Section 1: General Information

Introduction

The School District of Pittsburgh (herein referred to as “the District”) and Allegheny Partners for Out-of-School Time, an initiative of The United Way of Southwestern Pennsylvania, (herein referred to as “APOST”) are seeking proposals demonstrating outstanding commitment to student engagement and interest through providing students with a unique learning opportunity during the 2019 Summer Dreamers Academy, a summer learning camp for students who have just completed Kindergarten through 8th grade. **Please note, the District will also be offering a full-day PreK summer program, the Little Dreamers Academy, and inclusive opportunities for PSE Extended School Year program in 2019. These programs will be co-hosted in Summer Dreamers and other District facilities. The District reserves the right to consider submissions to this RFP for the Little Dreamers PreK program and for PSE Extended School Year as well.**

The camp will include 27 full days of programming, operating from Monday, June 24, 2019 through Thursday, August 1, 2019, with no program on Thursday, July 4, 2019 and Friday, July 5, 2019.

Proposals are solicited which demonstrate the capacity to plan and implement inclusive student-centered summer programming for unique, fun, exciting, and educational activities. All proposers are asked to consider their interests, strengths, and skills, and to propose programming that will be engaging for all children.

Each camper will have 180 total minutes of academic enrichment and 150 total minutes of activities in a typical day. Special events such as book fairs, visits from the Carnegie Library, and trips to the Promise Store (a uniquely-designed “store” for campers who exhibit good behavior) will also take place in the mornings during camp!

All campers will participate in two 90-minute academic blocks and two 75-minute activity blocks (or one 150-minute double activity block) daily. Activities providers may submit proposals to run either a single 75-minute or double 150-minute activity with campers. Providers wishing to run single block activities will serve two different groups of campers daily, for 75 minutes each. Providers wishing to run double block activities will serve one group of campers for the entire afternoon, either on-site or off-site. Due to time constraints, providers should not submit a proposal for a single-block activity that takes place off-site.

Final locations for the 2019 Summer Dreamers Academy are pending. However, we are proposing four site locations: three serving students in grades K-5 and one serving students in grades 6-8. The tentative site locations (pending approval) are Pittsburgh Arlington (800 Rectenwald St. Pittsburgh, PA 15210), Pittsburgh King (50 Montgomery Pl, Pittsburgh, PA 15212), Pittsburgh Obama (515 N Highland Ave, Pittsburgh, PA 15206) and Pittsburgh University Prep (3117 Centre Ave, Pittsburgh, PA 15219), with University Prep only serving middle school (6-8 grade) students.

**Timetable/Response Submittal**

Proposals will be accepted through Thursday, December 6, 2018 at 5:00 PM. Selection of organizations will be made based on the proposals submitted and, if deemed necessary, follow-up conversations during a pre-designated time window. A timetable for the selection process is outlined below.

Upon release of this RFP and until the conclusion of the selection process, there shall be no communication between any prospective respondents and/or their lobbyist(s) or agent(s) with any staff of the District and/or APOST, or any elected representatives or other appointed official of the District and/or APOST and/or their staff, except as provided for in this RFP. Any violation of this provision by any prospective organization and/or its agent(s) shall be grounds for immediate disqualification of the application.
Section 2: Scope of Services

Who May Apply
Eligible proposers include any organization or individual with the capacity to inspire and engage children of all abilities in fun and exciting activities that are also educational. Proposers may be non-profit or for-profit. Previous experience working with children is expected.

Contract and Options Period
The term of the contract shall be active on or about March 7, 2019 until on or about August 31, 2019 with an option for renewal for the summer of 2020 pending an evaluation and funding. Providers who opt to renew will still be required to submit an RFP during the open application period, but will be asked to reflect on the past programming in the Summer Dreamers Academy and any program improvements which will be made in the subsequent year.

Attendance Clause
The District will work in coordination with contracted providers to promote high attendance, and will share resources and recommendations for encouraging campers to attend regularly. It is expected that approved enrichment providers actively partner with assigned District staff on positive attendance activities/initiatives within the scope of the proposed activity. Furthermore, at least 5% of the submitted budget must be devoted to a/an activity(ies) or initiative(s) that encourage positive attendance.

Program Timeline and Requirements
Providers are encouraged (but not required) to participate in camper enrollment and recruitment leading up to camp (March – May). Participation may include the sharing of the online program application, sponsoring an “application center” at the provider facility, sharing program information to organizational networks, etc. Providers are required to attend a camp site building walkthrough (April) and periodic pre-camp planning meetings with camp site leadership teams (April – June). Providers are also encouraged (but not required) to assist with pre-camp outreach to families of campers enrolled in their program(s) (May – June).

Site Logistics
Providers may opt to be on-site or off-site providers, as described below:

**On-site Providers**: On-site providers are organizations that provide services at the location where campers will be participating in the morning academic portion of the camp. These locations will most likely be the school buildings listed in Section 1. On-site providers will be required to attend a site visit in the spring (April) to ensure that the space meets the requirements as detailed in the proposal. On-site providers will need to detail any special facilities requirements (e.g. gym space, a room with sinks, etc.) and transportation requirements for special events such as field trips, if applicable. The District will not provide transportation off-site for special events. If off-site special events are being proposed, this cost must be detailed in the submitted budget and assumed by the provider while camp is in session.
Off-Site Providers: Off-site providers are organizations that provide services at a location different than the site where campers will be participating in the morning academic portion of the camp. The District reserves the right to conduct initial inspections of all sites of off-site providers at any time before contracts are signed. In addition, the District reserves the right to inspect sites throughout the term of the contract. Off-site providers will need to detail transportation requirements and a plan for meeting these requirements. The District will not provide transportation to off-site locations.

Please be as detailed as possible in describing the space, materials, and transportation that will be required for the activity/activities being proposed, including outlining all associated costs in the budget and budget narrative (see Section 3 for more information).

Mandatory Staffing Requirements

The District requires a maximum ratio of 12 campers to one adult for the duration of the camp. The District plans to hire at least one (1) highly qualified “Activities Teacher” to work with each contracted provider for the duration of camp, based on available funding. Additionally, based on available funding, the District plans to provide “Camp Coordinators” (analogous to school year Paraprofessionals) to assist with implementing programming. Camp Coordinators will be assigned to activities based on the number of children enrolled, to lower the camper to adult ratio, and may be re-assigned based on program attendance.

The District and/or APOST reserves the right to require the proposer to provide additional training and/or staff which, in the judgment of the District and/or APOST, is necessary in order for a camper to safely complete the camp, after notice to the provider.

The District and/or APOST also reserve the right to require the proposer’s program staff to attend up to twelve (12) hours of pre-camp training sessions focused on classroom management, behavior management, and roles and responsibilities for provider staff and District employees. Training sessions will take place between June 14, 2019 and June 21, 2019.

During camp, afternoon activity program staff shall report to their assigned camp site no later than 12:15 pm each day, and shall remain on-site until 4:15 pm each day. Provider staff may be asked to assist with some camp site logistics such as supporting the transition of campers after lunch/recess and between activities, and organizing campers in preparation for dismissal.

In addition to the hiring of Activities Teachers and Camp Coordinators mentioned above, the District also plans to hire one (1) highly qualified “Activities Specialist” and up to two (2) highly qualified “Curriculum Coaches” as part of the Camp Leadership Team at each camp site (see Appendix C for a complete organizational chart of site and central office staff supporting the program). Providers will be required to work with their Activities Coach prior to the start of camp to coordinate program logistics, and with their Curriculum Coach(es) to further develop plans related to the connected writing project (more information about the connected writing project is included in Section 3).

Each camp site Leadership Team will also be comprised of one (1) Camp Director, one (1) Behavior Coach, one (1) Camp Operations Managers, one (1) Office Assistant, and one (1) Student Data Systems Specialist (SDSS). While the site based Activities Coach is the main point of contact for providers and program staff during camp, other leadership team members will have relevant information to share with
activities staff before and during camp (e.g. site procedures, the camp behavior management strategies, attendance initiatives, etc.).

Size and Scope of Summer Camp Activities
The final size and scope of individual provider services will be negotiated between APOST and the selected providers based upon the funds available, specific activities proposed, camper demand, available staffing, transportation, timelines, and any other Federal, State, or local restrictions that may apply.

Required Deliverables and Meetings
Providers shall adhere to the following throughout the duration of the contract period (starting on or about March 7, 2019) between the provider and the District. Please note, the District reserves the right to rescind an approved contract if provider is non-compliant on any of these required deliverables within a reasonable (as deemed by the District) timeframe:

1) **Provider Status Update Conferences:** Contracted providers shall engage in monthly conference call updates with the APOST Associate (or her designee) in April, May, and June of 2019. Scheduling will take place during the contracting period after March 7, 2019. 2) **Final Connected Writing Project Plans – by Friday, April 5, 2019:** Contracted providers shall submit their detailed connected writing project plans to APOST no later than Friday, April 5, 2019, describing what campers will be doing related to authentic writing during the Summer Dreamers Academy. A template will be provided and support for developing writing project plans is available upon request to APOST. Writing plans will be shared with District staff, parents, and other stakeholders as we speak about program plans broadly. This information will also be shared directly with Activities Specialists, Curriculum Coaches, and Activities Teachers as they prepare to support implementation of the connected writing project.

3) **Final Program Curriculum – by Friday, April 12, 2019:** Contracted providers shall submit their detailed program curriculum to APOST no later than Friday, April 12, 2019, outlining what campers will be doing each day during the Summer Dreamers Academy. The final program curriculum also must include a detailed and finalized description of the roles and responsibilities of assigned District staff (Activity Teacher and Camp Coordinator(s) (if being requested)). This information will be shared with District staff, parents, and other stakeholders as we speak about program plans broadly. This information will also be shared directly with Activities Specialists and Activities Teachers as they prepare to support activities programming, and with prospective Activities Teachers and Camp Coordinators to assist with matching District staff to enrichment activities based on background, interest, and skill; and to establish clear guidelines for the role of each adult in the activities classroom.

4) **Employee Roster and Staff Clearances – by Friday, May 31, 2019:** Contracted providers shall submit their employee roster and copies of clearances for all employees who will have direct contact with children during the Summer Dreamers Academy to APOST no later than Friday, May 31, 2019. This roster shall list the name of each staff member who will be working with campers, as well as the site(s) at which he/she will be working. The required clearances are: Act
34 (Criminal Record Check in Pennsylvania), the Act 151 (Child Abuse History), and the Act 114 of 2006 (FBI Federal Criminal History). The fees to complete required clearances are to be paid by the contracted provider and should not be billed to the District and/or APOST in proposed budget.

5) **Proof of Insurance – by Friday, May 31, 2019:** Contracted providers shall submit proof of insurance to APOST by Friday, May 31, 2019 for the minimums stated below, and repeated in Section 5, Number 7. Contracted providers shall maintain a minimum of $1,000,000 of General Liability insurance coverage and additional insurance coverage as follows:

- **Workers Compensation and Employers Liability:**
  - i. Workers Compensation: Statutory Limits.
  - ii. Employers Liability: $100,000 Each Accident – Bodily Injury by Accident; $100,000 Each Employee – Bodily Injury by Disease; and $500,000 Policy Limit – Bodily Injury or Disease.
  - iii. Other States Coverage and Endorsement.

- **Umbrella Liability:** $1,000,000 per occurrence combined single limit for bodily injury (including death), property damage liability, professional liability, automobile liability and Employer’s Liability excess of the underlying primary policies.

- **Additional Insured Status:** “The School District of Pittsburgh” and “United Way of Southwestern PA” shall be added as an additional insured for the General Liability and Umbrella Liability policies under a Blanket Additional Insured Endorsement on the referenced policies.

Contracted providers should not contact the District and/or APOST with questions about organizational insurance coverage. Questions regarding coverage per the detail above should be directed to the provider’s insurer and/or legal counsel.

6) **Meetings and/or Communication with Camp Leadership Teams, Activities Specialists, Activities Teachers, and Camp Coordinators – as requested by Camp staff:** Contracted providers shall meet with members of the site based Camp Leadership Team and/or camp staff to ensure full coordination of afternoon enrichment activity programming, to discuss the curriculum and necessary program logistics, and to communicate program plans and clarify roles in preparation for implementing programming. Meeting dates, locations, and venues will be determined by the Camp Leadership Team staff.

7) **Invoicing:** Contracted providers shall submit bi-weekly invoices to obtain payment by APOST for costs associated with implementing enrichment activity programming at the 2019 Summer Dreamers Academy. An invoice template will be provided. While contracts work on a reimbursement of applicable expenses model, providers may request an upfront advance of the contract, not exceeding 25 percent of the total contract amount. More information on advance payment is available upon request to APOST. All invoices must include applicable back-up documentation outlining the expenses accrued, including copies of receipts, employee timesheets, and other approved expenses. Invoices will not be paid without proper documentation of expenses.
Section 3: Detailed Proposal Requirements

All proposers shall be accorded fair and equal treatment with respect to the selection process. Discussions may be conducted between APOST and prospective proposers, or with proposers who have submitted proposals. During these discussions, there shall be no disclosure of information derived from proposals submitted by other proposers.

- **c.** How was the connected writing project incorporated into this activity in 2017 and/or 2018? Please include a sample of exemplary student writing from this activity in 2017 and/or 2018 (student writing will not be counted toward the page total in this section).
### 4. Schedule

- **a.** Please provide a general description for each week of programming, including sample learning objectives and activities, including activities related to the connected writing project. **In your description, while you may copy your submitted schedule from 2017 and/or 2018 if not substantially different, please be sure to note any programmatic improvement updates/changes in bold based on your reflections above.**

- **b.** Please provide a detailed sample plan for one day of the program, including the length of time allocated to each activity within the period, a description of what campers will be doing, how time will be utilized effectively to maximize learning and engagement, how the activity block will be structured on any given day, and how the proposed activity will be rolled out over the 27 days of camp? **In your description, while you may copy your submitted sample daily schedule from 2017 and/or 2018 if not substantially different, please be sure to note any programmatic improvement updates/changes in bold based on your reflections above.**

### 5. Camper and Staffing Model

- **a.** What is the target number of campers to be served by the proposed activity and how was this number determined?

- **b.** How many staff members will be necessary to implement the proposed activity? Of this number, how many staff members will be provided by the proposer?

- **c.** Please describe the positions, roles, and responsibilities of planned program staff, including District staff, if applicable.

- **d.** Please describe a staffing model that details the staffing structure based on the planned number of campers and staff. **Please note that the maximum camper-to-staff ratio has been adjusted to 12 to 1.**

- **e.** Please describe how program staff will be selected.

- **f.** Please describe any training that program staff will participate in prior to beginning work with the proposed activity at the Summer Dreamers Academy.

- **g.** What specific strategies will staff use to ensure high average daily attendance throughout the duration of camp?

### 6. Facilities and Materials

- **a.** Please describe the facilities that are required to implement the proposed activity (e.g. a classroom and weekly access to a grass field, or a gymnasium and locker rooms).

- **b.** Will the proposed program be an on-site provider or an off-site provider, as defined in Site Logistics, Section 2?

- **c.** If the proposed program will be an on-site provider, please describe any transportation needs for special events, such as field trips, if necessary.

- **d.** If the proposed program will be an off-site provider, please describe the location where daily programming will take place.

- **e.** If the proposed program will be an off-site provider, please describe plans for transporting campers to and from the proposed location.

- **f.** Please describe the equipment, materials, and supplies necessary for implementing the proposed program, and explain general plans for obtaining these items.

- **g.** Please describe any District equipment, materials, or supplies that would be used by the proposed program (e.g. desktop computers or LCD projectors).
4. **Budget and Budget Narrative**: Please submit a detailed budget that is aligned with the implementation plan. In addition to a numerical budget, please provide an explanation of the assumptions underlying the proposed costs. Each line item in the budget should have a corresponding description in the budget narrative.

Cost categories to be addressed should include, but are not limited to:
   a. Personnel
   b. Travel and transportation (if applicable)
      - Please outline costs for any planned field trips or excursions
      - Off-site providers should detail daily transportation needs and associated costs
   c. Equipment, materials, and supplies (*Please note, for any returning activity proposal, no reimbursements will be approved for non-consumable goods [e.g., balls or reusable sports equipment, garments, etc.]*)

In preparing the budget and budget narrative, please consider the following questions:
   a. What is the cost per camper served?
   b. Is the budget transparent?
   c. Are explanations or assumptions for proposed costs included?
   d. Are costs related to positive attendance included (*please note, at least 5 percent of the budget total must be allocated to positive attendance strategies*)
   e. Are costs for field trips and special events included?
   f. Are costs for all plans referenced in the implementation plan included in the budget and explained in the corresponding budget narrative?

Please note that the approximate maximum cost per 75-minute block that the District and/or APOST can fund is $4,000 total for up to 30 campers (approximately $133.33/camper), or $8,000 per 150-minute double block serving up to 30 campers (approximately $266.66/camper). While you may submit a proposal that exceeds these maximum per-camper guidelines, it is highly unlikely that the District and/or APOST will be able to award contracts to organizations that submit proposals with a budget that is significantly higher than the recommended range.

In the case that a proposer plans to obtain outside funding or provide in-kind services in order to meet the District’s budget parameters, it is asked that the proposer submits a full budget indicating these accommodations.

*Proposers wishing to submit proposals for multiple activities at the Summer Dreamers Academy shall submit a separate budget and budget narrative for each proposed activity.*

5. **Qualifications and Experience**: Please submit a bulleted list of qualifications, achievements, and accomplishments/awards that demonstrate the quality and experience of the provider as it relates to the proposal. Please specifically highlight any experience working with K-12 students. *Please note, returning activity proposals do not need to submit this section.*

6. **References**: Please provide a minimum of three (3) references. For each reference, please include the individual’s name, title, and organization, relationship to proposer, e-mail address, and phone number. The District reserves the right to contact these references and to request additional references. *Please note, returning activity proposals do not need to submit this section.*
7. **Work History with the District**: Please list and describe any past work history with Pittsburgh Public Schools, including the specific project(s), if applicable. Please note, returning activity proposals do not need to submit this section.

8. **Legal Actions**: Please list and describe any and all legal actions for the past three (3) years in which the proposer has been a defendant in a lawsuit for inadequate performance under a contract or agreement, a debtor in bankruptcy, or a defendant in a criminal action, if applicable. Please note, unless there has been an update to this information since prior RFP submission, returning activity proposals do not need to submit this section.

9. **Financial Statements**: Please provide copies of the proposer’s audited financial statements for the two (2) prior fiscal years, if applicable, or a reasonable alternative. If a returning activity provider, please only provide financial statements for the year(s) since last RFP submission.

10. **Insurance Requirements**: Please provide evidence of current insurance coverage. If current coverage does not meet minimum requirements outlined in Required Deliverables and Meetings above, Number 5, please include a statement of commitment to acquire required coverage, should proposer be awarded a contract.

11. **Licenses**: Please provide copies of the proposer’s City of Pittsburgh and/or State of Pennsylvania licenses and all other licenses relevant to the performance for this contract, if applicable. Examples include CPR, lifeguard certification, teaching artist credentials/certificates, etc.

12. **Joint Venture**: Please provide a copy of any executed joint venture agreement(s), if applicable. Examples include any partnership between two or more organizations in order to provide the services outlined in this proposal. Even if no legal partnership is formed, a letter of intent signed by all parties involved should be included if two or more organizations plan to work together.

14. **Organization Information/Equal Opportunity Employment**: Please submit the Organization Information/Equal Opportunity Employment information described below:

   a. *Describe the proposing organization’s equal employment opportunity policies and programs. What is the % of women and ethnic minorities in your organization?*

If so, please describe any such convictions and surrounding circumstances in detail.*

   c. *Has the proposing organization, or any of its employees, or anyone acting on its behalf, been indicted or otherwise charged in connection with any criminal matter rising directly or indirectly from the conduct of the proposing organization’s business which is still pending or have any of the proposing organization’s officers, directors, or persons*
exercising substantial policy discretion been indicted or otherwise charged in connection with any criminal matter involving financial misconduct or fraud which is still pending? If so, please describe any such indictments and surrounding circumstances in detail.

d. Please describe (i) any material financial relationships that the proposing organization or any organization employee has with any financial advisory firms, investment banks or law firms or other persons or entities that may create a conflict of interest in acting as a provider to the School District; (ii) any family relationship that any employee of the proposing organization has with any public servant that may create a conflict of interest, or the appearance of a conflict of interest in acting as a provider to the District; and (iii) any other matter that the proposing organization believes may create a conflict of interest or the appearance of a conflict of interest in acting as a provider to the District. Please describe any procedures the proposing organization either has adopted, or would adopt, to assure the District that a conflict of interest would not exist for the proposing organization in the future.
