MEMORANDUM OF UNDERSTANDING

SPECIAL EDUCATION/INCLUSION

Existing Memorandum of Understanding - #2 is new language

1. The Board and the Federation agree that for the inclusion process to continue to be effective in Pittsburgh requires that the procedures already in place and the support services currently provided be maintained.

2. Every effort should continue to be made to provide regular education and special education teachers with the much needed collaboration and/or common planning time in order to plan and modify instruction, prepare and modify assessments and to analyze data.

3. The parties agree to review the recommendations of the "Advisory Council on Inclusive Education" and to cooperate in implementing any recommendation(s) on which there is mutual agreement and for which there are financial resources to do so.
NEW MEMORANDUM OF UNDERSTANDING

EMOTIONAL SUPPORT PROGRAMS AND SERVICES

The Board and the Federation agree that the Board will continue to pursue all Bureau of Special Education/PA Department of Education funding, private sector grant funds and Medicaid/ACCESS funds in order to continue to expand the Emotional Support Therapeutic Classroom model. This model provides for a special education teacher, a para-educator and a full time mental health therapist in the district’s part-time Emotional Support classrooms. Currently, this model exists in the district’s comprehensive middle schools, one secondary school and seven elementary schools. The Board and the Federation agree that this model has been proven effective in supporting both the academic and behavioral needs of the students assigned to these classrooms, and there is a desire by both parties to continue to expand this model to all Emotional Support programs, K through 12, in the district.

MEMORANDUM OF UNDERSTANDING

STAFF SELECTION PROCESS; IMPLEMENTATION OF PILOT MODEL; CONTINUED REVIEW AND DEVELOPMENT BY PEP

OLD LANGUAGE:

The parties agree to continue, via the PFT/School District "Professionalism and Education Partnership" (PEP) process and through the PEP Steering Committee, the development of a revamped process for staff selection at schools. Further, a good-faith effort will be made by the parties to conclude the development of that revamped process during the 2000-01 school year. Any revamped staff selection process shall include a provision for input from schools regarding their recommendations to the Office of Human Resources for the placement of teachers who are transferring from one teaching position to another.

1. The PEP “Site-Based Staff Selection Subcommittee” and the PEP Steering Committee will finalize, as a pilot, the staff selection model that has already been developed for pilot implementation beginning in the spring of 2001. The pilot will be implemented in no less than twenty (20) schools and no more than twenty-five (25) schools, and it will apply to vacant staff positions at those schools for the 2001-02 school year. Specific schools and levels will be determined by the PEP “Subcommittee,” with first preference being given to schools which volunteer to participate in the pilot.

2. Any revamped staff selection model, whether a pilot or a full-scale implementation, will include a provision for the direct participation of teachers, together with the principal, in the process of determining which teacher(s) should be recommended to the Office of Human Resources for placement in any position(s) that are vacant at a school where the staff selection process is being utilized.
MEMORANDUM OF UNDERSTANDING

STAFF SELECTION PROCESS; IMPLEMENTATION OF PILOT MODEL; CONTINUED REVIEW AND DEVELOPMENT BY PEP - continued

3. Any revamped staff selection model, whether a pilot or a full-scale implementation, will include the following provisions:

   a. Continuation of the existing interview process applying to new teachers.

   b. Continuation of the existing interview process applying to new schools and to schools whose status has been completely changed.

   c. Placement in a regular teaching position at some school of teachers who may be involuntarily transferred due to being excessed from a school, regardless of their participation in any interview process at a school(s).

   d. Entitlement of teachers to return, without any interview, to a former school from which they had earlier been excessed, so long as they make application to return and fill the first vacancy at that school in the area of certification in which they had previously taught.

   e. Continuation of the cooperative interaction and work relationship between the PFT and the Office of Human Resources on teacher placements and on the monitoring of any overall teacher placement/staff selection process.

4. As part of any pilot and of any finalized staff selection process, the site-based team will include the PFT building representative or his/her designee and at least one (1) elected ITL.

5. During the 2001-02 school year, the staff selection model will be revised to reflect what has been learned from the pilot in order to improve its design.

   a. Thereafter, the model, when mutual agreement and consensus can be reached between the two parties to the PEP process, will be fully implemented throughout the School District, beginning with the staffing process for the 2002-03 school year.

   b. If no such agreement and consensus are able to be reached, then the first-year pilot, with any mutually agreed upon revisions, shall be implemented again for a second year, and may be expanded if the parties mutually agree. In this case, the second-year pilot, subject to a consensus approval by the PEP Steering Committee, will become the model for a full-scale staff selection process covering all schools, which would become operative for the 2003-04 school year.

6. The Staff Selection Team must interview the top 25% of the most senior applicants along with 25% of the applicants who are displaced and are selected at random by Human Resources (reduced by any who are already part of the senior applicant pool to be interviewed). If the Staff Selection team wishes to interview more applicants, then they must interview all the applicants. As an alternative, the Staff Selection team always has the choice to opt out of the process and select the most senior applicant.

This provision shall not apply to positions that have ten applicants or fewer. In those cases, the team may select the most senior applicant or all applicants must be interviewed.

Process:

a. Staff Selection Teams may select the most senior person without an interview.

b. Teams interview the most senior and displaced applicants in accord with the percentages stated in the proposal.

c. If a candidate is not selected through the process identified in B., the team must then interview all of the rest of the candidates.

The first issue to be considered by the parties shall be the possibility of introducing a new PPO plan in consideration of the elimination of the POS plan effective January 1, 2007.

NEW BUSINESS
Pittsburgh Board of Education
March 22, 2006 Legislative Session
Committee on Education

RESOLVED: That the Board of Education approves a five year charter renewal for Northside Urban Pathways Charter School. The term of the renewal shall be July 1, 2006 through June 30, 2011.

FURTHER RESOLVED: That in accordance with the Board’s oversight responsibilities under the Charter School Law, 24 P.S. 17-1701-A et seq., the Board recommends Northside Urban Pathways Charter School adopts and implements the following review team recommendations to promote a quality educational program:

• Provide a professional development model that includes looking at student work and using student data to inform and change instruction to better ensure student achievement.
• Regularly evaluate the impact of professional development and determine how well it is equated to student achievement.
• Provide follow-up to professional development and collect data using tools in order to ensure staff maintains skills.
• Provide the required materials for instruction for a rigorous secondary science program. Very limited materials are currently available and instruction is impaired.
• Fulfill the very specific professional development model articulated in the original charter agreement.
• Continue to strengthen portfolios. This is the innovative aspect for which the charter was granted.

FINALLY RESOLVED: That the Board of Education authorizes the Superintendent of Schools to continue to propose amendments to charter agreements that would further enhance performance standards required by the charter agreements and ensure district-wide student achievement standards.

TOTAL COST OF THIS ACTION: $13,612,245 over five year term.

Motion to reconsider was made on March 29, 2006 and was approved by a vote of 7-2-0.

Motion to approve the 5 year renewal of the Northside Urban Pathways Charter School was made at the Special Legislative session held on March 29, 2006 and was approved by a vote of 6-2-0*.

*One Board Member was absent for the final vote.

MS. COLAIZZI: He just came in.

MR. DOWD: Do you want to state that you are here?

MR. BRENTLEY: Here.

MS. COLAIZZI: This evening we have a Committee of Human Resources.

We have the PFT's professional contract. Is there any questions, comments?

Seeing none, I would like to make my own comment.

This is a special legislative meeting to vote on the proposed agreement with the Pittsburgh Federation of Teachers.

As the chair of the Board's Negotiations Committee, I want to thank everyone who has devoted so much time and energy throughout the very lengthy and difficult negotiations process.

Any time you negotiate a contract of this magnitude, it is bound to get challenging, but as long as both parties are committed to working together, anything can be accomplished.
This settlement is a win/win for everybody. It recognizes the District's difficult financial situation, while keeping us competitive with our teachers' compensation.

It also allows us to advance our new education agenda, while providing labor relations stability, during this important time of change.

In closing, I'm making a strong recommendation to my colleagues for your support tonight to ratify this contract.

Mr. Weiss, can we have a roll call, please.

MR. WEISS: Mr. Brentley?

MR. BRENTLEY: (Inaudible.)

MR. WEISS: This is Human Resources Report, so it is like a regular report of the meeting.

MR. BRENTLEY: (Inaudible.)

MR. WEISS: Pardon me?

MR. BRENTLEY: (Inaudible.)

MR. WEISS: The contract.

MR. WEISS: Mr. Sumpter?

MR. SUMPTER: Yes.

MR. DOWD: Mr. Taylor?

MR. TAYLOR: Yes.

MR. WEISS: Mr. Isler?

MR. ISLER: Yes.

MR. WEISS: The report's approved, eight yes, and one abstention.

MS. COLAIZZI: Next is the Committee on Education, there were two items here.

There is the adoption of the revised 2007 calendar, and also the adoption of 2006 and '7 school calendar for accelerated learning academies.

Is there any questions or comments?

Mr. Dowd.

MR. DOWD: I just -- I just want to thank both the PFT and the administration, for making the adjustments that they did to this calendar.

It still -- there is still work to be done,
but it is quite clear that this is a more education
friendly calendar, and I certainly appreciate the
efforts of our teachers and our administrators.
So thank you.
MS. COLAIIZZI: Mr. Romaniello.
MR. ROMANIELLO: I'd like to thank you, and
the negotiating team, and also I would like to thank
President John Tarka of the PFT, and his team, for the
work that they did to get this contract settled in a
timely manner, and also in a manner that this District
can afford, without breaking the bank.
So I would like to thank everybody
involved.
MS. COLAIIZZI: Any more questions?
Comments?
May I have a roll call, Mr. Weiss, please.
MR. WEISS: Mr. Brentley?
MR. BRENTLEY: Abstain.
MR. WEISS: Mrs. Colaizzi?
MS. COLAIIZZI: Yes.

MR. WEISS: Mr. Isler?

MR. ISLER: Yes.

MR. WEISS: It is approved, eight yes, and

one abstention.

MR. ISLER: Mrs. Colaizzi.

MS. COLAIZZI: Yes, sir.

MR. ISLER: I just want to echo what was

said by Dr. Dowd, and Mr. Romaniello, in terms of you

and Mr. Dowd, Mr. Taylor and Mr. Sumpter, in terms of

working with PFT, and the administration, in securing

this contract.

It will allow us to move forward with our

reform agenda, and I just wanted to thank everybody

involved also, for the hard work.

MS. COLAIZZI: Thank you, Mr. Isler.

Do we have any new business?

Mr. Romaniello.

MR. ROMANIELLO: Thank you, Mrs. Colaizzi.
At the last legislative meeting, there was a vote on the charter schools, and while I in no way am changing my feelings towards the program of the charter schools, I cannot in good conscience allow the vote that was taken on one of the charter schools, that was a -- the majority was a no vote.

I have been advised by counsel, that it is a losing proposition in court, that we would wind up spending money that we don't need to spend, on a losing battle, so I cannot in good conscience keep that -- you know, spend money that we don't need to spend.

So I am moving -- I was in the majority on that vote, so I am moving that the Board reconsider the renewal of the Northside Urban Pathways Charter School, from Monday, March 22nd, 2006, and I'd like to ask my fellow Board members to vote for this reconsideration because, again, we will lose this in court, and we don't need to spend money that isn't necessary.

And I think we got our point across, and I'm hoping that the state legislature stands up, and takes notice, that this is the system that needs to be fixed.

So I would hope for a second, and an
affirmative vote on the reconsideration.

MR. DOWD: Second.

MS. COLAIIZZI: There has been a motion placed on the floor, Mr. Romaniello, and then Mr. Dowd seconded it.

Is there conversation permitted?

MR. WEISS: The conversation permitted on the reconsideration, yes.

MS. COLAIIZZI: But not on the motion.

MR. WEISS: Right.

MS. COLAIIZZI: So we take a roll call on the motion.

MR. WEISS: Mr. Brentley?

MR. TAYLOR: Excuse me.

MR. BRENTLEY: Clarification.

MS. COLAIIZZI: Let me clarify for you.

MR. BRENTLEY: Let Mr. Weiss clarify it, he is the solicitor, he is the attorney.

MR. WEISS: The motion for reconsideration is not debatable.

If the motion passes, then the underlying item is debatable.

MS. COLAIIZZI: You can talk about it after --

MR. TAYLOR: What do you mean, the
MS. COLAIZZI: You can talk about it after the motion is passed.

MR. WEISS: It is --

MR. TAYLOR: After the vote, Mrs. Colaizzi, the idea of debate around any political table is to try to influence or change a vote, it makes no sense to have a debate after the vote.

MR. DOWD: Point of order, there is no discussion at this point.

MR. WEISS: Mr. Taylor, let me explain again.

If the Board passes the reconsideration, then the item is on the table.

MR. TAYLOR: Right. Okay.

MR. WEISS: And that item can be debated.

MR. TAYLOR: Okay. That's more clear to me now.

Okay.

MR. WEISS: Right.

MS. COLAIZZI: So we need to make a roll call on the motion, first, please.

Mr. Weiss.

MR. WEISS: Mr. Brentley?

MR. BRENTLEY: No.
MR. WEISS: Mrs. Colaizzi?
MS. COLAIZZI: Yes.
MR. WEISS: Mr. Dowd?
MR. DOWD: Yes.
MR. WEISS: Mrs. Fink?
MS. FINK: Yes.
MR. WEISS: Mr. McCrea?
MR. McCREA: Yes.
MR. WEISS: Mr. Romaniello?
MR. ROMANIELLO: Yes.
MR. WEISS: Mr. Sumpter?
MR. SUMPTER: Yes.
MR. WEISS: Mr. Taylor?
MR. TAYLOR: No.
MR. WEISS: Mr. Isler?
MR. ISLER: Yes.
MR. WEISS: Okay. The item -- the reconsideration is approved, so the item of the renewal of the Northside Urban Pathways Charter School, which was on the agenda for March 22nd, 2006, is now on the table.
MS. COLAIZZI: Now we --
MR. ROMANIELLO: Do I need to make another motion?
MR. WEISS: No.
MS. COLAIIZZI: No, now it is open for discussion.

Mr. Taylor, then Mr. Dowd, then Mr. McCrea.

MR. TAYLOR: I don't know if some Board members have been taking our local newspaper too much to heart, I happen to read the editorial, but I believe Mr. Romaniello is incorrect about the cost, and my expectation is not one dime will be spent against this.

We know today that that Northside Urban Pathways has filed for appeal. We know that that appeal will be upheld. We know that our decision was not within the guidelines of the Charter School Law. Every Board member here is very clear, and knew when the vote was cast, that it would -- that it -- that it would be overturned.

And the schools wouldn't miss a beat. So I would not have any, nor would I support for one dime of legal expense for the District, or one shred of paper to be spent trying to fight something which the law is very clear that you cannot -- you cannot win that battle.

But I do believe that the statement that was made, and I was very clear on how I feel, and that was the only one I did, was to send a strong message,
not only about our concern -- and again, we need to quit reading, and taking to heart so much of those numbers, when they say that people in glass houses shouldn't throw stones.

We should be very clear that the Charters -- that the whole purpose of charters was for them to create something unique, and in most cases, something better than our students were currently receiving in the Pittsburgh Public Schools.

And we know that that has not occurred in the last five years, with the Urban Northside Pathways, and the Board correctly sent that message to them.

Their school will still be in place next year, but we are not pleased with the performance of that, and maybe a few other charter schools.

And we also wanted to make it clear to the legislature that we are not happy with a Charter School Law that, number one, says we cannot turn down a charter application, because we cannot afford it, which is unreasonable in any light, and to say that we cannot end charter schools that we think are not living up to their academic responsibilities to the children.

And so I think the Board sent a message to
our state legislature, I think it was an appropriate
message to send, and I thought it was one of our
better moments of the last few months, and I would
encourage Board members to stick to their guns.
That was -- again, that was an appropriate
message, and a courageous message, and I would again
courage them to stick to their guns on that one.
But again, I wanted to say my expectation
is not one dime would be spent in legal cost, and not
one piece of paper, nor one stamp is spent in a cause
that we said we cannot win legally.
And Northside Urban Pathways will be open
in the fall, and in my hope that we will continue to
try to build a stronger partnership between the
Pittsburgh Public Schools and that charter, and the
other charters I have, which I don't think we have
given them the type of support that I think that they
deserve, as being part of, which our charter schools
are part of the Pittsburgh Public Schools.

MS. COLAIIZZI: Thank you.

Mr. Dowd.

MR. DOWD: I just wanted to go back to the
same questions that I asked you, Attorney Weiss, the
last time this matter came up.
Legally, what is our obligation, as a
Board, on this matter?

Do we have any legal grounds for the rejection of this renewal application from Northside Urban Pathways?

MR. WEISS: The review team recommended renewal, the resolution reflects their recommendation. In my judgment, the Charter School Law does not provide any basis to not renew this charter.

I made that statement a week ago, and nothing has changed between then and now.

MR. DOWD: Thank you. I just wanted to clarify that.

And I share Mr. Taylor's frustration, perhaps, with the structure of the charter law, and the way in which that charter, itself, was created.

But I would urge my colleagues to vote in support of the renewal, not because we are satisfied with the performance of that school, or any of our schools for that matter, but rather because we hope that this will enable us to build a positive, more collaborative relationship with this particular charter school, and all of the other charter schools in the District.

So following Mr. Romaniello's suggestion, I
urge my colleagues to support the renewal of this charter application -- renewal of this charter school.

MS. COLAIZZI: Mr. McCrea.

MR. McCREA: I just want to say that my abstention last week was based on a misunderstanding I had. Mr. Weiss was able to clarify that, and I do echo my colleagues' frustration with the law, but our hands are tied.

MS. COLAIZZI: Mr. Brentley.

MR. BRENTLEY: Yes. I just want to say first, to Mr. Romaniello, welcome to the real world. I received the same calls, you received, concerning this charter.

But, a bigger issue exists here. We are here to look out for the children, and we are here to guarantee that every child gets access to a quality education.

Yes, that's extremely unpopular at times,
but as a Board member you have to make a decision, are
we going to dance to the political forces here, or are
we going to dance to look out for the children.

It is tough, it's painful, and I have three
calls from very, very key individuals, within the
school, and I believe the school is still located in
my District, so it's extremely hard for me to make a
decision, but we have to also understand what our
responsibilities are, and I tell you, this is -- this
one, it is amazing to me, I had no idea you were even
going to bring this forward, and this is amazing in
terms of the real political power.

It reminds me of the situation dealing with
the right sizing plan, when we got the calls
concerning Schenley, and how quickly we moved,
"Whoops, we made a mistake, it wasn't supposed to be
on the list, the list changed, we have to come up with
another way," and as you know, the rest was history,
we put a committee together to find a way to change
what we original put forward.

Unfortunately, that's the way business has
been operating here for a long time.

It is misleading to the children, it is
misleading to those parents who believe that
everything is all right.
I have very, very good friends associated with the Northside Urban Pathway School, very, very good friends, and it will be a difficult issue again, but I have said before, not being a part of the evaluation team, not working and following through what we had to do to evaluate them, I said early on that I will follow the recommendations of our review team.

Our review team are educators. Our review team has made it very, very clear, that there were three renewals, and one made the AYP, the other two did not.

But isn't that interesting how we handled the two. The political power, and the big names of certain individuals associated with certain schools, sometimes becomes the rule of the day.

And I think as a Board member we have to clearly make a decision who are we going to look out for.

I am still standing firm on the fact that our staff, our recommendation, their recommendations were, that this -- that two of the schools did not make the AYP, not to mention some of the other issues that exist.

And I will stand with my vote.
I am disappointed to see that the political powers can make us bend so quickly, within a couple of weeks, and no one asked about the progress of the children, and the education of the children, and the facilities condition of some of these buildings.

We are all ready to put that aside, to dance with the political powerhouses, who are forcing their way through here.

That's unfortunate.

And I would hope that my colleagues here would say, "Wait a minute, we have to look out for the children, and we should do what's right."

MS. COLAIZZI: Before I go on to the next Board member to speak, I would like to remind this Board that we have a 7:00 o'clock public hearing, and we are now past 7:00, so if you could keep your comments brief, I would appreciate that.

Mr. Romaniello.

MR. ROMANIELLO: Thank you, Mrs. Colaizzi.

First I would like to ask a question of the review team.

Did not the review team recommend that we renew all three of these -- all three of these charters?

MR. CAMARDA: That's correct.
MR. ROMANIELLO: Okay.

So we actually voted against the review team on one of them.

Mr. Brentley, my -- the statements are a bit upsetting to me.

First of all, maybe I am upset because I didn't get any phone calls, so I guess maybe no one thought I was important enough.

I got absolutely no phone calls on this matter.

I got a few e-mails from some people who had students in the charter school.

But, I am upset that you make a statement that I would -- that I am bending to any kind of political pressure.

I have never, never worked that way. This isn't the first time that I have stood out on the iceberg alone.

The day after this vote was taken, I called President Isler, and I called Attorney Weiss, because I would probably have been a whole lot more comfortable if my fellow Board members would have voted the same on all three charter schools.

If this vote would have been to deny the renewal on all three of them, it would have probably
been a lot easier to stand by it, because it treated all three of them alike.

The fact that we only denied one, out of the -- out of the three, was what upset me.

And after speaking to the attorney, and to President Isler the next day, I decided that this had to be rectified, for the reasons that I stated before, that had to do with the unnecessary need of us winding up in court, the fight -- I'm not one -- I love a good fight, but I never go into a fight that I already know you are losing before you even walk in the door.

So it would be unnecessary to fight.

If I listened to what was printed in the newspapers, at any time, I probably would not be sitting in this seat right now.

Going back to when I ran for this office, if I paid attention to what the newspapers said, you know, I probably would have given up a long time ago. I don't -- I also don't agree that this would not cost us any money. There has to be a cost involved in this, and when we are, you know, looking for nickels and dimes everywhere, we can't afford to spend a nickel or a dime to do this.

If this was such a good vote, then we needed the vote the same on all three of them. We
didn't need to just pick out one. And I don't know, myself, if -- which other Board members consistently voted no on all three.

MR. BRENTLEY: I did.

MR. ROMANIELLO: I guess, I think it was just you and I, we were the only ones that voted consistently no.

Well, Mr. McCrea abstained. But we were the ones who voted consistently no on all three of them, so we did stand up to be count, where it was necessary.

But the fact that the one and three were approved, and the middle one was defeated, I think wasn't fair.

If we were going to defeat them, we need to do all three. And again, I bow to no pressure. Other than, like I said, a few e-mails, I have received no calls.

So that is the reason, again. I am, you know, still upset with the process, I am still upset with the programs, still upset with the way legislature has written the law. But, you know, we got our point across, so in order to save the District the money, and the
aggravation of what a fight could entail, I would hope that we move forward with this.

MS. COLAIZZI: Mr. Dowd.

And may I remind this Board again, there is a public hearing that was to be begin at 7:00, it is now six minutes after, I am asking you to keep your comments brief.

MR. DOWD: Absolutely brief.

I recognize that there are a number of students here in the room, from Northside Urban Pathways, I just ask them to stand up so that we can see them, Mr. Brentley, those students who are here this evening, here from Northside Urban Pathways. Would you please stand up?

Great.

Many thanks. Thank you for being here this evening.

MR. TAYLOR: (Inaudible.)

MS. COLAIZZI: Mr. Taylor. Thank you.

MR. TAYLOR: Thank you, Dr. Dowd, that was just an important exercise.

MS. COLAIZZI: Mr. Taylor.

MR. TAYLOR: I will be (inaudible)

MS. COLAIZZI: Mr. Taylor.

MR. TAYLOR: -- to see you next public
MS. COLAIZZI: You are up.

MR. TAYLOR: But as I said, this is an exercise, we are wasting time, it is unfortunate Mr. Romaniello brought this up, because there is absolutely no reason whatsoever to bring this back up. No reason whatsoever.

We could pass a motion right here, that we won't spend any more -- I think he said five or ten cents, we won't spend any more than four cents defending this.

This is just an exercise in politics, and it is very unfortunate that it is occurring.

But -- and so the only thing I wanted to say again, this is mainly -- but I do think Mr. Romaniello has a responsibility to correct his votes also with the Urban League and with Manchester, because the Urban League, we know a 5-3-1 vote, and that is not exactly a ringing endorsement.

So if you feel so strongly about this, I think you should figure out ways also to rectify the situation with the Urban League.

One thing I wanted to say -- because again, this is meaningless, and even doing the thing with the Urban League is meaningless, so we are wasting time.
I only just brought that up just for sense of fairness.

I mean, you are bringing this up for Northside Urban Pathways, and I think there were other schools that you voted no against, who are just going to hang out there with the negative vote.

So I do think, you have a -- not tonight, because we are wasting time -- we are wasting time.

MS. COLAIZZI: Thank you.

MR. TAYLOR: And I respect my colleague, who does not feel well.

But I would like to say again, to the leaders of Northside Urban Pathways, and I have heard public comments from other people pertaining to charters, almost saying that we are dealing with students who aren't as academically advanced, or their children -- we have heard a lot of negative things, as far as almost blaming the children for any issues that they have.

And I would never tolerate that in the Pittsburgh Public Schools.

There is not a single child failing in the Pittsburgh Public Schools. You have a School Board and administration who are failing students.

And so I would never tolerate hearing
publicly, privately, whatever, to hear people saying
the reason why their school isn't doing well, is
because of the caliber of students they have. I would
never tolerate that.

And I would hope again that we don't hear
that kind of language, either publicly or privately,
from anybody connected with the charter school, to
explain some issues and problems that they have.

And I also welcome, very much, the children
and students here from Northside Urban Pathways.

MS. COLAIIZZI: Mrs. Fink.

MS. FINK: No, my vote on that charter
school, on all of the charter schools, was simply my
frustration with the way the state law is written.

It's as though the state legislature has
put public education in charge of controlling the
flood, and then they have locked us out of the room
where the switches to the flood gates are.

There has to be changes, and it is an issue
between the state and the School Board.

These charter schools are creatures of the
state, the playing field is not level, and to go into
detail, I will probably write a nice letter to the
editor expressing my frustration with the setup.

So that's it.
MS. COLAIZZI: Mr. Romaniello.

MR. ROMANIELLO: I would just like to correct one thing. According to Roberts' Rules of Order, this is the only vote that I can make a mention, because this is the only vote in which I was the majority.

So I would like to enlighten the people that this is the only one that I have the option of doing anything about, because of my vote in the majority.

That's why I am bringing it up.

MR. BRENTLEY: You need to clarify --

MS. COLAIZZI: Thank you.

I'm sorry, Mr. Brentley, you don't have the floor.

Mr. Sumpter, please.

MR. SUMPTER: Could someone answer the question as to what circumstance would cause us to spend money in the appeal process of this school?

MR. WEISS: Well, the matter has been appealed to the charter -- state Charter Appeals Board.

The District is obligated to respond to that.

Secondly, the District has received an
extensive document request, under the right to know
law, which will take considerable staff time to comply
with.

There is a cost, both in terms of legal
fees, and staff time, to handle these cases.

I have advised Board members, who have
called me, that in my view the expenditure of that
staff time, in particular, and other costs, are simply
not warranted.

So, this is not a free matter.

There are --

MR. TAYLOR: You can't ignore it?

MR. WEISS: There are costs --

MR. TAYLOR: You can't ignore the costs?

MR. WEISS: You can't ignore it, and there
are costs and, frankly, there is a potential for legal
fees, under certain circumstances.

It is simply a risk, and an expense, that
the District should not take.

MS. COLAIIZZI: Does that suffice, Mr. --

MR. SUMPTER: Yes.

MS. COLAIIZZI: Any more comments,

questions?

Roll call, Mr. Weiss.

MR. DOWD: Just clarification on the
MR. WEISS: It is the same resolution you had on March 22nd, and the vote would be that the five year charter renewal, for the Urban Pathways Charter School, be granted from July 1, 2006 through June 30, 2011.

It is the very same item --

MR. DOWD: Thank you.

MR. WEISS: -- that was before you have a week ago.

MR. DOWD: Thank you, sir.

MR. BRENTLEY: Also clarification.

Mr. Weiss, is it -- since we voted for the other ones, as three, but individually, would it be appropriate, or -- to have all three before us?

MS. COLAIIZZI: Mr. Brentley, for clarification --

MR. WEISS: Those passed.

MS. COLAIIZZI: -- those other two passed.

This is the only one that did not, that's the why it is being brought back up.

MR. WEISS: Mr. Brentley?

MR. BRENTLEY: I'm sorry.

State it again, please, I'm trying to read his lips.
MR. WEISS: This is a five year renewal of
the Northside Urban Pathways Charter School.

MR. BRENTLEY: I will have to keep my vote
the same, I am in support of children, and parents,
and my vote will stay the same, and that is, no.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Yes.

MR. WEISS: Mr. Dowd?

MR. DOWD: Yes.

MR. WEISS: Mrs. Fink?

MS. FINK: Reluctantly, yes.

MR. WEISS: Mr. McCrea?

MR. McCREA: Yes.

MR. WEISS: Mr. Sumpter?

MR. SUMPTER: Yes.

MR. WEISS: Mr. Taylor?

MR. TAYLOR: The vote was symbolic, I
thought the message that the Board was trying to send
was an appropriate one, so I am going to maintain the
vote that I cast last Wednesday.

MR. WEISS: Is that a no?

MR. TAYLOR: Uh-huh.

MR. DOWD: Okay.

Mr. Romaniello, I'm sorry, I missed you
here.
MR. ROMANIELLO: That's all right.
Yes.

MR. WEISS: And Mr. Isler I believe is no
longer on the phone; is that right?

MS. COLAIZZI: Mr. Isler is no long on the
phone.

MR. WEISS: The vote is six in favor, two
opposed, and one absent.

MS. COLAIZZI: May I have a motion to close
this meeting?

MR. DOWD: So move.

MS. COLAIZZI: Second?

MS. FINK: Second.

(Thereupon, at 7:10 p.m., the Legislative
Meeting was concluded.)
