

# Great Opportunities at Conroy!

## BOY SCOUTS

We have been partnering with the Boy Scouts for approximately 10 years. Boy Scouts usually come to Conroy twice a month to work with students. Some of the activities include Pinewood Derby & Camp GUYASUTA.

## MUSEUM ON THE MOVE

This program brings the Museum of Arts & History to our classrooms. Our students can experience, explore & ask questions surrounding a variety of topics including dinosaurs, Native Americans, rocks & gems, & live exhibits.

## POWER UP

Power Up is a nutrition education program by Adagio Health. This monthly program introduces the healthy plate, healthy eating options, moderation & food tastings to our students. Students are encouraged to try new foods & healthy alternatives

## SPORTS TEAMS

We have a high school unified track team partnered with Obama Academy. We have a middle school unified bocce team partnered with CAPA. We also participate in Special Olympic tournaments which include; soccer, basketball, bowling & track & field.

## PREVENTION SERVICES

Prevention Services is provided through WPIC/UPMC. WPIC/UPMC works on various social skills with our students once per week in the classrooms. Some topics include friendships, decision making & conflict resolution.

## MENTAL HEALTH SERVICES

The Children's Institute provides school-based therapy to our students. This is an outpatient service with individual therapy sessions that occur once per week at Conroy. This service is for students struggling at home and/or at school. Referrals for this service are made through the Conroy SAP team.
