Dear Pittsburgh Montessori Families!

We are off to a great start! I am thrilled to share the new Chief Academic Officer, Dr. Olds Pearson, will be visiting our school on Tuesday! I cannot wait to show her the wonderful work our teachers and students do each day.

You may have noticed our fresh new t-shirts we wore on Friday as a Montessori staff.

Our school's theme this year is Peace, Love, and Montessori. Ask your child about the Peace Area in their classroom!

Thank you for all you do to support our Montessori community. Have a great weekend.

Ms. Meyer

Grace and Courtesy Skill
I will use my 3’s up to follow school and classroom expectations
At Pittsburgh Montessori, we commit to a commonly themed expectation Matrix centered around RESPECT.

- Respect for ourselves
- Respect for others
- Respect for the environment

These three expectations are broken down into clear examples of positive behaviors in our behavior matrix.

We call it "The 3s UP"

At the beginning of the school year, all students and staff participate in teaching and learning our 3's Up. Students will continue this learning with at least weekly booster lessons during community meeting times, weekly grace and courtesy lessons and monthly assemblies which will remind students of what it means to be safe, respectful, and responsible at Pittsburgh Montessori.
