Proposals/Grant Awards

1. **RESOLVED**, That the Board of Directors of the School District of Pittsburgh authorize its
proper officers to accept $9,875 from the Pennsylvania Department of Education for the
Inclusive Practices Project Mini Grant.

Funds will provide support for the development and expansion of inclusive practices to
educate students with disabilities, including those with significant disabilities, in general
education settings, using supplementary aids and services at Pittsburgh South Hills 6-8
and Pittsburgh Beechwood PreK-5. The funds will specifically be used to purchase
student books and resources to support inclusive education, purchase teacher guides to
supplement special education teacher’s ability to effectively support students in general
education classrooms, purchase of poster materials to develop presentation for display at
PDE conference, refreshments for disability awareness month celebrations, school buses
to transport general education and special education students to community sites for
volunteer opportunities, fees associated with attendance at annual PDE Inclusive
Education conference, and substitute teachers to allow teachers to attend professional
development opportunities focusing on the inclusion of students with complex support
needs in general education environments. This is the 3rd year the District has received
this annual grant. The funding period shall be from January 30, 2012 through June 30,
2012.

2. **RESOLVED**, That the Board of Directors of the School District of Pittsburgh authorize its
proper officers to accept $5,000 from The Pittsburgh Foundation - John R. and Margaret
S. McCartan Charitable Fund for the **Pittsburgh Pioneer** General Operating Support
Fund.
Funds are awarded in support of general operating needs in Pittsburgh Pioneer School to be utilized at the principal's discretion. These funds are awarded from a donor advised fund held at The Pittsburgh Foundation - the John R. and Margaret S. McCartan Charitable Fund. Donor advised funds are established by an individual or a group of individuals, usually family members, who wish to target their philanthropic support to areas of need in which the family is interested. Grant awards made from donor advised funds are made at the family's request to organizations the family has decided should receive these gifts. In the case of Pittsburgh Pioneer, the McCartan family was aware of the outstanding work done at the school and had made a site visit to the school in the spring of last year to meet the staff and students. As a result, the family has chosen to provide this gift of support in recognition of Pittsburgh Pioneer's excellence.

The school did not solicit this gift. Instead, the donor was drawn to the school through the school's reputation of providing excellent education and care for its students. These funds are awarded beginning on February 1, 2012 with no restriction on their use or deadline for expenditure of this grant.

3. **RESOLVED**, That the Board of Directors of the School District of Pittsburgh authorize its proper officers to submit a proposal to the American Association of Petroleum Geologists (AAPG) Foundation for the PPS Earth Science Mentoring & Curriculum Project: Enhancing the Quality of Earth Science in Grades 6-12 Grant Amount $111,600.

Funds are requested to support the creation of an upper level, yearlong earth science course that will serve as a fourth year science elective for students in grades 9-12 and to support the professional development for teachers on this curriculum. This curriculum will be implemented for the first time in 2013-2014. PPS science teachers will write the curriculum for this elective under the guidance of Science Officers Stephen Pellathy and Brian Corr. The foundation will pay the costs of the teachers to do this writing and will pay also for the materials and resources to implement the curriculum, as well as the costs of professional development for teachers.

AAPG and its members also will help develop opportunities for teachers and students from grades 6-12 to engage in mentoring at no cost to the District. This includes mentoring experiences with professional geoscientists, engineers, and other scientists working in the City of Pittsburgh. Mentoring will support student success in science achievement and will encourage greater numbers of students to consider lucrative careers in science, especially geosciences where current career demand is high and levels of pay for well trained, degreed scientists are competitive. The District and the AAPG Foundation will work with the 6th Grade Mentoring Program and the emerging Pittsburgh Promise Mentorship program to place students with career-based mentors. Professional development for PPS science teachers will include mentoring of teachers by practicing scientists to inform teachers of emerging scientific knowledge. The funding period shall be from February 1, 2012 through January 31, 2016.
RESOLVED, That the Board authorizes its proper officers to enter into contracts with the following individuals for the services and fees set forth in subparagraphs 4 through 7, inclusive.

The students will learn about percussions, dance, and the engineering aspects of a performance. Center of Life will provide the staff and equipment to operate the sessions which will address artistic concepts, academic concepts in reading and math, and impact student thinking around behavior and social issues. These sessions will result in performances that the students will have created and produced. Students who participate will receive KRUNK T-shirts and attend an end of the year field trip to the Carnegie Science Center.

The operating period shall be from February 2012 through June 2012. The cost of this action shall be at a rate of $984 per month. Contracted screeners would be required to sign a non-disclosure agreement to protect the confidentiality of application information. Additionally, they would have limited access to viewing application details in order to prevent bias while screening. Prior to doing this work, screeners would be required to attend a 3 hour training on the District's pre-screening model. The training would include normal pre-screening examples and the opportunity for the pre-screeners to norm with the internal District champion and exemplar model. MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is entered into by and between The School District of Pittsburgh (the "District"), with an address of 341 S. Bellefield Avenue, Pittsburgh, PA 15213, and Andy Warhol Museum ("The Warhol" or "Museum"), a non-profit corporation organized and existing under the laws of the Commonwealth of Pennsylvania, with its business address at 117 Sandusky Street Pittsburgh, PA 15212-5821.

NOW, THEREFORE, with the intent to be legally bound hereby, the parties to this MOU set forth the following as the terms and conditions of their understanding.

The District and the Warhol hereby agree as follows:

1. Background. As a child, Andy Warhol received his first formal training in art through free classes offered by Carnegie Institute. The Andy Warhol Museum is therefore concerned with serving young people in Pittsburgh, particularly those of the North Shore, through classes in studio art and through its Education Resource Center for school teachers. The Education Department also serves the general adult public through a full range of programs, including lectures and gallery talks. The Andy Warhol Museum is one of the four Carnegie Museums of Pittsburgh, and a collaborative project between the Carnegie Institute, the Dia Art Foundation, and the Andy Warhol Foundation for the Visual Arts. Plans to house The Andy Warhol Museum in Pittsburgh, Warhol's birthplace, were announced in 1989, and the Museum opened its doors in May 1994. Originally built in 1911 as a distribution center for products sold to mills and mines, the Warhol Museum was designed by architect Richard Gluckman and features seven floors of gallery and exhibition space. The Warhol is a vital forum in which diverse audiences of artists, scholars, and the general public are galvanized through creative interaction with the art and life of Andy Warhol. The Warhol is ever-changing, constantly redefining itself in relationship to contemporary life using its unique collections and dynamic interactive programming as tools.

The Andy Warhol Museum has offered to provide an artist in residence program and access to the Museum, including its Artist Educators, field trips, and professional support for teachers at Pittsburgh Westinghouse. The Museum's work aligns to the PPS Arts Education curriculum and supports its effective implementation, specifically focusing on Big Idea III: The Arts provide a medium to understand and exchange ideas and Big Idea IV: People have expressed experiences and ideas through the Arts across time and cultures. This partnership's first cohort will focus on students who are currently juniors in February 2012 and will follow them into their senior year through December 2012. Westinghouse will host an artist in residence to work with this cohort on the creation of artwork and exhibitions that benefit the Westinghouse and Homewood communities. A second cohort will follow the same model and run from January 2013-December 2013. All students and teachers at Westinghouse will have the opportunity to interface with Museum staff as well as to visit the Museum on field trips. A series of events and exhibitions will showcase student work. This partnership has a focus on future careers in the Arts and supports Promise-Readiness.
2. Term. The term of this MOU shall commence on February 1, 2012 and shall expire on December 31, 2013. The term may be extended by written mutual consent of the parties which written consent includes a scope of work referencing this MOU and setting forth the responsibilities of the parties.

Dear Board of Directors:

It is with great sadness that I write to inform you of the heartbreaking death of Shateecha Roach, a Personal Care Aide at Pittsburgh Conroy on Sunday, January 1, 2012.

Mr. Rudley Mrvos, Principal of Pittsburgh Conroy, staff, students and community pay the following tribute to her memory:

Ms. Roach was a graduate of Langley High School and joined the Pittsburgh Public Schools in 2004, working in numerous positions. Ms. Roach was currently a Personal Care Aide at Pittsburgh Conroy.

Affectionately known as “Ms. T.”, Ms. Roach was loved by students and staff. A kind and wonderful young woman, Ms. Roach was always on hand to offer help to anyone in need. She was at all times ready to give a smile or a hug to a student or colleague.

Ms. Roach has two daughters. Her oldest daughter, Anniyah attends Pittsburgh Beechwood. Her second daughter, Kaleah is just seven weeks old. Shateecha Roach was an outstanding individual, a devoted mother and a vital member of Pittsburgh Conroy’s community. She will be greatly missed.

Respectfully submitted,

Dr. Linda Lane

Dear Board of Directors:

It is with great sadness that I write to inform you of the death of Valene Szklany, an Early Childhood Educational Assistant on Wednesday, Jan. 11, 2012. Mrs. Szklany, began her employment with the Pittsburgh Public Schools in 2001 and her most recent work as a paraprofessional was in Early Childhood, at Pittsburgh Concord Pre-K-5.

Mrs. Carol Barone-Martin, Executive Director of Early Childhood, staff, students and community pay the following tribute to her memory:

Mrs. Szklany was such a kind person. The children in her class only had her for a few months but she made a lasting impression on them. She interacted with them to help extend their learning and praise them for their efforts. The children talk about her every day to say how much they missed her.

Mrs. Szklany was always ready to go above and beyond her job responsibilities. She automatically knew what needed to be done and took care of it. She was a great organizer and gave so much support in the classroom. Mrs. Szklany loved her job and tried very hard to get well to return to the classroom.

Mrs. Szklany was the beloved wife of Stephen J. Szklany; adoring mother of Stephen and Nicholas Szklany; cherished daughter of Daisy (Petrovich) and the late Irvin Glowacki; dear sister of Kimm and the late Jeffrey Glowacki; aunt of Lacey Glowacki; loving cousin of Tammy (Kevin) Clark, her children Brittany and Brandon, Keith Hall, and the late Val DiLuca; and niece of Rudy Petrovich and the late Olga Hall.

Respectfully submitted,

Dr. Linda Lane

Travel Waivers

1. That the Board approve a travel waiver for Virginia Hill, Executive Director of the Chief Academic Office, to the following destination: Austin, Texas for the UMLN retreat, February 13-15, 2012. This retreat will be focusing on furthering the study and plan for implementation of the Common Core State Standards and focusing on the latest happenings that relate to CCSS for Mathematics. This trip will result in 3 days of travel. Virginia Hill has already traveled to Tampa, Florida for the Aspen ULLN Conference, November 7-9, 2011 and to Harrisburg, PA, on January 12, 2012 for the PDE Strategic Workgroups Team PA Foundation. Virginia Hill’s travel will result in 7 days total. This trip is at no cost to the District.
Payments Authorized

1. That the Board approval a request for Twenty (20) K-12 candidates to receive a stipend in the amount of $1,050.00 per staff, for Teaching and Learning Environment (TLE) Support Services Liaisons. The Twenty (20) K-12 candidates from social work, counseling, SPED and nursing professionals have joined the TLE Leadership Team. These candidates work collaboratively with the TLE Teacher Liaisons to design solutions and tools to support and enhance the teaching and learning environment in schools across the District. This phase of the work will contribute to establishing and reinforcing a positive culture socially, emotionally and behaviorally amongst our students in order to develop and maintain Promise-Readiness throughout all Pittsburgh Public Schools. Specific details of the scope of work are on file. A grant from the Heinz Endowments is supporting this expense. Total cost will not exceed $21,000 from account #1019-25Q-2271-124.

Good evening, ladies and gentlemen.
Welcome to the January 25th, 2012 Pittsburgh Board of Public Education Legislative Meeting.

Before we begin this evening, I would like to ask everyone to please turn off all cell phones and pagers or put them on vibrate.

Would everyone please rise, so we can salute the flag.

(Salute to the flag.)

Thank you.

Tonight we would like to take a few minutes to acknowledge and recognize the work of the Gateway Medical Society's youth mentoring program.

I would like to ask board members to please come forward. I will turn this portion of the meeting over to Susan Chursky.

(Awards presentation.)

Thank you, Ms. Chursky.

Mr. Weiss, could we have roll call, please?

Mr. Brentley?

Mr. Brentley: Here.

MR. WEISS: Ms. Colaizzi?
At this time, I would like to ask Mr. Sumpter to please share our core beliefs and commitments.

MR. SUMPTER: The Pittsburgh Board of Education firmly believes that we can educate every child to their maximum level of achievement. We want to ensure that it is done in a safe and orderly work environment for students and staff. We want to ensure that resources are
distributed in an equitable manner to provide the necessary support in an efficient and effective manner. Last but not least, do what we can to improve public and community engagement within the Pittsburgh school district. Those five beliefs we feel will improve the governance of Pittsburgh Board of Education and translate into higher academic achievement for all students of the district. Thank you.

MS. HAZUDA: Thank you, Mr. Sumpter. Will everyone please turn to the minutes from last month? Are there any corrections, additions or deletions?

MR. ISLER: Move to approve the minutes. MS. COLAIZZI: Second. MS. HAZUDA: Isler, Colaizzi. I have a motion to approve the minutes of the December 20, 2011 Legislative Meeting. All those in favor, please signify by saying "aye". (Chorus of ayes.) MS. HAZUDA: Opposed?
MS. HAZUDA: Thank you.
At this time, I would like to read the executive session statement.

In addition to executive sessions announced at the Legislative Meeting on December 20th, 2011, the board met in executive sessions on January 9th, 2012, January 18, 2012, and immediately before this legislative meeting to discuss various personnel matters, that may include, but are not limited to, administrative vacancies and positions opened and closed.

Finally, at the executive session immediately before this Legislative Meeting, the board discussed student discipline cases, that involved violations of various portions of the code of student conduct.

The board does not vote at executive session.

Let's turn to the education committee.

MR. SUMPTER: Point of order, Madam chair.

There is a special Legislative Meeting errata minutes from that meeting on January 9th.

Do we need to approve that?

MS. COLAIZZI: It was a continuation.
Point of order. It was a continuation.

MR. SUMPTER: Do we need to approve the minutes? That is the only question.

MR. WEISS: The meeting on the 9th was a special meeting.

It was recessed until the 18th.

So I believe a motion would be in order to approve the minutes of January 9th.

MR. ISLER: Move to approve the minutes of the special meeting of January 9th, 2012.

MR. McCREA: Second.

MS. HAZUDA: Isler and McCrea.

Thank you, Mr. Sumpter.

All those in favor, signify by saying "aye".

(Chorus of ayes.)

MS. HAZUDA: Opposed?

(No response.)

MS. HAZUDA: All right. Cool. Thank you.

All right. We will begin with the committee reports.

First on education that is before you, submitted by Ms. Sharene Shealey, chair, and her committee.

If you would please turn to page 10 of 10
of the report.

I would like to give you the student suspension transfer and expulsion numbers for this month.

50 students were suspended for four to ten days. No students were suspended for four to ten days and transferred to another Pittsburgh Public School. One student was expelled out of school for 11 days or more. No students were expelled out of school for 11 days or more and transferred to another Pittsburgh Public Schools.

Are there any questions or comments on the committee report on education, that were not addressed at agenda review?

Mr. Brentley, we will start with you.

MR. BRENTLEY: Yes.

I have some comments concerning page 3, No. 5.

This is the contract with the Bevan Consulting Solutions. I raised my concerns. I still have pretty much the same concerns.

I will not be supporting this item for a couple of reasons. The continuation of the contract, the term and the amount of the contract, and for the fact that I believe we should be at a point where we
can begin to practice what was taught to our district. So it concerns me, when we continue to have these contracts, that seem to go on and on. And at the same time, which I will continue to mention, we are laying off teachers. We are laying off librarians. And there are some schools with a part-time librarian. So it makes no sense. So I will not be supporting that item.

The next question I have is on page 6, No. 12. I raised comments at agenda review concerning the MOU, memorandum of understanding, with Robert Morris University. I have some concerns there. Wonderful, wonderful thing for the university to want to come in and provide tutoring services to our students. But it concerns me, when they say there is a zero cost, when they actually have access to our students and possible future relationships, that they can -- can actually grow off of this event. Secondly, I raise concerns about the report two years ago concerning local universities and their lack of keeping students in their universities, almost like a revolving door.

We have the Pittsburgh Promise. I don't
know, but we need to develop as a district some kind of rule or measurement on the university. So before they can come in to get a wonderful relationship with this district on a volunteer basis with a zero cost, that we have some kind of rating system. How well are you doing with our students? How well are you retaining African-American students? How well are you doing on the national and local scene in terms of its reporting? So I will not be supporting that item as well. My next question is just a very simple question. No. 14. This is just a general question. Dr. Lane, this item, which is also another contract, we have or we do not have anyone in the district who can provide any of these services? DR. LANE: Mr. Brentley, as I recall this item, it was to do some fill-in services, because of a shortage of certified people, that we were able to hire. MR. BRENTLEY: Okay. And the last two or three rounds of layoffs, were there any of those individuals who can
possibly fill some of those vacancies?

DR. LANE: No. There were not.

MR. BRENTLEY: Okay.

I just want to say and remind administration as well as HR, that with every possibility, when we are looking at providing or filling in positions, that we keep in mind the wonderful, wonderful dedicated employees, that we laid off or furloughed.

My final question would be No. 16, page 9. I raised concerns at the agenda review. This is the adoption of the revisions of the board policy, the 900 Records Management. I will not be supporting this item.

This is an issue of procedure. I shared my concerns with the chair of this committee. You don't just wake up and decide to change something. It is a board. We work together.

We had a similar situation a couple of months ago. Same committee made recommendations, in its recommendations, changing some of the policies included lowering the standards for some of our students. Included some changing of some language, to change the names.

So it concerns me, when one board member
has the authority or the power to change and move it through the system swiftly. Because it will pass tonight with flying colors.

It concerns me in terms of the process, that we should be using. It concerns me about not being able to give the public the trust, that it needs, and this board, that everything is going through the same process, especially one that would make the changes available to the public prior to our voting on it.

So I will not be voting on that item.

And once again, I challenge leadership of this board, that we must find a way to make issues even and fair across the board.

Over the years, I have attempted as chair of the committees, that I chaired, of trying to bring small items through.

And it was often voted down -- not voted down, I never even received the second to be considered. Small items that would be a zero cost to the district never made it to this floor in terms of being considered.

But we can allow one or some board members to make huge changes here and attempt to hide behind the law or other procedures, to get it passed. And we
let it go through.

So once again, to the leadership of this board, I am asking for consistency.

I am asking that you remember that we are all board members. And we all should have the same rights and authority in making recommendations.

That is all I have.

Thank you.

MS. HAZUDA: Thank you, Mr. Brentley.

That actually echoes some of what I had sent out a memo to the board, that I had attended a PSBA school board president training.

And one of the issues was to have consistency in how you do things. And to not have things brought up at the last minute, so that no one is surprised at what is going on.

So that does kind of work with what you are doing.

And so I think it is appropriate that we are consistent in that the board is shared information prior to being expected to vote on it, so that we have the opportunity to ask questions.

So thank you very much.

Ms. Colaizzi.

MS. COLAIZZI: Thank you.
My questions were all answered at agenda review.

MS. HAZUDA: Mrs. Fink?

MS. FINK: No. I am also good.

MS. HAZUDA: Dr. Holley?

DR. HOLLEY: Yes.

Item No. 5 page 3. Bevan Consulting Solutions.

I am going to say again that I am a bit --

I want to say, first and foremost, that the Bevan Consulting Solutions Company was able to do a good job in helping us with our RISE program. However, I do believe it is now time for the district to work on our own in this area. I think it is time that we stop -- the consultants are not supposed to be with us for a long period of time. And I think that her starting with us in 2007, I do believe up until now, I think that that should be enough.

So I will not be supporting this particular board tab. I will agree with my colleague, that item No. 14 -- I am sorry, item No. 16, that when we are doing board policy, that should come before us first,
before we start to change the policies, that we already currently have. And I would like to look at those prior to having those come out to the public for a vote. But I do want to say, after having the public hearing on Monday, I do want to commend Mifflin for working through the process on bullying and bringing this company in to support them, and helping them to work through the problem, that they are having at their school, and that we have at many of our schools in the district. And I just want to commend them for that. Thank you.

MS. HAZUDA: Thank you, Dr. Holley.

Mr. Isler.

MR. ISLER: Thank you, Mrs. Hazuda.

I just want to make it very clear on this Records Management policy, that this is one policy we are looking at tonight. It was sent out to the board prior to agenda review and discussed at agenda review. It is primarily to bring us within the current laws that govern this board, both Federal and state. And it is procedural more than anything else.
It is I think going to be a cost savings, because it is making our records management current, up to date, and allow us to, if not digitalize, eliminate a lot of paper, which we are basically drowning in.

So this is purely procedural recommended by our solicitor in the law department.

Thank you, Mrs. Hazuda.

Thank you, Mr. Isler.

Mr. McCrea.

MR. McCREA: I just need clarification on No. 5. The funding for that, are we allowed to use that to hire teachers? Or any other staff members?

DR. LANE: If you are referring to the item on Bevan Consulting, no.

Although, I know that sometimes there has been concern expressed in regard to contracts of this nature, especially in contracts that we have on operating budget.

This money could not be used to hire staff. No.

MR. McCREA: Thank you. I just needed clarity on that.

DR. LANE: And maybe I wasn't clear. It could be used for hired staff for the effective
teacher program. But it could not be used like, for example, to bring back a music teacher or art teacher, something like that to the school. No.

MR. McCREA: Thank you.

That is the clarity I needed. Thank you.

MS. HAZUDA: Thank you, Mr. McCrea.

Mr. Sumpter?

MR. SUMPTER: No questions or comments at this time.

Thank you.

MS. HAZUDA: Thank you.

If there are no further questions, Mr. Weiss, may we have roll call vote, please?

MR. WEISS: Mr. Brentley?

MR. BRENTLEY: Yes on the report.

I will be voting no on page 3, No. 5. No on page 6, No. 12. No on page 9, No. 16.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Yes.

MR. WEISS: Mrs. Fink?

MS. FINK: Yes.

MR. WEISS: Dr. Holley?

DR. HOLLEY: Yes. On the report as a whole.

No on No. 5 on page 3 of 10.
MR. WEISS: Mr. Isler?

MR. ISLER: Yes.

MR. WEISS: Mr. McCrea?

MR. McCREA: Yes.

MR. WEISS: Mr. Sumpter?

MR. SUMPTER: Yes on the report as a whole. No on item 5 on page 3.

MR. WEISS: Mrs. Hazuda?

MS. HAZUDA: Yes.

MR. WEISS: The report is approved. Item 5 and 3, no votes. And item 16, two no votes. Item 12 had one no vote.

The report is approved.

MS. HAZUDA: Thank you, Mr. Weiss.

We will move on to the committee report on business and finance submitted by Mrs. Colaiuzzi, business chair, and Mr. McCrea, finance chair.

Are there any questions or comments, that were not addressed at agenda review?

Mr. Brentley?

MR. BRENTLEY: No questions.

MS. HAZUDA: Mrs. Colaiuzzi?

MS. COLAIIZZI: My questions were answered at agenda review. Thank you.

MS. HAZUDA: Yes.

MR. WEISS: Report is approved eight to zero.

MS. HAZUDA: Thank you.

Let's move on to report on personnel, that includes addendums A and B, that is before you.

Are there any questions on the personnel report at this time?

Oh, before we start our questions,

Dr. Lane, do you want to read the two memorials?

DR. LANE: Dear board of directors, it is with great sadness I write to inform you of the heart breaking death of Shateecha Roach, personal care aide, on Sunday, January 1, 2012.

Mr. Rudley Mrvos, principal at Pittsburgh Conroy, staff, students and community paid the following tribute to her memory.

Ms. Roach was a graduate of Langley High School and joined the Pittsburgh Public Schools in 2004, working in numerous positions.

Ms. Roach was currently a personal care aide at Pittsburgh Conroy. Affectionately known as
Ms. T, Ms. Roach was loved by students and staff. A kind and wonderful young woman, Ms. Roach was always on hand to offer help to anyone in need. She was at all times ready to give a smile or a hug to a student or a colleague. Ms. Roach has two daughters. Her oldest daughter, Anniyah, attends Pittsburgh Beechwood. Her second daughter, Kaleah, is just seven weeks old. Shateecha Roach was an outstanding individual, a devoted mother and a vital member of Pittsburgh Conroy's community. She will be greatly missed. Respectfully submitted, Dr. Lane, superintendent of schools. The second memorial, dear board of directors, it is with great sadness that I write to inform you of the death of Valene Szklany, an early childhood educational assistant, on Wednesday, January 11, 2012. Mrs. Szklany began her employment with the Pittsburgh Public Schools in 2001. And her most recent work was as a paraprofessional in early childhood at Pittsburgh Concord, preK through 5. Ms. Carol Barone-Martin, executive director of early childhood, staff, students and community pay
the following tribute to her memory.

Ms. Szklany was such a kind person. The children in her class only had her for a few months. But she made a lasting impression on them. She interacted with them to help extend their learning and praise them for their efforts.

The children talk about her every day to say how much they miss her. Mrs. Szklany was always ready to go above and beyond her job responsibilities.

She automatically knew what needed to be done and took care of it. She was a great organizer and gave so much support in the classroom.

Mrs. Szklany loved her job and tried very hard to get well to return to the classroom.

Ms. Szklany is the beloved wife of Stephen J. Szklany, adoring mother of Stephen and Nicholas Szklany, cherished daughter of Daisy Petrovich and the late Irvin Glowacki, dear sister of Kimm and the late Jeffrey Glowacki, aunt of Lacey Glowacki, and loving cousin of Tammy (Kevin) Clark, her children Brittany and Brandon, Keith Hall and the late Val DiLuca, and niece of Rudy Petrovich and the late Olga Hall.

Respectfully submitted, Dr. Lane,
superintendent of schools.
MS. HAZUDA: Thank you, Dr. Lane.

Okay.

Now, we will go back to the personnel report at this time.

Mr. Brentley, do you have any questions?

MR. BRENTLEY: I just want to first send out my condolences to the Roach family, and just to remind them our prayers will continue to stay with the family.

And I do want to encourage our staff to remind the daughter that is still in the district about the important services, that we do offer, to all of our students, when they are going through troubled times.

Second, I would like to just point out under the addendum B, No. 1 under C, transfer from one position to another with change in salary.

And that is the position of Mr. Anthony Varlotta. He was the acting principal at Greenfield. He is now going to be the acting assistant principal at Pittsburgh Westinghouse.

But he left a great marriage, and that was the marriage over at Allegheny with Toni Kendrick and Mr. Varlotta, who worked together. And it was unbelievable seeing the two of them work together.
And I know how important we have to think district wide. But I just want to caution the administration, that if we are not on top of things in a certain area, it can impact other parts of this district, that are successful.

And with the breakup of this marriage, that we had over at Allegheny, there is a perfect example. I will wish Mr. Varlotta the best, wherever he may go.

But we do want to remind him that we definitely miss him. We definitely miss the relationship that they both have developed for all of the students at Allegheny.

The second question, final question is the addendum A. Dr. Lane, we are opening up the positions, 15 positions for light cleaner slash fireman.

And then we are also opening up 100 positions for light cleaner substitutes.

Backfill means what? Which is under the cleaners. What does that mean?

DR. LANE: I will respond. And I will ask Ms. Fuller to correct me, if I am wrong. Backfill means there is an opening. And we are pulling someone in to an existing position.
So someone has either moved up or moved out. So backfill means you are bringing someone in to fill that.

MR. BRENTLEY: Thank you. Second question is for the light cleaners.

Ms. Spolar, please tell me that we are working from the list of light cleaners, that we laid off a couple months ago.

MS. SPOLAR: That will definitely be our first source of recruitment for these positions.

MR. BRENTLEY: We just want to say, and I hope we are successful with getting, if not all, but most of them back.

And that we had a lot of dedicated employees, who I am certain would be just anxious to hear the call.

Thank you very much.

MS. HAZUDA: Thank you, Mr. Brentley.

Mrs. Colaizzi?

Mrs. Fink?

MS. FINK: I am good. Thanks.

MS. HAZUDA: Dr. Holley?

DR. HOLLEY: Fine.

MS. HAZUDA: Mr. Isler?

MR. ISLER: Yes.
I just want to say, again, the tributes that were sent out to the Roach family and Szklany family, I just want to thank the principal of Conroy for preparing it and also Carol Barone-Martin for letting us know the great work these individuals did for our students.

Thank you, Mrs. Hazuda.

MS. HAZUDA: Mr. McCrea?

MR. McCREA: I do want to echo that concern.

And also a big hole they have to fill at Conroy. I hope they can do that. The students really need them there.

I want to thank any of our employees in the military for serving their country. Thank you for a job well done.

MS. HAZUDA: Mr. Sumpter?

MR. SUMPTER: No comments. Thank you.

MS. HAZUDA: Thank you.

Mr. Weiss, could we have roll call vote, please?

MR. WEISS: Mr. Brentley?

MR. BRENTLEY: Yes.

MR. WEISS: Mrs. Colaizzi?

MS. COLAIZZI: Yes.
MR. WEISS: Mrs. Fink?
MS. FINK: Yes.
MR. WEISS: Dr. Holley?
DR. HOLLEY: Yes.
MR. WEISS: Mr. Isler?
MR. ISLER: Yes.
MR. WEISS: Mr. McCrea?
MR. McCREA: Yes.
MR. WEISS: Mr. Sumpter?
MR. SUMPTER: Yes.
MR. WEISS: Mrs. Hazuda?
MS. HAZUDA: Yes.
MR. WEISS: Report is approved eight zero.
MS. HAZUDA: There are no financial reports in January and February.
We will have financial reports for the months of December, January and February at the March meeting.
Mr. Isler?
MR. ISLER: Mr. Camarda, as we close out the fiscal year, are we experiencing any surprises, or are we within budget?
MR. CAMARDA: We are within budget. We have no surprises right now. We are monitoring end of our revenue collections and accruing our expenditures.
MR. ISLER: So that is for '11.
And '12, as we go forward, are we going to be affected negatively at all by the delay in the release of the tax statements and collections?

MR. CAMARDA: We don't expect to be affected negatively to the point where we have to have tax anticipation notice. There is a delay. But we know this discount period will now be pushed to end of March, and that lines up right when we need to have our cash.

MR. ISLER: So you are not anticipating any tax anticipation notice.
Correct?

MR. CAMARDA: That's correct.

MR. ISLER: Great. Thank you.
Thank you, Mrs. Hazuda.

MS. HAZUDA: Thank you.

Mr. McCrea?

Mr. Sumpter?

MR. SUMPTER: No.

MS. HAZUDA: Okay.

There are no new business items before us this evening.

Typically, at this time we go around, and if anyone has anything they want us to vote on, we
give that opportunity.

But again, from the training I went to for the Pennsylvania School Board Association, the recommendation is that we submit any new items to the full board prior to agenda review.

That way we have the opportunity to discuss it, ask questions, and give it the proper consideration that it would have at legislative. But since I only did that last Friday, I didn't want to catch anybody off guard, in case they had anything they were wanting to bring up.

So does anyone have anything they would like us to discuss, that needs legislative approval this evening?

Anyone?

No. Okay.

Then we will go around. Is there anything that you want to just announce or talk about?

Mr. Brentley?

MR. BRENTLEY: Yes.

I have a couple of things.

I first have to say that I was really appreciative of the recognition for board members, that we received today from PSBA and from the administration.
But I just want to let them know, according to folks at Allegheny, they were a little slow. I was invited today for my annual event at Allegheny.

And I have little pins that the staff wore. It is a picture of me. It says "Pittsburgh Allegheny honors school board director, Mark Brentley, Pittsburgh Public Schools". Do you have one, Mr. Isler?

MR. ISLER: With all due respect. I don't think I want one.

MR. BRENTLEY: This is what I get every year from the thoughtful staff.

And it was a wonderful, wonderful event. And I promised to acknowledge those who had breakfast with me this morning.

And so please give me an opportunity to mention, I want to just give a special thank you to the Honorable Elijah Cobb, who is vice-president.

The Honorable Jakar Tucker, who is treasurer.

The Honorable Brooklyn Lowery, who was the president. Interesting story about the president. This is her third time on student council for Allegheny.
She first was a treasurer, and I believe she was vice-president. And then she eventually moved up to president. Extremely sharp young lady.

The Honorable Tyrese Jennings, who was a secretary.

The Honorable Nijay Harrison, who is fifth grade representative. And the Honorable Madison Blake, who is fourth grade representative. And the Honorable Kennedy Walker, who is third grade representative.

We had lunch. They were able to pick my brains, to talk about what it was like being a board member. And what they should do to help make it better throughout the school year.

It was a wonderful, wonderful event under the leadership of the principal, the new principal there, as well as something that was started I believe many, many years ago with former principal, Ms. Burgess.

So I wanted to say thank you to all of those who worked very hard.

Secondly, I want to point out something that was in the Pittsburgh Courier.

This is December 21st through 22nd, 2011.

It says "Pittsburgh's new Blue Magic lead
To those of you who aren't familiar, Blue Magic is like an R & B group, that had a lot of great hit songs, Spell, Stop to Start, and Three Ring Circus, a lot of great, great songs.

Well, they recently signed a new lead singer. I am only going to read one small section here.

His name is -- the new lead singer is Gene Stovall.

And just one little selection, "Mr. Stovall began cutting his performance chops while a student at Beechwood elementary school, where he met his first vocal mentor, Henry Biggs, who later became the head of the vocal studies for Rogers middle school for the Creative And Performing Arts.

"Next, Stovall attended the Margaret Milliones middle school, where he performed his first play August Wilson's "Joe Turner's Come and Gone", at the Pittsburgh Public Theater, where he won the audience's heart as Reuben.

"He then went to attend Brashear high school. Stovall was musically trained at Duquesne University at the Mary Pappert school of music for the vocal performance, and also at the Pittsburgh Public
Schools for Creative and Performing Arts as a vocal performance major by David Jennings Smith."

I just want to say it is a wonderful group, a lot of great songs. A lot of hits. A lot of history. And here it is, the lead singer is from the Pittsburgh Public Schools.

So we just never know where our students will pop up.

I do have a few other little things, I would just like to mention.

I do want to also give Dr. Lane, I have hopefully what will be the final packet of -- a packet that I received from the community at Westinghouse.

Doctor, I think I shared with you before some of their concerns.

So I am asking that you would take these concerns, and if possible, if you can respond in writing. And then possibly set up some kind of meeting with them.

It concerns me. I think it is something the administration should respond to. I never mind working for and helping others.

But what is difficult for this particular area of this community, is that it seems that nobody from the administration will actually engage or
respond to it.

So I am asking if you will, Doctor, I will pass it down, please, if you could set up something with them and please respond, I would appreciate that.

The final thing that I just want to mention. This is an issue similar to what was made earlier about board training and so on.

I have shared with some of the board members, as we enter African-American history month. I want to strongly suggest to our board leadership, the importance of finding a way to making this board much more inclusive.

And I shared with at least two of you, individually, my concern in terms of the authority and the power that rests with the executive committee.

To those who are not familiar, the executive committee is made up of three board members. The first vice-president, second vice-president as well as president.

And they can appoint chairs.

And I just want to encourage this leadership, again, to tap in to all of the wealth of knowledge that we have on the board.

I want to suggest very strongly to this leadership of the board, that we find a way to make a
perfect match.

For the first time, that I have been on the board in 12 years, have we ever had an educator sitting at this end of the table.

And I am asking Madam President, as well as executive committee, if we can find a way to strongly use the leadership of the Honorable Dr. Holley. 30 plus years of service.

It would be a wonderful fit in terms of consideration to chair the education committee. It would also be opportunity for the community to see hey, we have an educator, somebody speaking the language. And also working very, very close with the administration.

So I shared this before. I am asking that you would consider, I know the committee responsibilities have been made. But it is not a biggy.

We could easily -- you can easily make those changes and adjustments.

So I am asking that this leadership would consider that and make sure that we make that move. And I don't mean to put anybody on the spot. And I am not here to make anyone embarrassed at all.
But when you have the kinds of skills, that we have in our colleague, we just have to find a way to put them in place.

I would love to hear her opinion on some of the things we have in place. Something we haven't had in a long time.

So I am asking if we could possibly consider that, it would be a great service to the board. It would be a great service to the entire city of Pittsburgh matching an educator as the chair of the education committee.

Thank you very much.

MS. HAZUDA: Thank you.

Dr. Lane.

DR. LANE: Yes. I just wanted to mention, this was earlier in Mr. Brentley's remarks. We are right now -- I have previously agreed to have a parent meeting at Westinghouse high school.

And we are working on a date for that at this time.

MR. BRENTLEY: You will include the Westinghouse group as well, the alumni association?

DR. LANE: It will be a public meeting. So anyone who chooses to attend is certainly welcome.

MR. BRENTLEY: Doctor, those items there
are specifically from that group.

And I don't want to direct to you, because once again, you have pretty much walked in to this, as you know, and followed this over the last couple years, previous administration purposefully went out of its way to engage, to talk to, to sit down, to work with -- East End Homewood is a part of the city.

And we just simply have to find a way. We are engaging other communities. We are working with them. Especially in light of what has happened at Westinghouse high school.

It is just unacceptable. And it is unacceptable for administration to go on without publicly explaining what happened, or go back to the Fred Logan letter, not an unreasonable request.

I am asking, because it makes our job a little easier, when we can show our administration is willing to meet and to talk and to work things out regardless of who they are and what kind of opinions they have.

So I am asking that you -- regardless of the meeting, that you please find a way to respond to some of those concerns. I can't respond to them. So it would be helpful, it would also give us opportunity to put behind us the terrible precedent
set by the previous administration of actually having a vote on the floor, to ask if he should go and meet with people in Homewood.

That is unacceptable for an appointed superintendent to say "I don't want to meet with someone".

So I am asking that you would do that. And let's just break that mold and start over. It is a new year.

Thank you.

MS. HAZUDA: Mrs. Colaizzi?

Mrs. Fink?

Dr. Holley?

Mr. Isler?

MR. ISLER: Thank you, Mrs. Hazuda. Just two things very quickly.

Dr. Lane and staff, this curriculum update I find very, very helpful. Wonderful, wonderful publication.

I hope it is available also on our web site for the public. Because it has information that is very helpful to parents and those people who are individuals in the community involved and interested in public education.

The issue of board recognition. I
personally cannot accept the recognition without noticing the people from A Plus Schools and Board
Watch. 

We talk about this being a volunteer job. It is a volunteer job. We decide to do it. Those individuals also volunteer their time and effort. I think the more people involved in public education in Pittsburgh Public Schools the better. I want to thank you and your organization for being faithful to providing your services to this board, as well Board Watch volunteers.

Thank you during this month recognizing individuals who do work on behalf of public education.

Thank you, Mrs. Hazuda.

MS. HAZUDA: Thank you, Mr. Isler.

Mr. McCrea?

Mr. Sumpter?

MR. SUMPTER: Thank you, Mrs. Hazuda.

I am a member of the friends of the Carnegie Library Hill District branch.

So there is several events that will be taking place at that library during the month of black history month.

Hill District branch of Carnegie Library is
located at 2177 Center Avenue in Pittsburgh.

And during the month of February, there is going to be a black history ball. That is going to be for customers age 6 and up. That will be held on Saturday, February the 11th, at 1:00 p.m.

On Saturday, February 18th, a taste off. It is going to be the best sweet potato pie on the Hill contest.

Each contestant is asked to enter two pies. Preregistration is required. Prizes will be awarded. That is on Saturday, February 18th, at 11:00 a.m.

On Monday, February 27th, there will be a book talk and signing.

And that will be at 6:00 p.m. That will be with the authors, Lawrence Glasgow and Christopher Rossi.

And the book is "August Wilson, Pittsburgh Places in his Life and Place".

So book signing, and also the ability to purchase the book, that will be available on Monday, February 27th.

And for more information, you can call 412-281-3753. 412-281-3753.

Thank you.
And also, don't forget to invest in our children's future. Please give to the Pittsburgh Promise.

Thank you.

MS. HAZUDA: Thank you, Mr. Sumpter.

First of all, I want to thank you for the book. I am in the middle of reading Robert Wideman's book that our students read.

When I finish that one, I will start this one. With all this other reading we do, it takes me a lot longer to get through books these days.

I will enjoy that. Thank you.

My thanks, and all thanks I think to Dr. Oak and the children of Carmalt, K to 8. We thoroughly enjoyed the video they made for us. We watched it in the back room prior to coming in. And it is absolutely wonderful.

So thank you.

Gene Stovall was mentioned in that article. He is a buddy of mine. And he truly got his start at the Beechwood school talent show, that I happened to direct for 11 years.

So I speak firsthand. The whole family is talented. But he is just unbelievable. I am glad you brought that up, because I didn't know.
Just one final word on committee assignments. I did spend many, many hours doing committee assignments, trying to match up what I thought the needs of the district were, as well as the talents of the board members. We have an extremely talented board.

And I did try to match them up to what I thought was best.

And did in fact add some new committees this year, where I thought we had a little bit of an information gap. And it could only enrich our board work in helping to promote the district.

I am sorry you chose not to chair the parent engagement committee. Because I thought that was a good tie-in with the Take Your Father to School Day.

But certainly, that is your choice, much as it was my choice who I did ask to serve on committees. So I think what I hope for this year is that we all deepen our knowledge of the different avenues we have in the district.

This district is so large and complex. And by working together and sharing knowledge, we can strengthen our board, because the strength of the school district starts with the strength of the school
board and our function.

MR. BRENTLEY: May I add one thing?

MS. COLAIZZI: Motion to adjourn

MS. FINK: Second.

MS. HAZUDA: We have a motion to adjourn, Colaizzi. Seconded by Fink.

All those in favor?

(Chorus of ayes.)

MS. HAZUDA: Meeting adjourned.

(Thereupon, at 7:55 p.m., the Legislative Meeting was concluded.)

MR. ISLER: Second.

MS. HAZUDA: Colaizzi, Isler.

All those in favor?

(Chorus of ayes.)

MS. HAZUDA: Minutes of the December 25th, 2011 Legislative Meeting are approved.

Before we begin, Ms. Linda Baehr will be describing the change she is recommending to the item for the rental of space for the intermediate unit.

MS. BAEHR: If you please go to the business page. Go to No. 2 under "consultants and contracted services". Go to A.

The current language says that it is a five year lease agreement, and it should say two year lease agreement. The change in the amount of money would then turn to 116,820 for the two year lease.

MS. COLAIZZI: Could you repeat that, please? All of the numbers and amounts.
MS. BAEHR: The current language states a five year lease agreement, it changes to a two year lease agreement.

And therefore, the amount for the two year contract would be $116,820 dollars. It is for two years. It would be $58,410 for one year.

MS. HAZUDA: All right. Thank you.

We will go to the committee on education submitted by Ms. Shealey, chair, and her committee.
