

Pittsburgh Grandview

K-5

Mission Statement

At Pittsburgh Grandview PreK-5, we will provide every student with the opportunity to become college, career, and life ready by teaching students to advocate for themselves. We will celebrate student voice and empower all learners through high-quality and personalized equitable instruction.

Established Priorities

If Grandview teachers explicitly teach lessons on social and emotional skills related to self-efficacy, then students will gain confidence in their critical thinking and problem-solving skills.

If Grandview teachers implement Tier 1 instruction and interventions with fidelity, then students will demonstrate mastery of standards in each core content area and academic growth and achievement.

Measurable Goals

At least 75% of students in grades 3, 4 and 5 will respond favorably to the questions in the self-efficacy construct on the Spring 2023 SEL Panorama survey.

Social Emotional Learning

On the Spring 2023 PSSA Math Assessment, 57.7% or more of the students in Grades 3-5 will score proficient and advanced.

Utilize the Pennsylvania Core Standards/
Common Core Standards when planning and delivering lessons in math

On the Spring 2023 PSSA ELA Assessment, 63% or more of the students in Grades 3-5 will score proficient and advanced.
