In attendance: Sharon Fisher (Principal), Jessica White (PAC Representative), Dave Anthony (FACE Coordinator)

AGENDA

1. Norms and introductions (5 minutes)
2. Review of School Improvement Plan and student PSSA data from 2022 (10 minutes)

Examined SIP and this year’s targets for PSSA proficiency and/or advanced students
3. Review of 2022-2023 Grandview Cell Phone/Electronic Device Policy 216 (10 minutes)

Committee agreed to collect cell phones and electronic devices as a means to ensure the safety, order and well-being of students.

Information related to this policy is located in our parent/student handbook.
4. Recap of Parent Engagement Committee Meeting (15 minutes)

Committee is focusing on recruiting parents to acquire clearances and become active members of the school community.

Names were acquired during last Spring’s TAFSD and PSCC Picnic events. NEXT STEPS: Committee members Anthony, Zaborowski and Maze are following up with interested individuals to poll current interest.

Parent Engagement would like to man a sign-up table to recruit parents for PSCC and a potential PTO/PTA at Parent conference days. Refreshments will be provided for parents who attend and staff members will assist with parent surveys.
5. FACE Coordinator Training (10 minutes)

Dave Anthony spoke to the training he attended on Thursday, September 22. Updates to web posting, information provided on the website and possible social media options were discussed.

New guidelines for Title I reporting were discussed, with reporting becoming digital as opposed to the traditional binder format. Schools who will be audited will be notified in the coming months.
6. For next meeting (5 minutes)

Consider opportunities for fundraising to aid in implementation of school-wide, grade-level family engagement activities. Bring ideas and/or contacts to the meeting.
