (via two video conferencing sessions and the Carnegie Museum of Art). This project will strengthen students' critical and creative thinking skills and will also strengthen their relationships to one another, thus enhancing the school climate. The funding period shall be from January 26, 2006 through January 26, 2007.

4. Acceptance of $500 from the McDonald's Foundation to support the development of a teaching unit on Morocco at Frick ISA. The goals of this project include: 1) to expose French majors to the French influence in Morocco, and 2) to expose students to the culture of Morocco through the eyes of a primary source—a native of Morroco who is interning as a teacher at the school. The intern teacher, working under the guidance of the classroom teacher, will: lead discussions on Morocco and will support students in the creation of culminating activities for the unit, which will include making a map and flag of Morroco, making a poster to depict what they have learned about the country, and participating in the preparation of a Morrocan meal. Funds are granted to support materials and supplies for these classroom activities. The funding period shall be from January 26, 2006 through January 26, 2007.

5. Submission of a proposal to the Toyota Tapestry Grant for $10,000 to enable Allderdice High School science teacher Robert Wesolowski to develop a pilot classroom-level electronic integration model of teaching and learning through the use of the Internet and handheld assistive devices. This electronic integration will support real time learning in collaboration with multiple resources from multiple locations around the world, thus enabling Allderdice students to interact visually and audibly with scientists and researchers who currently are studying similar topics being investigated by Allderdice students. Students will be able to engage with multi-discipline research areas around core scientific questions. If shown to be successful, this classroom model will be exported across classes inside and outside the school, including outreach to homebound students. During the pilot phase, Allderdice will work collaboratively with another school outside of the Commonwealth of Pennsylvania, Carnegie Mellon University, and the Materials Research Society—an international organization of engineers, scientists and researchers devoted to research and development of materials of technological importance. Specifically, Toyota Tapestry funds will be used to purchase equipment, cameras, projectors, and access to various media support
systems for Allderdice. The funding period shall be from January 26, 2006 through January 26, 2007.

HOME EDUCATED STUDENTS' PARTICIPATION IN ACTIVITIES POLICY

1. **Authority.**

The School District of Pittsburgh establishes the following policy under the authority granted by Section 1327.1 (F.1) (4) of the Public School Code, Act 67 of 2005.

2. **Definitions.**

**Home Educated Student** – resident students of School District of Pittsburgh who have met the criteria for home education as outlined in Section 1327.1 of the Public School Code and who also meet the regulations listed in the Home Education Policy of the School District.

**Activities** – includes extra-curricular activities, but not co-curricular activities. The School District's program of interscholastic athletics, including varsity sports, shall be considered an activity and includes all activities related to competitive sports contests, games, events or exhibitions involving individual students or teams of students whenever such activities occur between schools within the School District or between schools outside of the School District.

**Co-Curricular Activities** – activities that are directly related to curricular areas and/or result in the awarding of evaluative grades and credits. Examples of Co-Curricular activities include, but are not limited to, such things as band, chorus, intramurals, etc.

**Extra-Curricular Activities** – activities that are not tied to curricular areas and do not result in the awarding of grades and credits. Examples of Extra-Curricular activities include, but are not limited to, sports, clubs, plays, etc.

**Try-out Criteria** – an evaluation conducted by the supervisor of an activity, such as the coach of an athletic activity or the director of a theatrical production, in
which eligible candidates are measured using both objective and subjective standards developed and applied by the supervisor. Try-out criteria includes competitions for placement in an activity.

**Eligibility Criteria** – the standards that a student must meet in order to qualify for participation in an activity.

**Athletic Eligibility** - the rules and regulations promulgated by the Athletics Association of which this School District is a member.

**Governing Organization** – the entity that is responsible for creating and enforcing policies, rules, and regulations of an activity. The term includes, but is not limited to, the district, the board of school directors, the athletics association, the sponsor, the director, or the coach.

3. **Home Educated Student’s Participation in Activities.**

The School District of Pittsburgh will permit a child who is enrolled in a home education program to participate in any activity that is subject to the provisions of 24 P.S. § 5-511 including, but not limited to, clubs, musical ensembles, athletics and theatrical productions in accordance with the following regulations.

A. The home educated student must meet the eligibility criteria for participation in the activity that apply to students enrolled in the school district.

1. The parent or guardian or other person having legal custody of the home educated student must notify the administration of his or her intent to participate by July 15th for fall activities, by October 15th for winter activities, and by December 15th for spring activities.

2. Prior to the commencement of the activity, the administration must verify that the student meets the eligibility criteria for participation in the activity.

3. The parent or guardian or other person having legal custody of the home educated student must provide the
administration with a current evaluation of the student’s portfolio to ensure that the student’s academic progress meets the eligibility requirements.

4. The parent or guardian or other person having legal custody of the home educated student must provide weekly updates of the student’s academic performance in order to meet the District athletic eligibility requirements which shall apply to home educated students as well.

5. The student must take all standardized assessment tests deemed necessary by the School District.

B. The home educated student must meet the try-out criteria for participation in the activity that apply to students enrolled in the school district.

1. The supervisor of the activity is the sole arbiter of whether or not the home educated student meets the try-out criteria.

2. During try-outs occurring on school grounds, the home educated student must comply with the School District’s visitor policy.

C. The home educated student must comply with all policies, rules, and regulations of the governing organization of the activity.

1. Failure to follow all policies, rules, and regulations will subject the home educated student to the same disciplinary measures as apply to students enrolled in the district.

2. Any discipline measures in the Code of Student Conduct that necessitate the enrolled student’s exclusion from school do not apply to a home educated student. In such a case, the penalty will instead be a loss of eligibility to participate in the activity.

4. **Physical Examination or Medical Tests.**

Where the activity requires completion of a physical examination or medical test as a condition of participation, and if the School District offers such physical examination or medical test to students enrolled in the school district, the School District will provide the same access to a home educated student in the manner set forth below.
The School District will publish the dates and times of such physical examination or medical test in a publication of general circulation in the School District.

The School District will concurrently publish the dates and times of such physical examination or medical test on the district’s publicly accessible internet website, if applicable.

The parent or guardian or other person having legal custody of the home educated student must notify the administration of his or her intent to attend at least ten (10) days prior to the scheduled physical examination or medical test.

The parent or guardian or other person having legal custody of the home educated student must comply with the school building’s visitor policy when attending the physical examination or medical test on school grounds.

5. **Miscellaneous.**

Transportation to the school grounds is the responsibility of the parent or guardian or other person having legal custody. Transportation between the school grounds and the site of an interscholastic activity is the responsibility of the School District.

Appeals concerning other activity issues not directly addressed in this policy should be made to the building principal and may be appealed to the Superintendent whose decision shall be final.

The student’s participation in activities covered under this policy is limited to the school the student would normally attend under the policies of the School District of Pittsburgh according to the student’s attendance area.
Attachment B

6. This policy rescinds and supersedes the School District of Pittsburgh Home Schooled Students Extracurricular Activity Non-Participation Policy adopted by the Board of Directors on January 26, 2005.
In Memoriam
Reverend LeRoy Patrick
Presented January 25, 2006

The Reverend LeRoy Patrick, who served on the Pittsburgh Board of Public Education from 1970 through 1976, died January 12, 2006 at the age of 90.

Pastor of Bethesda Presbyterian Church for 35 years, Rev. Patrick founded Bethesda Center, an innovative social service agency serving Homewood. He was one of the first Black ministers to serve as moderator of the 226-church Pittsburgh Presbytery.

Rev. James Mead, pastor of the Pittsburgh Presbytery, described Rev. Patrick as “a bona fide hero of the civil rights movement” in an obituary printed by the Pittsburgh Post-Gazette on January 13. Rev. Patrick began his campaign to confront racism in 1951, when he organized protests at city pools. The pools were opened to all races in the summer of 1952. He continued to work for equal opportunity in education, employment and housing, walking picket lines and bringing lawsuits against hiring practices. He chaired the Allegheny County Council on Civil Rights and the Allegheny County Committee for Fair Housing Practices.

Education was “his first and foremost concern” according to his son, Gregory Patrick, who said his father “believed in it passionately.” That passion, which led him to protest such issues as the way textbooks presented slavery and hiring practices related to Black teachers, eventually led to his appointment to the Board of Education. Rev. Patrick served as Board President from November 1975 to December 1976.

In addition to his tenure on the Board of Education, Rev. Patrick was also active in politics and chaired the Allegheny County Black Political Organization. He was a founding member of the Pennsylvania Black Democrats, former vice president for the Pittsburgh branch of the NAACP and member of the state Historical and Museum Association.

Born in Charleston, South Carolina, Rev. Patrick was a graduate of Lincoln University and received both his master of divinity and master of sacred theology degrees from Union Theological Seminary. He served on the board of trustees at Lincoln, where he once taught Greek, Latin and religion. The University granted him an honorary doctorate in 1964.

Board members and staff of the Pittsburgh Public Schools extend our deepest sympathy to Rev. Patrick’s sons, Gregory and Stephen, and his six grandchildren.

B. Furnish and install "FRP" in Janitor's Closet -- $2,120.

Explanations:
A. The installation of the access panels was not in the original scope of work.
B. The original documents specified plaster repair and "FRP" was added to prevent water damage to the walls.

A: Beyond scope of work and B: Value added

C.O. #4

A. Remove and relocate two radiators in Stair 'B' -- $5,646.
B. Remove two metal roof caps, two 8' x 8' curbs, two 6' x 6' curbs, install new decking and re-roof -- $14,121.
C. Premium time -- $37,642.

Explanation:

A. Design omission. To comply with current building and fire code, the entrances to rooms 105, 105, 204 and 205 were relocated to the interior side of the fire doors of Stair 'B'. This relocation of the room entrances required the removal and relocation of existing radiators. The removal and relocation of these radiators was not included in the contract documents.

B. Unforeseen field condition. During the demolition of existing unused exhaust duct work in two separate shafts, it was discovered that the metal roof caps installed over these shafts was deteriorated and not weatherproof. To maintain the integrity of the roof, the metal roof caps and associated curbs were removed. New decking was installed and the roof repaired to comply with current warranty standards.

C. Premium time was authorized by Facilities Division to ensure that the new ductwork being installed throughout the school would be complete for the start of the school year and that the new boilers would be complete and operational for the heating season.

A: Design omission; B: Unforeseen field condition; and C: Requested by Facilities

C.O. #3

A. Re-route new air conditioning system condensate line in Room 022E. (Deduct) -- -$1,393.
B. Delete 40' of pipe for the floor drain in Room 014A. (Deduct) -- -$1,045.
C. Install a 2" vent for the floor drains in the Teacher's Lounge. (Add) -- $2,011.
D. Replace 6" sanitary and 4" storm lines in the boiler room. (Add) -- $3,782.

Explanation:
A. The original contract documents call for the installation of a new floor drain in Room 022E to accommodate the condensate line of the new air conditioning system. After construction began it was determined that the condensate line could be re-routed to use an existing drain in the room.
B. The contract documents indicate a floor drain and piping to be installed in Room 014A. During construction, an existing drain line was discovered under the floor in Room 014A. The existing drain line allowed the contractor to install the floor drain using 40' less pipe than anticipated.
C. Design omission. The contract documents did not indicate a vent for the floor drains in the Teacher's Lounge. The vent for these drains is a code requirement.
D. The existing 6" sanitary and 4" storm lines in the boiler room were scheduled to remain, but, during construction it was determined that these lines were deteriorated and in need of replacement. Facilities Division requested that the contractor replace these lines.

C.O. #5
A. Install duct heaters and thermostats in Building "C" conference rooms -- $2,405.
B. Install draft inducer system on domestic water heater -- $2,947.

Explanation:
A. The original contract documents did not call for the renovation of two conference rooms in Building "C". After the start of the project, the Principal requested that these conference rooms be included because of poor condition. Facilities Division reviewed and approved this request. As a part of the renovation to these rooms it was necessary to install duct heaters and thermostats.
B. Design change. The original contract documents called for the installation of a State boiler system for the domestic hot water. After the start of the project Facilities Division requested that the domestic hot water system be changed to an A. O. Smith system. The cost of this change is for the draft inducer system and control wiring required for the A. O. Smith system.

Directors:

I regret to inform you of the death of Mr. Stephen Populo, Science teacher, Schenley High School. Mr. Populo passed away on Tuesday, December 27, 2005.

Mr. Howard Bullard, Principal, Schenley High School, pays the following tribute to his memory:

It is with sad regret to inform you that Mr. Stephen Populo, a Science teacher at Schenley High School, passed away on Tuesday, December 27, 2005. Mr. Populo passed away suddenly. He was only 43 years of age. His teaching career with the Pittsburgh Public Schools began in 1988. He taught at Arsenal and Schenley during his 18 years of service with the school district.

Mr. Populo was an outstanding teacher, mentor and friend. He wore many hats at Schenley. Solving problems and working with computers were his passions. He demonstrated his other talents as he worked with the Schenley High School marching band, as Coordinator for the Pennsylvania Junior Academy of Science, as a troubleshooter for computer problems, and working tirelessly on our master schedule. Mr. Populo was well liked and highly respected by the students and staff. This is a tremendous loss for anyone who had the opportunity to work with him.

Directors:

Mr. Todd Van Horn, Principal, McCleary Elementary School, pays the following tribute to her memory:

Mrs. Simms died on December 26, 2005 at her Schenley Heights home surrounded by her family (husband of 39 years, 2 daughters, son and six grandchildren). Her last day of work was Monday, December 19.

Emma waged a courageous fight against cancer for over three years. She had lung cancer which over the past several months had spread to her liver. During this time, she advocated aggressively for cancer awareness, early detection and treatment.

She was employed as an elementary school teacher with nearly 30 years of service with the Pittsburgh Public Schools; the last seven years as a Kindergarten teacher at McCleary Elementary School.

Emma Jane was a staunch supporter of her husband, Rev. James Simms, and his church, St. Paul Baptist Church. In addition to her church work, she was also a member of the Pittsburgh Federation of Teachers, the Diversity Committee of St. Edmund’s Academy, and the Alpha Alpha Omega Chapter of Alpha Kappa Alpha Sorority, Inc.

Mrs. Simms’ candor, wit and unique sense of humor will be sorely missed at McCleary Elementary School as well as throughout the East End of Pittsburgh.

Directors:

I regret to inform you of the death of Mrs. Susan Van Ormer, Primary Learning Support Teacher, John Minadeo Elementary School. Mrs. Van Ormer passed away on Tuesday, December 27, 2005.

Dr. Ethel Flam, Principal, John Minadeo Elementary School, pays the following tribute to her memory:

It is with deep sadness that I am writing this letter to let you know that Mrs. Susan Van Ormer, a Primary Learning Support teacher at Minadeo Elementary has passed away. Mrs. Van Ormer was unable to work during her 2005-2006 school year due to her illness; however, she was always concerned about her students and was planning to return to work in April 2006. During Mrs. Van Ormer’s 28 year tenure with the Pittsburgh Public Schools, she served in Sunnyside, Fort Pitt and Friendship Elementary Schools.

Mrs. Van Ormer was a dedicated and caring teacher. She was thoughtful, hard working and always willing to “go the extra mile” for both students and staff. She was well liked by both the teachers in her building and the students in her classroom. She will be missed by staff and students alike.

Respectfully submitted

WHEREAS, If the proposed School Administrators Severance Incentive Plan (see attached School Administrators Severance Incentive Plan (SASIP) Summary) is implemented, it can increase retirements of School Administrators in a manner which reduces salary costs for the District and facilitate potential reductions in force, and

THEREFORE, NOW BE IT RESOLVED, That the proposed School Administrators Severance Incentive Plan ("SASIP") is hereby adopted by the School District of Pittsburgh for School Administrators, and

BE IT FURTHER RESOLVED, That EPC – Educators Preferred Corporation ("EPC") be recognized as the Consultant and Agent of Record to implement the Plan, and

BE IT FURTHER RESOLVED, That the Board authorize its appropriate officers to execute necessary and appropriate SASIP plan documents as are satisfactory to the Chief Operations Officer and General Counsel, including those relating to the group administration contract/terminal funding agreement or similar funding or administration vehicle, and

BE IT FINALLY RESOLVED, That the Board shall make employer contribution into 403(b) accounts for approved participants in the SASIP. Such contributions shall not cause any employee to exceed the contribution limits of Section 415(c) of the Internal Revenue Code as applicable to 403(b) plans. It is the intent of the Board of Education that this 403(b) Plan will conform with all federal and state statutory and regulatory requirements to 403(b) plans, except that the program shall not be subject to the requirements of Title I of ERISA because as a governmental employer the School District of Pittsburgh is exempted from such requirements.
School District of Pittsburgh
School Administrators Severance Incentive Plan ("SASIP") Summary

EPC Background: EPC – Educators Preferred Corporation\(^1\) is the leading provider of consulting services for school district incentive programs in the nation. For the past 15 years, EPC has built a successful track record of structuring, implementing, and administering severance incentives for school district clients in 14 states (including Ohio). Throughout this time, EPC has processed over $1 billion in severance plan benefits and counseled thousands of school district employees, administering $3.5M per month in severance benefits to 12,000 severance incentive participants. EPC has had no other business focus besides severance incentives.

The School Administrators Severance Incentive Plan (SASIP)
Objective: To implement a proactive cost containment program for School Administrators to reduce overall salary costs while maintaining excellence in education, and facilitate potential reductions in force.

Plan Eligibility: The School Administrators Severance Incentive Plan - SASIP is a one time offer to full-time School Administrators who were hired by the School District of Pittsburgh (in any employment position) on or before September 15, 2000 and who are eligible to retire with PSERS.

EPC's Participation Projections: An estimated 20 School Administrators will elect the SASIP.

SASIP Plan Benefits: School Administrators electing the SASIP receive $55,000. Plan Participants receive the total $55,000 benefit over 5 years, divided into 60 equal monthly payments made to the participant’s Post Employment 403(b). If the participant chooses, they can access the funds each month, within the parameters of the Post Employment 403(b) tax code.

Added to the base SASIP amount of $55,000 is the Applicable Act 93 Severance Pay (sick leave) and Applicable Act 93 Vacation Pay. The total of the $55,000 plus the sick and vacation pay is added up and divided into 60 equal monthly payments into the plan participant’s employer paid post employment 403(b) account.

Under current tax rules, the employer and employee do not have to pay Medicare taxes on the ESP\(^\text{TM}\) amounts deposited into the 403(b), and federal and state taxes are deferred until the individual withdraws funds from their Post Employment 403(b) account.

The District reserves the right to withdraw the incentive if the plan’s participation level does not meet the District’s economic objectives.

Window Period of Election: The window of opportunity to elect the plan will be a 45 day period from (approximately) February 21, 2006 through April 13, 2006.

The enrollment documents shall include a release and waiver of claims agreement.

Exit Date: Plan participants will exit from employment with the District on July 1, 2006.

Plan Documents: Following the Board’s approval of the plan, EPC and the District shall prepare and execute such plan documents and other matters satisfactory to the Chief Operations Officer and General Counsel necessary to effectuate the incentive.

This summary is descriptive, but not all inclusive of the language needed in the plan documents and forms.

\(^1\) EPC is not tax or legal counsel.

---
MR. ISLER: Good evening, ladies and gentlemen, and I would like to call the January 25th, 2006 Pittsburgh Board of Public Education legislative meeting to order.

Would everyone in the room please rise, so we may salute the flag.

(Salute to the flag.)

MR. ISLER: Thank you.

As is the tradition, before our legislative meeting, we like to present awards to students, and to members of our staff.

We are going to have a slight departure from how we usually handle these. We have one student, who we are going to honor in just a moment, we have a number of our teachers who have received their national certifications from the National Board for Professional Teaching Standards.

We have a phenomenal number of teachers in our District who receive what is known as their national certification. And this evening we have quite a list to honor.

So we are going to have all of the Board members take part in this particular ceremony.

So, with that, Miss Vlassich, I will ask
the Superintendent to come forward, and we will ask
Miss Allen to come in, so she can receive her award.

Superintendent.

(Awards presented.)

(Applause.)

MR. ISLER: Again, I want to thank our
teachers, and our students, and our two Board members
for being recognized this evening, and it might have
taken a little longer than we usually allow for, but I
think it is very important that the public realizes
how spectacular our teachers are.

With that, Mr. Weiss, I will ask for the
roll call, please.

MR. WEISS: Mr. Brentley.

MR. BRENTLEY: Here.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Here.

MR. WEISS: Mr. Dowd?

MR. DOWD: Present.

MR. WEISS: Mrs. Fink?

MS. FINK: Here.

MR. WEISS: Mr. McCrea?

MR. MCCREA: Here.

MR. WEISS: Mr. Romaniello?

MR. ROMANIELLO: Here.
MR. WEISS: Mr. Sumpter?

MR. SUMPTER: Present.

MR. WEISS: Mr. Taylor?

Mr. Taylor is absent.

Mr. Isler?

MR. ISLER: Present.

MR. WEISS: Eight members present.

MR. ISLER: Thank you.

Mr. -- at the last minute, Mr. Taylor had a personal emergency, he is unable to be here this evening.

I would like to ask for a motion to approve the minutes of the December 21st meeting.

MS. COLAIZZI: So move.

MS. FINK: Second.

MR. ISLER: It has been moved and seconded. Are there any questions or comments about the December minutes?

Hearing none, all those in favor, please signify by saying aye.

(Thereupon, there was a chorus of ayes.)

MR. ISLER: No, same sign.

(No response.)

MR. ISLER: The minutes are approved.

I would like to read the statement of the
executive session for this legislative meeting of January 25th, 2006.
(Mr. Isler read from prepared material.)
MR. ISLER: I would like the Board members to please turn to the Committee on Education. Before I do the general statement, I would like you to turn to page 9, No. 10, student suspensions, transfers and expulsions.
111 students were suspended for four to ten days.
Zero students suspended for four to ten days and transferred to another Pittsburgh Public School.
Zero students expelled out of school -- I'm sorry, ten students expelled out of school for 11 days or more.
And zero students expelled out of school for 11 days or more and transferred to another Pittsburgh Public School.
The Committee on Education Report is before you, it has been submitted to you this evening. I do not know if you have any questions or comments.
If so -- Mrs. Colaizzi.
MS. COLAIZZI: Thank you.
Mr. Weiss, actually, I need to ask you a question. I did see the Education Report, however, in my book it is not the Education Report, it is another copy of the Personnel Report. Since I did see it, in a different book, can I still vote on it, or should I abstain?

MR. WEISS: You can vote on it.

MS. COLAIZZI: Thank you.

MR. WEISS: Mr. McCrea.

MR. McCREA: Yes.

On page 7, under "General Authorizations", there is one of many generous donations we will be receiving, that is in the name of Mrs. Edith Henderson at Langley, she is the greeter we have seen here several times getting awards, and this woman is just very phenomenal, and I really want to recognize her dedication and devotion to the students, and thanks for the generous donation we are getting in her name.

MR. ISLER: Thank you, Mr. McCrea.

Mr. Brentley.

MR. BRENTLEY: Yes.

I have a couple of questions for Mr. Weiss and staff.

On page 8, No. 7, the adoption of the home educated student participation and activity policy.
Can someone give me a rough number of students that we have, that are home schooled, within the District? Or how do we come up with that number?

Somebody knows it.

DR. CUPPLES: Kaye Cupples, office of support services.

Approximately 350.

MR. BRENTLEY: 350.

And, Dr. Cupples, presently we have a standard -- this is for students to participate in all of the District's activities that we offer; is that correct?

DR. CUPPLES: Extracurricular activities, that's correct.

MR. BRENTLEY: Well, and we do have a standard, a student must maintain a C average, to participate presently in our District.

DR. CUPPLES: C average for interscholastic athletics for our students, that's correct.

MR. BRENTLEY: And those rules do not apply presently to those students who are home schooled.

DR. CUPPLES: I am going to refer that question to Mr. Weiss.

MR. BRENTLEY: Okay. Thank you.

MR. ISLER: Mr. Brentley, I am glad you
raised it, because we did have extensive conversation on this at agenda review.

Mr. Weiss.

MR. WEISS: The policy that is before the Board will -- as is permitted by the new legislation, the home schooled students who wish to participate in extracurricular activities will be required to have the same academic requirements as School District students.

MR. BRENTLEY: Okay.

You know, I just raised that point, because I guess I want to stress the importance of allowing those students to participate in this great School District's extracurricular activities, but they should also be required to maintain the same requirement as all of our students.

So I guess I want to suggest, in a very, very strong way, that we monitor that process, and we make sure that those students have to jump through the same hoops that our students, and in most cases, this is not an option for -- am I correct, for us, Mr. Weiss, this is law?

We have to --

MR. WEISS: Well, the legislation requires school districts to have a policy which provides for
participation by home schoolers in extracurricular activities.

That is the reason that this is before you this evening.

And, the policy before you reflects the requirements of that legislation.

MR. BRENTLEY: Thank you.

And in closing, I just want to make sure that our signals are very clear, that we not allow, or hopefully that there is no one out there looking at an opportunity to kind of back door the system, in terms of participating in our activities, and they will understand, if you are going to home school, you can home school, but there are requirements, and you are going to be expected to live up to our standards, to make sure that that child gets the best education possible, and especially the same education, and the same requirements, that our present students have to go through.

MR. ISLER: Mr. Brentley, it is a good question, I am glad you raised it, because this is the first step, according to Mr. Weiss.

When we talked about this at agenda review, the recommendation was to approve this, and then the additional meeting our standards will be added to
that; correct?

MR. WEISS: Well, the language currently, in the resolution -- the resolution you had before you last week had language in it concerning academic requirements.

There was additional language provided, that also stated that the home schooler had to take a standardized test, as may be required by the District. There are a number of nationally normed tests that the District may provide for, and that language is not in the resolution you have before you.

I suggest that a Board member present an amendment to include that language, for our purposes this evening.

MR. ISLER: Mr. Brentley, do you want to continue?

Because I know that that's --

MR. BRENTLEY: I can allow the other discussion to go ahead.

MR. ISLER: Thank you. Because this is going to go on.

Dr. Dowd.

MR. DOWD: I wanted to make this amendment that Mr. Weiss was talking about.

We had some correspondence this week about
that. So I would like to amend this, and then speak
to the amendment, if I may, if it is seconded.

I would like to -- I move to amend item
No. 7 on page 8 of the Education Committee Report, to
include -- if you will turn to the Attachment B, is
where we see this, to include, under item C of
Attachment B, No. 3, and that No. 3 would state that
"all home schooled students wishing to participate in
activities here in the Pittsburgh Public Schools be
required to take the same national standardized tests
that the students of the Pittsburgh Public Schools are
required to take."

MS. FINK: I would second that.

MR. ISLER: There is a motion on the floor,
it has been moved and seconded.

Is there any question or comment?

MR. DOWD: If I may.

MR. ISLER: Yes.

MR. DOWD: Again, I want to be very clear
about this, this is not seen -- this is simply a way
of trying to make certain that all students, who are
active, in one way or another, in the Pittsburgh
Public Schools, are participating in national
standardized tests, so that we have a measure of
performance based on those national standardized
tests, and we have some regular format by which we can compare student performance and so on and so forth, and to help I think meet some of the concerns that Mr. Brentley is addressing here. If our students are required by national law to take these tests, students participating and accessing the taxpayer resources here in the Pittsburgh Public Schools should also, I believe, be required to do that, and I think actually it is in the best interests of those students to do so. So we hold our students to high standards, and we will hold all students to high standards.

MR. ISLER: Thank you. Any there other comments about the motion? This is only the motion, not what we are voting on.

Mr. Romaniello.

MR. ROMANIELLO: Dr. Dowd, how often would students be required to take the test?

MS. FINK: As often as our students are required to take the test, so, too, would these home schoolers, wishing to participate in our activities, and I want to also note that this is not in any way an exclusion policy, there is no limiting based on performance, it is just simply that they must take
those tests, just as our students.

MR. ROMANIELLO: But our students have --
you know, every quarter there is a report card, and if they don't maintain a C average on that report card,
they cannot participate in the sport.

MR. ISLER: Dr. Dowd.

MR. ROMANIELLO: So is there a way that we can do this on the same basis?

Because it is still not equitable.

If we are only testing the home schoolers once a year, but our students are up to the standards four times a year, that still is not equitable.

MR. ISLER: Mr. Romaniello, let's be clear on this, we are talking about a different -- that's why I wondered, we are only talking about this motion, you are talking about a grading issue, not a standardized test, and Mr. Weiss has made it clear, and I will let him clarify it one more time, on the grading issue.

MR. DOWD: Yes.

MR. WEISS: The amendment that Mr. Dowd has offered relates to a standardized nationally normed test.

That is what is being added by this amendment.
What is already in the policy you have before you, is the language that subjects home schoolers to the same eligibility requirement as District students.

So, if there is a quarterly, or periodic grading, evaluation process, for our students, like report cards, the District will have an evaluation process for these students based upon their materials. The District will implement that.

The amendment Mr. Dowd has offered, relates to a nationally normed standardized test, which is, I believe, an annual test.

MR. ISLER: Okay.

So we are now on the motion.

Mr. McCrea, on the motion.

MR. MCCREA: Yes.

Who would provide the test to the home schooled parents, and at what cost?

MR. WEISS: It is my belief that we would have to provide it, Mr. McCrea.

MR. ISLER: That's getting the signal, yes, from Dr. Spampinato, so I assume that will be done by -- yes.

All right.

There is a motion on the floor. It has
been moved, it has been seconded.

All those in favor, please signify by saying aye.

(Thereupon, there was a chorus of ayes.

MR. ISLER: Any opposed?

(No response.)

MR. ISLER: Motion carries.

We will continue with the Report on Education.

Mr. Brentley, do you have anything else in the report, sir? Because you did have the floor, whenever we began this process.

MR. BRENTLEY: I will allow Mrs. Colaizzi.

MR. ISLER: Mrs. Colaizzi.

MS. COLAIZZI: Thank you.

Again, I do not have the report in front of me, I did borrow Mr. Sumpter's.

On page 8, No. 5, at agenda review I had questioned this item, and I never did get a clarification, but I did get one this evening by Thekla Falls, if she could please put it on the record.

MR. ISLER: You can borrow the Superintendent's mic, if you like. We can just get it going here.
That's okay. I was just trying to -- thank you.

MS. FALLS: Yes.

That item pertains to ESL materials, which were purchased in 2004, and they were approved by the Board, but we had to phase them in gradually, as the new ones came in -- until the new ones came in, the old ones were -- the old materials were still being used.

This item allows us to discontinue the use of the old items.

MS. COLAIZZI: Thank you.

MR. ISLER: Any other questions on the Committee on Education report?

Mr. Romaniello.

MR. ROMANIELLO: Yes. Thank you, Mr. President.

Going back to Attachment B, there is still some things that aren't very clear.

If the students -- if there is something in place that will hold the standards as the same as our report cards, I don't see that in here.

Is there something that will hold the standards, or is the only thing going to be the test that we voted for in Mr. Dowd's -- Dr. Dowd's
MR. WEISS: No, the policy says that they are subject to the same eligibility requirements as our students.

So, whatever our students must achieve to participate in extracurricular activities, be it athletics, or other activities, those same requirements apply to home schooled children.

MR. ROMANIELLO: Well, I guess what my question might be for Dr. Cupples, are we going -- is there some way we can evaluate -- I just don't know what's in there now, that we can evaluate these children four times a year.

DR. CUPPLES: Mr. Romaniello, you are correct, typically we would get -- ask the parent, who is the teacher of the child, for an affidavit saying that the student has all B's, or all C's, or what grades they have, because they are the teacher of record of the child.

I think it requires us to go back and look further, and deeper, in how we can meet some of the needs you are bringing forward this evening.

So I don't have a clear answer for you, but I understand exactly where you are coming from on that.
MR. ROMANIELLO: Okay.

So I am correct in saying that there is no -- nothing that the District has, it only comes from the parents saying that their child did the work, the acceptable work.

DR. CUPPLES: That's correct.

And a possibility is that rather than review portfolios on a yearly basis, we might begin to look at reviewing work, and work products, on a quarterly basis, and match that with report cards.

But we will need to get back to you as a group on that.

MR. ROMANIELLO: Okay.

And the other thing that I think we need to be mindful of, is to make sure that the students who do participate, participate in the schools of their home area, so that we don't have the home schooled students trying to shop themselves around to, you know, play for the school of their choice.

You know, we can't have that happening, either.

And, I think we are going to have to be very, very mindful in keeping an eye on making sure that these students go by the same rules that our students do.
DR. CUPPLES: Right.

We are very clear on that in the office of support services, Mr. Romaniello.

MR. ROMANIELLO: Thank you, Dr. Cupples.

MR. ISLER: It is -- your point is embedded in this resolution.

Any other questions?

Hear -- sorry, Mr. Sumpter. I apologize.

You did have your hand up.

MR. SUMPTER: Thank you, Mr. President.

I have a concern on the opening paragraph of the Education Committee Report, about midway down, where it says, after the -- it says, "Where the original grant is 1,000 or less, the staff is authorized to receive and expend any increase over the original grant."

And then the last sentence talks about increases in excess of 15 percent require additional Board authority.

Does that sentence qualify that prior sentence?

MR. ISLER: It is, as I read it -- and Mr. Weiss is now looking at it, and he is usually the ultimate authority on this since he is our solicitor, it says, "does not exceed 15 percent of the original
grant," then the final sentence says, "any increases in excess of 15 percent require additional Board authority."

Does that answer your question?

MR. SUMPTER: Well, the reason for asking, is that that -- the sentence following the one that I read first, does have a qualifier on it, saying that anything over 15 percent gets --

MR. ISLER: Does not exceed.

MR. SUMPTER: -- Board approval.

MR. ISLER: I assume the last sentence reinforces that; correct?

MR. WEISS: Right.

MR. ISLER: The last sentence, according to our solicitor, just reinforces that sentence one more time.

MR. SUMPTER: I am talking about the one prior to that; does it qualify that one, also? Because it is open ended on that first sentence, it just says they can expend any increase over the original grant, without a qualifier, and I was just wondering whether that last sentence applies to that or not.

MR. ISLER: Well, it is less than 1,000, or over a thousand.
So under a thousand, they have the ability
to expend it as they wish, over a thousand, we then
have the qualifiers put in.

MR. SUMPTER: It says, "and expend any
increase over the original grant," on the thousand.

MR. ISLER: As long as the increase does
not exceed 15 percent.

MR. WEISS: I think the last sentence makes
it clear that an increase in excess of 15 percent
requires Board authority. Which means they have to
come back and get Board approval.

MR. ISLER: "So long as." I think it is
the "so long as" in the final sentence is sufficient.

MR. WEISS: Right.

MR. ISLER: Okay?

I hope that the Superintendent agrees with
our interpretation.

Any other questions, or concerns?
Hearing none, Mr. Weiss, could we please
have a roll call on the Committee On Education Report.

MR. WEISS: Mr. Brentley?

MR. BRENTLEY: Yes.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Yes.

MR. WEISS: Mr. Dowd?
MR. DOWD: Yes.
MR. WEISS: Mrs. Fink?
MS. FINK: Yes.
MR. WEISS: Mr. McCrea?
MR. McCREA: Yes.
MR. WEISS: Mr. Romaniello?
MR. ROMANIELLO: Yes, as a whole, page 8, No. 7, I vote no.
MR. WEISS: Mr. Sumpter?
MR. SUMPTER: Yes.
MR. WEISS: Mr. Isler?
MR. ISLER: Yes.
MR. WEISS: The report's approved.
MR. ISLER: Thank you, Mr. Weiss.
We will now move to the Committee On Business and Finance.
The committee report is before you.
Are there any questions or comments on the Report on Business?
Mr. Fellers, I recognize you first.
MR. FELLERS: Mr. President, we would like to notify the Board that staff is recommending that item Bla at the bottom of page 1, that that item be temporarily pulled, while staff reviews the scope of that project, and brings it back at some later time.
for reconsideration.

MR. ISLER: Thank you.

We are pulling Bla on page 1, consultants and contracted services; correct, Mr. Fellers?

MR. FELLERS: Yes, sir.

MR. ISLER: So noted, Mr. Weiss?

Thank you.

Any other questions.

We will begin, if we may, with Mrs. Colaizzi.

MS. COLAIZZI: Thank you.

Mr. Weiss, if we look at the two TIF's here, there are two of them, the first one is, if I am not mistaken, the Second Avenue Hazelwood, and the second one, then, is the downtown project?

MR. WEISS: Yes.

MS. COLAIZZI: Thank you.

MR. ISLER: Mr. McCrea.

MR. McCREA: I just want to start by bringing the Board's attention to the folder we received here.

I had asked a question, about the -- Mr. Lemoss provided some information, it is about the cost of the security systems, and he provided an explanation here, and I think everybody should take a
I also wanted to discuss a little bit about the TIF's. I am not really crazy about TIF's. The first one, the URA owns this Project, and it is on a brown field, I can see development there. I have a real hard time approving a TIF in downtown in this manner, so I will be okay with the first one, I will have to vote no on the second one.

MR. ISLER: Mrs. Fink.

MS. FINK: I simply want to weigh in on the pulling of item 1a, under B, consultants. I understand why this is being done, and I understand that we need to find a more reasonable alternative. But, please, let's not leave this lingering. This is something that this school has really, really been asking for, for a long time. It would bring that building into the same standard as the other buildings in our system. And I really feel obligated to be a nag on this issue, and make sure that we get these walls put up in the -- all but a more reasonable, but also a timely fashion.

So, please.
MR. ISLER: Mr. Roosevelt.

MR. ROOSEVELT: Awareness of the nag.

MR. ISLER: Thank you.

I just wanted to get it taken care of, so it doesn't exceed.

Mr. Fellers, if you could just hold off for a minute, please.

Anybody else?

Mr. Brentley, you had something.

MR. BRENTLEY: Yes.

I just want to ask Miss Castleberry, if she is here, a few questions.

And while she is coming to the microphone, I received her report earlier this month, and I just, I would like to know if any of these -- any of the numbers have changed in regards to the minority business and women enterprise program.

If any of these numbers have changed since receiving this, this is almost, I guess about a week old, two weeks, or --

MS. CASTLEBERRY: Good evening.

Yes.

The numbers for the consultant dollars have changed, and that's because of recommendation to pull that particular item this evening.
Other than that, the numbers are the same.

MR. BRENTLEY: Pulled. I mean, it is changed --

MS. CASTLEBERRY: The bottom line.

MR. BRENTLEY: -- positive, negatively?

MS. CASTLEBERRY: It went from almost 400,000, over $400,000, to zero. Down to zero.

So those were -- that particular -- there was only one contract, and it was going to be recommended that it be awarded to an MBE; however, they are pulling it to review it.

So those dollars went down to zero.

However, if you look at the top of the report, you will notice out of the 5.3 million, 1.9 million, or 36 -- over 36 percent of those contract dollars are going to EBE firms.

MR. BRENTLEY: Okay.

So we are seeing some increase in the numbers overall.

MS. CASTLEBERRY: Yes.

In fact, this month, one of the contracts is going to a WBE, as a prime contract.

MR. BRENTLEY: That's good news. Good news, great job.

And one final question. You are working on
an event, if I am not mistaken. Or is it premature to
talk about it?

MS. CASTLEBERRY: No.

MR. BRENTLEY: And that is, for the viewing
audience, who is interested in doing business with the
School District, and that's anyone, but specifically
we would like to see some more women and small
business owners, as well as minorities, can you take a
second to talk about that, and make an invitation to
our viewing audience.

MS. CASTLEBERRY: Absolutely. Thank you.
Thank you. I would be honored to do that.

On March 23rd, which is a Thursday afternoon, I believe it is from 1:30 to 4:00 o'clock,
we will be hosting our second annual extravaganza,
business opportunity extravaganza, and at this event
we will have representatives from our legal
department, general services, facilities, technology,
transportation, and a few other departments, coming in
to make themselves available to talk about their
particular departments, some of the challenges they
have been facing with contractors, and some of the
opportunities that are available for contractors that
are interested in doing business with the District.

As well, we will have separate tables set
up with materials and information on upcoming contract
opportunities that those vendors can bid on.
And we would also like to use that forum as
a networking opportunity for those contractors that
are minority owned, women owned, disadvantaged, or
just minority contractors that are looking for
partners to participate in the contracting practices
here at the District.

MR. BRENTLEY: Great.
Can you give your number real quick,
please?
MS. CASTLEBERRY: The phone number for our
department is 412-622-3733.
MR. BRENTLEY: Thank you.
MS. CASTLEBERRY: We love to see all of the
contractors there.
MR. BRENTLEY: Great. Thank you, so much.
And I want to make sure that we do have
that information on our website.
MR. ISLER: I also want to reinforce, this
is the second annual, this is not a first time
occurrence, this is something that went on last year,
too, so it is important that people know that.
MS. CASTLEBERRY: Yes. And last year our
chair, our president was there, Superintendent, and a
couple of the Board members were there, we would love
to see you there again.

MR. BRENTLEY: Great.

MR. ISLER: We will get those invitations out.

MR. BRENTLEY: We will get that on our website, too.

MR. ISLER: Mr. Brentley.

MR. BRENTLEY: That's it. Thank you.

MR. ISLER: Mr. Romaniello.

MR. ROMANIELLO: Thank you, Mr. President.

I would just like to ask fellow Board members to support both TIF's.

These are things that are going to help move this city forward.

I know there has even been some media that have talked badly about the TIF's, but that's one of the reasons why this city isn't moving forward, because we have a lack of forward vision.

We need to approve these, to help that vision move forward.

Plus, there will be a lot of good union jobs that will be associated with these TIF's, so we need to start moving this city forward.

So I would ask everybody to approve the
MR. ISLER: Thank you, Mr. Romaniello.

Mr. Fellers, you still have a comment to make, sir?

I know I asked to you hold until the Board members were finished.

MR. FELLERS: Yes, sir.

The ever vigilant Mr. Berdnik noticed that item A4, the incorrect month is specified there, that should read payments made in December 2005, not November.

So if you would make that correction in your report, please.

MR. ISLER: Thank you, Mr. Fellers. And the ever vigilant Mr. Berdnik, who is reading the next pages of his report, in the back room.

Mr. Brentley.

MR. BRENTLEY: Yes, Mr. President.

Just real brief, I just also want to share some comments to my colleague, Mr. Romaniello. While I will support the TIF's, but I have to very honest, that my concerns are in the ballpark of my colleague, Mr. McCrea, and that is, at some point, somehow, some way, are we starting to seeing a little bit abuse of the power of the TIF's.
So -- but I will support it, in the spirit of trying to move this community forward.

Thank you.

MR. ISLER: Thank you, Mr. Brentley.

Any other questions or comments?

Mr. Sumpter, please.

MR. SUMPTER: On the first page, on that item Bla, in pulling that item, what ramifications, or what does that cause?

Does it cause a rebidding of that, or what?

MR. ISLER: Mr. Fellers.

MR. FELLERS: It would be our intention, to -- we really don't bid, but we take proposals from the architects, it would be our intention to stay with Mr. Graves on this project, redefine the scope of the project, so that the amount when we bring it back may change, because the project is down sized.

But, no, we would continue, since Mr. Graves has invested some time in the project, to continue with him.

MR. BRENTLEY: Can I?

MR. ISLER: Mr. Brentley.

MR. BRENTLEY: Yes.

Mr. Fellers, this is new for me, I don't remember us ever seeing this.
How often do we do this? In essence, what we are trying to do is to hold it, save money, and get this contractor to rebid at a lower price, by breaking it out, or --

MR. FELLERS: No, it is not so much this contractor, but the project itself, which is estimated to be $5 million, to enclose Carmalt School.

We would like to look at other options, to bring that cost down. Correspondingly, the architectural costs will drop with the scope of the project.

But we didn't want to put the architect on retainer for a project scope, in our mind, that is too large. So we just like to hold that point, and bring it back, once we feel we have a better sized project for you.

MR. BRENTLEY: And what impact will this have on next month's vote in terms of the right sizing plans?

MR. ISLER: It is not tied into that at all, Mr. Brentley.

MR. FELLERS: Not related at all.

MR. ISLER: Any other questions, or comments?

Hearing none, Mr. Weiss, could we please
have a roll call on the Committee on Business and Finance.

MR. BRENTLEY: Mr. Brentley?

MR. BRENTLEY: Yes.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Yes, on the report as a whole. Because I voted yes on last month's TIF, I will vote yes on that one, but not -- no on the second TIF.

MR. WEISS: You are voting no on 4?

MS. COLAIZZI: Yes, C4.

MR. WEISS: Mr. Dowd?

MR. DOWD: Yes.

MR. WEISS: Mrs. Fink?

MS. FINK: Yes.

MR. WEISS: Mr. McCrea?

MR. McCREA: Yes, on the report as a whole, and under C, general authorizations, No. 4, I will vote no.

MR. WEISS: Mr. Romaniello?

MR. ROMANIELLO: Yes.

MR. WEISS: Mr. Sumpter?

MR. SUMPTER: Yes.

MR. WEISS: Mr. Isler?

MR. ISLER: Yes.
MR. WEISS: The report's approved.

MR. ISLER: Thank you, Mr. Weiss.

Before we begin the Personnel Report, I had been asked to read a memorial in honor of Reverend LeRoy Patrick, and since we recognized two Board members tonight, it is significant for this Board and this community to know that Reverend Patrick, for all the great he did in this city, he also served on this School District Board for a number of years.

(Mr. Isler read from prepared material.)

MR. ISLER: With that, Mr. Superintendent, I will turn the chair over to you, so that you may conduct the Committee on Personnel Report.

MR. ROOSEVELT: And I will happily turn it to over to Miss Nicklos.

MS. NICKLOS: Thank you, Superintendent.

Mr. President, and members of the Board, may I call to your attention the highlights of the human resources report for January 25th, 2006. And sadly, report to you, that since the last meeting, we have lost three of our staff members.

In your Personnel Report is a death notice of Steven Populo, a science teacher from Schenley High School.

Principal Howard Bullard pays tribute.
The second one is that of Emma Jane Simms, kindergarten teacher from McCleary.

Principal Van Horn writes the tribute on behalf of his faculty.

And Susan Van Ormer, a primary learning support teacher from Minadeo.

And the principal, Dr. Flam, writes that tribute on behalf of her staff.

I would also like to call to your attention new appointments this month on pages 4 through 6.

Retirements and resignations, pages 10 and 11.

Leaves of absences, both with pay and without, pages 12 and 13.

Transfers, 12 and 13.

And then the addendums are as follows:

Addendum A lists positions opened and closed.

Recommend Addendum B, additional human resources action.

Addendum C, a dismissal of a professional employee.

Addendum D, the demotion of professional employees.

And Addendum E, compensation plan for
principals assigned to the accelerated learning academies.
And finally, Addendum F, a resolution adopting the school administrators severance incentive plan.
Thank you.
MR. ISLER: Thank you, Miss Nicklos. Does anybody have any questions for Miss Nicklos at this time, in the Personnel Report?
Mr. McCrea.
MR. McCREA: I just want to recognize our employees that are serving their country in the military, and thank them for a job well done.
MR. ISLER: Thank you, Mr. McCrea.
Are there any other questions?
Mr. Weiss, hearing none, can we please have a roll call vote on the Committee on Personnel.
MR. WEISS: Mr. Brentley?
MR. BRENTLEY: Yes, on the report, but on Addendum A, and I am going to try to keep this organized -- on Addendum A, No. 1, that's A and B, I am going to abstain.
Mr. President, I still have quite a few unanswered questions, and I am still concerned about the movement of the accelerated learning academy.
So I will abstain there.

That's on Addendum A.

On Addendum E, I will abstain as well.

And -- oh, and also, I will abstain on C.

MR. WEISS: C?

MR. ISLER: C.

MR. BRENTLEY: That is correct.

MR. ISLER: Thank you. Mr. Weiss, do you have all of the abstentions?

MR. WEISS: Yes.

MR. BRENTLEY: Thank you.

MR. ISLER: Everything else is yes on the report as a whole; correct, Mr. Brentley?

MR. BRENTLEY: Yes.

MR. ISLER: Thank you.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Yes, on the report as a whole, on page 19, No. 8, I vote no.

MR. WEISS: Mr. Dowd?

MR. DOWD: Yes.

MR. WEISS: Mrs. Fink?

MS. FINK: Yes, on the report as a whole, no, on item 8, page 19.

MR. WEISS: Mr. McCrea?

MR. McCREA: Yes, on the report as a whole,
no, on item 8, on page 19.

MR. WEISS: Mr. Romaniello?

MR. ROMANIELLO: Yes, as a whole, page 19, item 8, no.

MR. WEISS: Mr. Sumpter?

MR. SUMPTER: Yes.

MR. WEISS: Mr. Isler?

MR. ISLER: Yes.

MR. WEISS: The report is approved, but page 19, No. 8, fails on 4-4 vote.

MR. ISLER: Thank you, Mr. Weiss. We will move to the financial report, and the report of the controller.

Mr. Fellers, or Mr. Camarda, do either one of you have a comment about this?

MR. CAMARDA: You will see financial report, as we move into March, as we are working on closing the year end for 2005, and we will catch up as we always do in March.

MR. ISLER: Thank you.

They will be forthcoming to the Board, then.

MR. CAMARDA: Right.

MR. ISLER: There is no transfer of funds this month; correct?
MR. CAMARDA: That's correct also.

MR. ISLER: We now move to new business.

There is one new business item, that I have, which I think all of you have, which is to enter into an agreement for the appraisal of school buildings.

Mr. Fellers, that has been submitted to all Board members?

MR. FELLERS: Yes, sir.

MR. ISLER: Thank you.

All Board members have it, it is the one new business item that I would like us to vote on first.

Could we please have a roll call on the one new business item, to enter into an agreement for the appraisal for the school buildings.

Mr. Brentley.

MR. BRENTLEY: Yes. Point of clarification.

We -- there was a separate item, this is one separate item, or what --

MR. ISLER: Yes, this is the only new business item we have to us this evening, and you are right, there may be others.

MR. BRENTLEY: Okay.
It is important, I think, will you identify it for the record?

MR. ISLER: Yes, I did. I said it is a resolution to enter into an agreement for the appraisal of school buildings.

MR. BRENTLEY: Okay. But it is how many buildings?

MR. ISLER: The buildings are the -- revolved, right, it is Schenley High School, Reizenstein, are labeled here in this, it spells out right here.

MR. FELLERS: And the administration building.

MR. ISLER: And administration building, it is right -- it is here, in the --

MR. BRENTLEY: Well, Mr. President, I think it is a little misleading for us to present this, or to do it this way.

MR. ISLER: I tell you what, Mr. Brentley, let me read the whole thing.

MR. BRENTLEY: Thank you.

MR. ISLER: I mean, all Board members have this before them.

MR. BRENTLEY: I think it is great if you read it.
MR. ISLER: So I think that's what is important, is that the Board members do have this, and I assume they can read.

MR. BRENTLEY: Yes, sir.

(Mr. Isler read from prepared material.)

MR. ISLER: Mr. Fellers, there is no mention of the administration building in this resolution.

MS. COLAIZZI: The next.

MR. ISLER: Sorry. Okay. Thank you. I just want to make it clear on that one, I want to make it very clear to him.

(Mr. Isler read from prepared material)

MR. ISLER: So that is what is before us. Are there any questions or concerns?

MR. BRENTLEY: Thank you, Mr. President.

MR. ISLER: Mr. Brentley.

MR. BRENTLEY: Mr. President, here is my concerns -- and let me say also, too, that, yes, I can read, you know, I am a little disappointed in that comment.

Mr. President, I think it is a little unfair, and a little misleading, to move forward with these appraisals.

We do know that we are at a very, very
sensitive time, in terms of just days before the right sizing plan, and actually, what we are doing now, pulling out schools that will be affected in the right sizing plan, and in essence, these schools are getting a preferential treatment before final decision is made.

I have nothing against the schools mentioned.

I am trying to be consistent, or to try to encourage everyone at this table, that it is important that we be consistent.

When we tell the community that, "We are going to be closing X amount of schools, and here is our plan, and this is the way it's going to be, and if you have got a better suggestion, then you bring it forward," remember, the community doesn't have the technical assistance to bring it forward, but nevertheless, we are helping some schools, and in some communities, along with this resolution.

There is a clear case with the Schenley, and once again, to my colleague, who is an alumni of Schenley, I mean no disrespect, but here is a perfect example of how we have given a community different treatment for this realignment plan, when we receive some concerns, from some very, very, very, very
influential folks in this community about the school, we immediately moved into action, and said, "We have to put a committee together, and this committee will be made up of students, community folks, business folks, and we will set aside a few thousand dollars from the District, and we also will assign a staff person to help with the technical assistance, to provide a report."

Well, that's great, and I'm certain that the results of that report will be a real true feeling of what the community thinks, and what the District should do.

We did not give every community that opportunity to do that.

And, Mr. President, I think it's just misleading to try to package this thing a little differently, and to get it passed, while we continue to move the right sizing plan forward for the entire city, while pulling out others.

And I'm asking that we not do this, and I am asking that if we are going to insist on doing that, that we provide some -- the technical assistance throughout this community, so everyone, in this city, can have an opportunity to make a decision.

It is just unfair, and I would hope that my
1 colleagues would consider really not voting for this, just pulling it out.

3 MR. ISLER: Thank you, Mr. Brentley.
4 I would like the Superintendent to respond, but I would also like to remind my fellow Board members, that I believe in the past, both at this meeting, and at agenda review meetings, and other meetings we have had, the Superintendent has made it very clear that Schenley was put into this plan for very, very different reasons than the other schools, primarily dealing with a structural problem, dealing with asbestos. It had nothing to do with either enrollment, attendance, or performance. And that is, I think, what has been the driving force behind trying to get additional information here.

9 So again, I don't want to mislead the public about why Schenley was put into this plan, versus the other schools.
10 But I will turn it over to the Superintendent, in case he wants to clarify anything else.

23 MR. ROOSEVELT: No, that is essentially -- Mr. Brentley, I would just respectfully offer a
different interpretation.

Again Schenley was put into the plan because of issues to do with the building. And the building's capacity to last as a place to house our students.

There was no other school put into the plan for that reason.

What these appraisals will help us do, is bring to the Board, in the end, very accurate information on the financial decision that the Board will be confronted with, in terms of the potential relocation of Schenley.

And the reason that I also sought an appraisal on this building, is that we also need to make an appraisal for ourselves of the possible locations for administrative staff, and were this building to be far more valuable than the last appraisal, which I think was done in 1999, then perhaps the Board would want to consider a sale of this building.

And I am using my words carefully, perhaps, based on price.

So, this is -- this is work that is completely of a different nature than dealing with the over capacity that the Pittsburgh School District
suffers from, in terms of our school buildings. It is of a different kind, and of a
different nature.

And I don't think it would be responsible for us to be bringing to this Board, whatever we will in the end bring you, about Schenley, without being able to provide you all of the numbers on what it would cost the District to make either of the two decisions that you will be confronted with on Schenley.

MR. BRENTLEY: Mr. President, I just --

MR. ISLER: Excuse me, Mr. Brentley, do you want to be recognized?

MR. BRENTLEY: I would like to be recognized.

MR. ISLER: Mr. Brentley.

MR. BRENTLEY: Yes.

I just want to say, with all due respect to Mr. Roosevelt, that's the kind of response, I believe, that creates an atmosphere in this city that in poor communities simply believe that this is not a fair plan.

This is not an open plan. This is not an honest plan.

We can continue to justify why we do
certain things for certain communities, when certain
people call and raise concerns.

And if we are going to be honest about this
thing, then we should have simply set up that same
kind of committee process up throughout the school,
throughout the city.

Now, we are here, you know, and we can call
it -- you know, we can back pedal all we want.

If Schenley was put on the list for another
reason, well, then, it should have been placed --
shouldn't have been on the list in the beginning.

You know, it shouldn't have been there.

We have facility reports that give us
updates on our buildings. It should have been there.

But instead, it's here.

We are moving forward, and then when we
receive the calls, then we begin to provide service.

I still think it's unfair, Mr. Roosevelt,
and we can't continue to go around the school in
certain community groups, you know, advocate that,
"Look how clean we are, look, there is no politics
involved, look, it is open, nothing up our sleeves,"
when it is the complete opposite.

Mr. President, I would like to make a
motion that this resolution -- if it's in order,
Mr. Weiss, to have this withdrawn, if that's in order.
If I can do that.
MR. WEISS: You can go ask it to be tabled.
MR. BRENTLEY: It would be tabled then, what I need to do?
MR. WEISS: If you make a motion to table, then there needs to be a second.
MR. BRENTLEY: Thank you.
Mr. President, I would like to make a motion that this resolution be tabled.
MR. ISLER: It has been moved.
Is there a second?
It fails for want of a second.
Any other comments on this?
Hearing none, Mr. Weiss, can we have a roll call on this new business item, just dealing with the appraisal of the School District buildings.
MR. WEISS: Mr. Brentley?
MR. BRENTLEY: I will be voting no, not necessarily against all of the schools listed, but once again, against the unfair process to smaller communities.
MR. WEISS: Mrs. Colaizzi?
MS. COLAIZZI: Yes.
MR. WEISS: Mr. Dowd?
MR. DOWD: Yes.
MR. WEISS: Mrs. Fink?
MS. FINK: Yes.
MR. WEISS: Mr. McCrea?
MR. McCREA: Yes.
MR. WEISS: Mr. Romaniello?
MR. ROMANIELLO: Yes.
MR. WEISS: Mr. Sumpter?
MR. SUMPTER: Yes.
MR. WEISS: Mr. Isler?
MR. ISLER: Yes.
MR. WEISS: The motion's carried, 7-1.
MR. ISLER: Is there any other new business items to be brought before the Board?
Mr. Sumpter.
MR. SUMPTER: I have one new business item that was given on me by Mr. Taylor, in his absence, for not being able to be here.
This item was e-mailed to all Board members, they are aware of it.
The purpose of this resolution is to basically give the authority to our Superintendent to explore the possibility of accepting students from the Duquesne School District into the Pittsburgh School District, and I will read the resolution.
MR. ISLER: There is a motion on the floor.

Is there a second?

Hearing --

MR. BRENTLEY: Second for discussion.

MR. ISLER: Second for discussion purposes only.

MR. BRENTLEY: Yes.

MR. ISLER: There is a second. We have discussion.

Before you begin, I want to make it very, very clear, because I think it does need to be made clear, that the Superintendent has already entered into discussions long before this evening.

So the Superintendent is very much aware of this, and has had conversations, ongoing conversations.

They are very, very preliminary, and we are really not discussing them.

So I just want to let it be known that the Superintendent has been in discussion with the Board of Control, and with the Department of -- with just the Department of Education? Or with the Board of control?
Do you want to clarify?

MR. ROOSEVELT: I would just emphasize, that extremely preliminary discussion, and it would not really be worth while us getting into which parties, but just, the most initial phase of any discussion that could be described.

So I don't want to put too --

MR. ISLER: But you already are doing it, is the point.

MR. ROOSEVELT: That is correct.

MR. ISLER: Okay. Thank you.

Mr. Brentley.

MR. BRENTLEY: 'Yes.

Mr. President, I just wanted to suggest, if it's possible, that if there is any way possible, to just replace where it says "Duquesne City School District" with "surrounding school districts," and let me just share this.

I am raising this concern, because at some point, in the past, we have had another -- and I won't name it, another School District at some point raised some concerns about sending some of their students here.

But I think that not necessarily jumping right into bringing those students in, but I would
like to see you, Mr. Roosevelt, to start the conversation.

An open house, inviting those school districts, to remind them how great this School District is.

And a lot of those school districts are struggling.

And I think if we simply invite them, and we can show a display on what we offer, the programs, and some of the great facilities, and the great teachers, and administrators that we have, and ask the question, can we discuss this, can we take this to another level.

And I think we can really benefit that way, and I am almost certain that we will probably open up some eyes from some school districts when they come in and actually see all of the great programs that we offer.

So I don't know, Mr. Weiss, if -- is that a possibility, or legally, can I suggest that?

And that is just simply, instead of targeting just on the one School District, can we --

MR. WEISS: Well, I don't want to speak for Mr. Taylor, but obviously the situation involving the Duquesne City School District arises from
circumstances that were commented upon by the chairman of the Board of Control there, who is an appointee of the Secretary of Education.

I would suggest to the Board that it deal with Mr. Sumpter's resolution first; that then if it wishes now, or another time, to consider a different kind of approach, according to what Mr. Brentley has suggested, the Board can do that.

But the circumstances at Duquesne are unique, and I think the Board ought to confine itself to that resolution, so as we don't commingle two different issues here.

MR. ISLER: Any other questions?

MR. McCREA: Is it necessary to empower the Superintendent to do this by motion, or does he just have the ability to have discussions?

MR. ISLER: Since he is commissioned -- and I want to be clear on this, since he is commissioned by the Secretary of Education, the Secretary of Education can call him on any matter he chooses to do so; right? Or any of the people that he works with; correct?

MR. WEISS: Yes. Yes.

MR. ISLER: So that's what already
happened, so I would say no, I would say that the Superintendent, by the very fact that he is a commissioned officer of the state, has -- right, is already doing it, and obviously is -- I mean, this is a very unique, a very tender, a very delicate situation, and I think the Superintendent spoke well, that he would rather not get into any other comment on it.

So he has already -- my point was, he is already doing this, in this particular School District, and the uniqueness.

So in my mind, he already has the power to go ahead and do that, because he has done it.

So, there is a motion on the floor, it was moved, and there was a second.

I don't know, Mr. Brentley, if you want to keep your second on the floor or not, because you wanted to move to discussion; correct?

MR. BRENTLEY: Yes, and I wanted to amend it but, you know, I can go either way, Mr. Weiss, what your recommendations would be.

I would like to see us extend to the surrounding school districts for discussion, and to create an open house, to share what we offer.

You want to deal with this separately, if
you want, we can go through the vote, and then I can
do that.

MR. WEISS: I think we ought to do that.

MR. BRENTLEY: That's fine. I --

MR. WEISS: I recommend we deal with it
separate, because the Duquesne situation is unique.

MR. ISLER: Is unique.

MR. BRENTLEY: That's fine.

MR. ISLER: But again I want to point out,
this is something that the Superintendent is already
doing, which is why I was questioning, which I
don't -- as the chair shouldn't be doing this, whether
or not we even need this motion, since it is
already -- this resolution, since we are already doing
it.

Mr. Colaizzi.

MS. COLAIIZZI: So at this point in time, we
are just on for discussion on the resolution. Or do
we have to first vote on it, to have a discussion?

MR. ISLER: No, we are voting on the new
business item, so there is discussion of this item.

MS. COLAIIZZI: So it is only for
discussion, you are voting.

MR. ISLER: Yes.

MS. COLAIIZZI: I would -- if there is a
motion on the floor, you can't make a second motion.

MR. ISLER: Yes, you can. You can do, you can change --

MS. COLAIZZI: Well, then I would like to make a motion then to table this item.

This item has just come up yesterday, there was no discussion with this Board, it should go through committee, we passed a policy last month specifically talking about situations as this, and yet we are not even following the policy that is not 30 days old.

So I have a real issue with that right there.

I mean, Mr. Taylor was the first one to be very upset last month with me, with my policy, that I gave over a month's time of discussion, in committee, at agenda review, and then this very next month he presents a new business item without any opportunity for discussion.

So I would like to make a table, and I would like to have a second.

MR. ISLER: So, Mrs. Colaizzi, you are putting a motion on the floor to table this new business item?
