

Dear PCA Parent/Guardian,

New Year, New.... tips and strategies for you to help your student continue to grow and succeed in Math and ELA!

As we head into 2024, PCA would like to help you get your student off to a ROCKIN NEWYEAR in Math and ELA.

We invite you to attend: **How to Support Your Student in Reading and Math- VIRTUAL PSCC Meeting on Thursday, January 25, 2024 at 3:30pm**

During this meeting, we will share and collaborate with you on strategies to help your student continue to grow as well as answer any questions that you have about making sure your student is successful at PCA

Our meeting will be on Microsoft Teams.

The meeting link will be sent out via email and talking points.

If you have any questions, please feel contact PCA@412-529-3110 or email Mrs. Zemba [@azemba1@pghschools.org](mailto:azemba1@pghschools.org)

We hope to see you (virtually) there!
