CLASSROOM TECHNOLOGY USE: STUDENT EXPECTATIONS

Use computers, laptops, tablets, iPads, and/or internet supports responsibly, following the Pittsburgh Public Schools “acceptable use” agreement at all times.

Ensure you have access to a computer, laptop, tablet, iPad, and/or internet for learning at school and home. Reach out to your teacher or principal if you do not have access to a computer, laptop, tablet, iPad, or reliable internet.

Find lessons and learning materials in Schoology or Clever and check for assignments provided by your teacher weekly.

Finish all assignments (homework or classwork) in Schoology, when required by your teacher.

Use Read & Write and EquatIO as needed.

Review your notes taken in class and practice applying skills learned using the blended learning resources, i.e., Blue Streak math, SmartyAnts, Gizmos, Labster, Mango Languages, Achieve3000, at school and home.

Check Home Access Center (HAC) to see your grades. HAC is found in the Clever portal.

If the District has to move to hybrid or remote learning, your camera must be on for the class period unless you have received approval from your principal.

PLEASE NOTE THAT LIMITED TO NO INTERNET ACCESS OR A DEVICE (LAPTOP, COMPUTER, OR IPAD) IN SCHOOL AND AT HOME SHOULD NOT STOP YOU FROM FINISHING YOUR WORK.

You may complete your work on notebook paper or a worksheet provided by your teacher.
TIPS FOR SUCCESS

THE CLASSROOM LEARNING ENVIRONMENT
Participate actively in learning during classroom lessons and activities. Make sure you read text, ask questions, participate in discussion, make connections, and finish all assigned work.

Follow all the rules and routines for getting your laptop, tablet, or iPad. Use the internet in the classroom when your teacher asks you to log in.

Follow all classroom, school, and District rules for using computers, laptops, iPads, and the internet when working at school and home.

Use the blended learning resources to apply your learning and complete all required work as directed by your teacher.

ASSESSMENTS
Complete online District tests on your own to the best of your ability. These assessments will be used to help you during the school year.

Do not give up on challenging activities, assignments, and tests. Believe that you can reach your goals and if you make a mistake along the way, learn from it to grow.

CLASSROOM SUPPORT FOR STUDENTS
Ask your teacher, school counselor, or social worker for help when needed for help when needed.

TECHNOLOGY SUPPORT FOR STUDENTS
Contact the support desk by dialing 412-529-4357 or email your technology questions or needs for help to the Technology Department at support@pghschools.org.

Expect great things.
