## **Pittsburgh Colfax K-8 Facility Closed Wednesday and Thursday for COVID-19 Mitigation**

PITTSBURGH, May 10, 2022 – The Pittsburgh Colfax K-8 facility is now closed May 11-12, 2022, after exceeding the school's five percent threshold for positive cases of COVID-19. No one may enter the building until Friday, May 13, and all special events and activities are canceled. The closing will provide time to disinfect the facility. Upon return, the use of well-fitting masks will be required for all staff, students, and visitors at the school until Monday, May 23, 2022, unless Allegheny County's community level reaches medium.

Students and staff will transition to synchronous (live streaming) educational instruction during the building closure. Instead of reporting to the school building, instruction will move to Microsoft Teams, and students will access work in Schoology. The day will follow the regular bell schedule.
