**6-12 Student  
Code of Conduct

Levels Guide**

# Level 1 Actions

Positive classroom and school-wide interventions and supports are used to address Level 1 actions. Students are not referred to an administrator for Level 1 actions unless they continue after appropriate intervention and support. In such cases, the referral to an administrator serves to help identify the most appropriate interventions available for the student.

Electronic device restrictions shall not apply when a student (1) is a member of a volunteer fire company, ambulance, or rescue squad; or (2) has a need for such a device due to the medical condition of an immediate family member.

Threats can be made verbally, in writing, or with gestures.

## Level 2 - Examples of Guidance Interventions

The list below is provided as a menu of possible options and not intended to be used in succession.

The implementation of interventions shall be individualized, rather than a one-size-fits-all approach.

A student that receives an out-of-school suspension should not be disciplined twice for the same infraction. If field trips, assemblies, or any other activities occur while the student is serving their out-of-school suspension, they may not attend such event; however, should the event occur outside of the time period in which the student is serving their out-of-school suspension, they shall not be excluded from such event unless there is a safety concern.

# Level 3 Actions

**Level 3 actions are of a serious nature** and, when they occur, can be expected to pose a threat to the health, safety or property of any person. An administrator is notified when a Level 3 action occurs. Students may be suspended for any Level 3 action. School administrators are required to consult with their assigned Assistant Superintendent before proceeding with a charge of Assault, Aggravated Assault, or Weapon. **Actions with asterisks trigger a mandatory notification to school police pursuant to School Code Section 1303-A(b) and 22 Pa. Code Section 10.22.**

**\*307. Drugs Including Less Serious Offenses of Marijuana, Paraphernalia, and Alcohol:** A student shall not possess, use, distribute, or be under the influence of any intoxicant of any kind. However, in an effort to minimize exclusionary discipline, a graduated response to the handling of drugs based on the severity of an offense is outlined according to drug offense categories on page [PLACEHOLDER #]. Rule 307 violations include first-time offenses of marijuana under 5 grams, alcohol, and possession of paraphernalia occurring in the same school year. Please note that use of a drug as authorized by a medical prescription from a registered physician for the student for whom it is prescribed shall not be considered a violation of this rule, but may be a violation of the District's Use of Medications policy. Failure to comply with the Use of Medications policy may also result in school discipline.

**313. Harassment:** A form of discrimination based on the basis of race, color, age, creed, religion, sex, gender (including gender identity or expression), sexual orientation, ancestry, national origin, marital status, pregnancy or disability consisting of unwelcome conduct, or other conduct that may be harmful or humiliating or interfere with a person's school or school-related performance when such conduct is sufficiently severe, persistent, or pervasive and a reasonable person in the complainant's position would find that it creates an intimidating, threatening or abusive educational environment.

Sexual assault, dating violence, domestic violence, and stalking, as defined by District policy are also types of sexual harassment.

**313.B. Racial/Ethnic Harassment:** Discrimination on the basis of race, color, or national origin includes discrimination based on a person's actual or perceived race, color, national origin, ethnicity, or ancestry. This includes discrimination based on the country, world region, or place where a person or their ancestors come from; a person's limited English proficiency or English learner status; or a person's actual or perceived shared ancestry or ethnic characteristics, including membership in a religion that may be perceived to exhibit such characteristics (such as Hindu, Jewish, Muslim, and Sikh individuals).

**313.C. Gender-Based Harassment:** May include acts of verbal, nonverbal, or physical aggression intimidation, or hostility based on sex stereotyping. Thus, harassment of a student for failing to conform to stereotypical notions of masculinity and femininity constitutes sex discrimination. Gender-based harassment can rise to a violation of District policy and/or Title IX when such conduct denies or limits a student's ability to receive educational aid, benefits, services, or treatment.

**313.D. Disability Harassment:** Intimidation or abusive behavior toward a student based on disability that creates a hostile environment by interfering with or denying a student's participation in or receipt of benefits, services, or opportunities in the

- 2. Physically, emotionally or mentally harming a student; or
- 3. Placing a student in reasonable fear of physical or emotional harm; or
- 4. Placing a student in reasonable fear of damage to or loss of personal property

**317.B. Cyberbullying:** Bullying includes cyberbullying and/or bullying through electronic communication devices including but not limited to social networking, email, instant messages, text messages, tweets (via Twitter), blogs, photo and video sharing, chat rooms, dash boards, or websites. Cyberbullying may include acts that occur outside of school if certain criteria are met. The complete Prohibition of Bullying/Harassment Policy, complaint and investigation procedures are posted on the District website at [www.pps.k12.pa.us/Page/481](http://www.pps.k12.pa.us/Page/481), and in every building and classroom.

Any activity, as described above, shall be deemed a violation regardless of whether the consent of the student was sought or obtained.

**321. Terroristic Threats:** A threat communicated either directly or indirectly to commit any crime of violence with the intent to terrorize another; to cause evacuation of a building, place of assembly or facility of public transportation; or to otherwise cause serious public inconvenience, or cause terror or serious public inconvenience with reckless disregard of the risk of causing such terror or inconvenience.

**322. Sexual Act/Misconduct:** Sexual misconduct in this infraction level involves engaging in intercourse, oral sex, or simulated sex on school grounds.

A student that receives an out-of-school suspension should not be disciplined twice for the same infraction. If field trips, assemblies, or any other activities occur while the student is serving their out-of-school suspension, they may not attend such event; however, should the event occur outside of the time period in which the student is serving their out-of-school suspension, they shall not be excluded from such event unless there is a safety concern.

## Level 4 Actions

**Level 4 actions are of a serious nature** and pose a threat to the health, safety or property of any person.

An administrator must be notified when a Level 4 action occurs, in the form of a discipline referral or statement describing the incident. Students may be suspended or expelled for Level 4 actions. School administrators are required to consult with their assigned Assistant Superintendent before proceeding with a charge of Assault, Aggravated Assault, or Weapon. **Actions with asterisks trigger a mandatory notification to school police pursuant to School Code Section 1303-A(b) and 22 Pa. Code Section 10.22.**

**404. Assault on a School Employee:** When a student engages in any of the following actions against a school employee or contractor: (1) attempts to cause or intentionally, knowingly or recklessly causes bodily injury to a school employee without physical provocation; (2) negligently causes bodily injury to another with a deadly weapon; or (3) attempts by physical menace to put another in fear of imminent serious bodily injury.

**405.A. Assault on a Student or Other Person not Employed by the School:** When a student intentionally and without provocation hits, punches, or kicks a student or other person employed by the school. Other physical conduct that does not meet the definition of assault may fall under the prohibition against fighting, bullying, and/or harassment.

**\*405.B. Aggravated Assault on a Student or Other Person not Employed by the School:** When a student (1) attempts to cause serious bodily injury to another, or causes such injury intentionally, knowingly or recklessly under circumstances manifesting extreme indifference to the value of human life; or (2) attempts to cause or intentionally or knowingly causes bodily injury to another with a deadly weapon.

Weapons and Dangerous Instruments:** A student shall not possess, handle, or transmit any item defined by the Pennsylvania School Code as a weapon (hereinafter “weapon”) while on any school property, while at any school-sponsored or approved activity or while walking or being transported in any manner to or from a school or school-sponsored or approved activity.

a. **Weapons as Defined by Statute.** The term “weapon,” by School Code, includes but is not limited to any knife, cutting instrument, cutting tool, explosive, nunchaku, firearm, shotgun, rifle, and/or any other tool, instrument or implement capable of inflicting serious bodily injury. When determining whether an object is a weapon, schools must consider what the object is practically and functionally intended to do. The manner in which a student uses an object does not convert an otherwise non-weapon into a weapon.

b. **Self-Defense Items.** A self-defense item is a tool, instrument, or implement which is made or commonly used for self-protection. Examples include but are not limited to pepper spray, self-defense keychains, self-defense rings, tactical pens or flashlights, and kubatons. PPS will only charge a student with a weapons violation if the student has used or threatened to use the self-defense item against another individual.

c. Lookalike Item. Any imitation of a knife, cutting instrument or tool, nunchaku, firearm, shotgun or rifle. While students may have access to lookalike items that are often sold as toys or costume accessories, such items are prohibited in the school setting or at school sponsored events. Students who bring in lookalike items shall have them confiscated and will receive no discipline consequence unless the item was used to perpetrate some other conduct prohibited by this Code of Student Conduct.

\*407. Possession, Use, or Under the Influence of Alcohol or Drugs: Students in possession of a large quantity of drugs (i.e. over 5 grams of marijuana); drugs defined in Schedules I through V of the Controlled Substances Act, i.e., Adderall; and repeat drug offenses are considered Level 4 violations. A student shall not possess, use, distribute, or be under the influence of any intoxicant of any kind. However, in an effort to minimize exclusionary discipline, a graduated response to the handling of drugs or alcohol, based on the severity of an offense, is outlined according to drug offense categories on the subsequent page(s). This includes possession of all drugs; high quantities of drugs that meet the threshold of intent to distribute; quantities of marijuana 5 grams or over 5 grams and repeat offenses of marijuana and alcohol occurring in the same school year.

Please note that use of a drug as authorized by a medical prescription from a registered physician for the student for whom it is prescribed shall not be considered a violation of this rule but may be a violation of the Use of Medications policy. Failure to comply with the Use of Medications policy may also result in school discipline.

As a part of the District's efforts to continue reforming the process for reducing exclusionary discipline, a tiered procedure for the administrative response to drug and alcohol violations has been adopted.

Definitions relevant to the below tiered response chart are on the following page.

- **Drugs:** Any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, other intoxicant or substance causing a hallucinogenic or toxic effect, designer drugs, anabolic steroid or any other controlled substance, as defined in Schedules I through V of the Controlled Substances Act (21 U.S.C. § 812) and further defined by regulations at 21 C.F.R. Parts 1308.11 through 1308.15, or as defined in The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. §780-101), the Pennsylvania Drug and Alcohol Abuse Control Act (71 P.S. §1690.101), (collectively "the Acts") or any regulations relating to the Acts, or any successor statutes or regulations.

Controlled Substances Act (21 U.S.C. § 812) and further defined by regulations at 21 C.F.R. Parts 1308.11 through 1308.15, or as defined in The Controlled Substance, Drug, Device and Cosmetic Act (35 P.S. §780-101), the Pennsylvania Drug and Alcohol Abuse Control Act (71 P.S. §1690.101), (collectively "the Acts") or any regulations relating to the Acts, or any successor statutes or regulations.

- **Marijuana:** Refers to marijuana, cannabis, THC oil, or any of these substances in any form, including but not limited to, wax-based, edibles, pill, oil, topical forms such as gels, creams or ointments, forms administered by vaporization or nebulization, tincture, or liquid.

- **Alcohol:** Any alcoholic beverage, malt beverage, fortified wine, or other intoxicating liquor.

- **Paraphernalia:** Rolling papers, roach clips, hemostats, pipes or parts of pipes, and other homemade devices used for the ingestion of drugs.

- **Drug Residue:** A small or even trace amount of a drug that remains after the larger presence of the substance has been used or removed (for example, the resin which is the byproduct of smoked marijuana).

- **Repeat Drug & Alcohol Offense:** Second or subsequent drug and alcohol offense during the same school year. The total offenses in one school year shall include offenses from prior schools in which the student has been enrolled. When a student has more than one drug and alcohol offense in a given school year, any drug and alcohol offense in the subsequent school year is considered a repeat offense.

- **ATOD Program:** Alcohol, Tobacco, and Other Drug Diversion Program

- **IAES:** Interim Alternative Education Setting

### Drug Offense Categories & Response Structure

The below Response Structure Chart applies to regular education students who do not qualify for the services of an IEP. The response structure recommended for students with disabilities who qualify for an IEP are noted in italics within the Response Structure Chart. Students with 504 Plans and students for whom the District is deemed to have knowledge of a student's disability (i.e., "thought-to-be"), are entitled to the same disciplinary protections as those afforded to students with IEPs.

Although a 45-day unilateral placement for serious infractions is not automatically available for a student with a 504 Plan, the student's 504 Team, including the Parent/Guardian, can agree that a 45-day placement is appropriate, so long as the services

in the student's 504 Plan can be effectively implemented at the alternative setting. Schools are directed to consult with the Office of Student Support Services and the Legal Department for guidance.

The outlined suspension time frames for Level 3/Rule 307 violations may be reduced upon attendance at the Alcohol, Tobacco, and Other Drugs (ATOD) program. Specifically, student will serve five (5) days of the suspension period (two (2) days for students with IEPs) and the remaining days will be held in abeyance pending the opportunity to attend the ATOD Program as outlined in these guidelines.

Students shall not possess, use, distribute, or be under the influence of any controlled substance, including marijuana. PPS recognizes that marijuana has become more readily available for medical purposes as a result of the state's Medical Marijuana Act, 35 Pa. C.S. § 10231.101, et seq. However, marijuana remains an illegal substance according to federal law. Pennsylvania's legalization of marijuana for medical purposes does not supersede enforcement of federal drug laws, including those that prohibit the presence and use of drugs on school property, including the including the Every Student Succeeds Act, 20 U.S.C. § 71118. Possession of marijuana is a criminal offense under State and Federal law and is also a violation of the District Policy 217 – Drugs and Alcohol: <https://go.boarddocs.com/pa/pghboe/Board.nsf/Public#>.

The prohibition of marijuana on school grounds extends to marijuana, THC, or THCs in any form, including marijuana products. Prohibited forms of marijuana extend to these substances in any form, including but not limited to, wax-based, edibles, pill, oil, topical forms such as gels, creams or ointments, extracts, flower or bud forms, and forms administered by vaporization or nebulization, tincture, or liquid. PPS will abide by any state or federal guidance which may be issued relating to the possession of marijuana or marijuana products on school grounds.

Students found to be in possession of less than 5 grams of marijuana on a first offense are referred for a 307 Code of Conduct violation. Students in possession of 5 grams or more of marijuana, or a second offense for possessing less than 5 grams, will be referred for a 407 Code of Conduct violation. Students who present a medical marijuana prescription, card or certification authorizing the use for their own medical condition shall receive no disciplinary consequence for possessing or using marijuana on school grounds. However, all controlled substances, including marijuana, shall be confiscated by school administration and provided to custody of the Division of School Safety.

### Alcohol, Tobacco, and Other Drugs (ATOD) Program

The District provides an Alcohol, Tobacco, and Other Drug (ATOD) Diversion Program to students who have violated Code of Student Conduct rules relating to drugs, alcohol or smoking. Students have ninety (90) days to complete nine (9) hours of the program in a virtual setting. Students must complete the aforementioned required courses within 90 days of the offense in order for additional suspension days to be held in abeyance.

The school principal or designee handling discipline of drug and alcohol offenses shall provide the student and parent/guardian with a copy of the most updated ATOD services and supports information letter with the initial Notice of Suspension. The ATOD services and supports information letter shall outline dates, times, and locations for all ATOD Program services and supports.

ATOD services and supports can also be used proactively for students. For instance, if a student is found to be high or smells of marijuana.

For students who have been incarcerated as a result of their Code of Conduct offense by law enforcement, the assigned exclusion from school will not begin until the student is released. Similarly, the 60 day timeline for completion of the ATOD Program will not begin until the student is released from incarceration.

### Involvement of Law Enforcement & Testing Substances

When a student is found in possession of drugs or alcohol as prohibited by Board Policy, the Division of School Safety will be notified of the violation without delay. Relevant evidence preservation and chain of custody procedures of the Division

of School Safety shall be followed. The assigned Division of School Safety School Police Officer shall be responsible for packaging the prohibited substance or item. Initial field testing of prohibited substances or residue is the responsibility of the assigned School Police Officer. The substance shall then be provided to the Allegheny County Crime Lab for further testing and weighing. A confidential Report of Laboratory Findings and Drug Chemistry Section Report are then provided to the Division of School Safety. The Crime Lab reports will then be provided to the Office of Student Support Services.

Possession of a vape pen containing THC oil is a violation of the District's drug and alcohol policy. The contents of vape pens will be tested to determine if the substance is THC oil. Students who possess one or two vape pens containing THC will be processed under Rule 307. Possession of three (3) or more vape pens containing THC will be processed under Rule 407. Repeat vape pen violations will also be processed under Rule 407.

**408. Arson:** The deliberate starting of a fire or explosion, or helping, asking, or telling another person, to start a fire or explosion, which could or does place property in danger of being damaged or a person (including a fire fighter) in danger of injury.

**418. Aggravated Hazing:** Occurs when a person commits an act of hazing as defined Rule 218 or 318 that results in serious bodily injury or death to a student and:

1. The student acts with reckless indifference to the health and safety of the victim student; or
2. The student causes, coerces or forces the consumption of an alcoholic liquid or drug by the victim student.

School administrators are advised to consult with the Office of Student Support Services before charging a student with an Assault or Weapons violation.

## Level 4- Examples of Guidance Interventions

The list below is provided as a menu of possible options and not intended to be used in succession. The implementation of interventions shall be individualized, rather than a one-size-fits-all approach.

A student that receives an out-of-school suspension should not be disciplined twice for the same infraction. If field trips, assemblies, or any other activities occur while the student is serving their out-of-school suspension, they may not attend such event; however, should the event occur outside of the time period in which the student is serving their out-of-school suspension, they shall not be excluded from such event unless there is a safety concern.
