Early Dismissals

It is important to ensure that early dismissals are kept to a minimum. As a school, we are asking that you do your best to schedule appointments and other engagements outside of school hours so that early dismissals do not interfere with your child’s learning. When we add up the time missed due to tardies and early dismissals, we sometimes find that children have missed large chunks of instruction, which leads to missing large chunks of learning. We need to maximize our efforts and can only do so if we ensure that children are present in school. Please work with us and minimize the distractions caused by children being tardy or leaving early.

If your child must be dismissed early, you will need to send a note to his/her homeroom teacher that includes a phone number that we can use to call you that morning. No early dismissals will be granted unless we can reach you to verify the note. Additionally, we will not call students down to the office, until you arrive at the school. To capitalize on our instructional opportunities, we do not allow early dismissals after **2:00 pm, unless there has been prior approval from administration.**

Electronic Devices

3-8th grade students will not have access to their electronic devices during the school day to minimize distractions and maintain a high level of student academic engagement. **Middle School** students will turn their electronic devices, upon arrival, and will get their electronic devices back at the end of the day. **3-5th grade** students will turn their electronic devices during Breakfast/Morning Announcements and will get their electronic devices back 8th period. If a **3-8th grade** student is using their electronic device, after they were to be turned in, the staff member will confiscate the phone and turn it into the main office for parent pick-up.

Electronic devices are defined as any handheld gaming system, phone, music player, and/or apple watch. Students who have their electronic device confiscated, more than once, will receive additional measures by the school. Electronic device restrictions will not apply when a student has a need for such a device due to the medical condition of an immediate family member. Families are to contact Langley to make prior arrangements regarding the need for an electronic device regarding a medical condition.

Hall Passes

Students should only be excused from class in cases of emergency. All PreK-8 students are required to have a note when traveling in the halls during class time. Students who are in the halls without a note pass may be subject to disciplinary action. Additionally, students and staff must adhere to the 10-10 rule, in which students will not be given a pass for the first and last ten minutes of the period. This procedure is in place to maximize key instructional time. Periods 1 and 9 are closed periods. By closed periods, we mean that students are only permitted to leave the classroom, with a note, in situations of emergency.

Illness, Injury and Medications

In case of illness or injury, students will be cared for by the school nurse or a member of the school staff. If emergency medical treatment is necessary, parents/guardians will be contacted. It is imperative that a valid emergency telephone number where parents/guardians can be reached and name and telephone number of the student's family doctor all be on file at the school. Please return all Emergency Care Forms, to the main office, by **Monday, September 19, 2022.**

When medication must be brought to school, the following procedure must be followed:

- The medicine must include a current prescription label with the child's name, drug identity, dosage instructions, doctor's name, and prescription date.
- A note dated and signed by the parent and doctor giving the child's name, dosage amounts, specific dosage times, and other instructions if necessary.
- Medication must be left in the nurse's office and will be given by the school nurse. This includes asthma inhalers, which will be stored in the nurse's office and will always be made available as necessary. Our nurse must have a prescription for inhalers as well.

Over the counter medications such as antacids, pain relievers, cough drops, etc., can only be supplied by the school nurse.

Lockers

Each student is assigned one locker so that he/she can store books and personal items. It is the student's responsibility to obtain a lock and to see that the locker is secured and in good order. Please exercise good judgment about what you bring to school and store in your locker. **Langley is not responsible for lost or stolen items and will not be able to investigate if lockers are not properly secured or items have been left unattended.**

Lockers are the property of the School District of Pittsburgh. They are on loan to students. The school reserves the right to open and inspect any locker deemed to be used inappropriately by students.

Parent School Community Council (PSCC)

An important aspect of our school community is our PSCC, where staff, parents, and community members come together to share, learn, and explore matters important to operating a school that effectively meets needs of all stakeholders. Meetings will be held on the first Thursday of every month at 8:30 am. We welcome all parents and stakeholders!

Parent/Guardian Visitation

We encourage and appreciate parent/guardian attendance at our school sponsored events. We do not allow unannounced school visits and arrangements should be made at least 24 hours in advance to meet with a staff member. Please note that the principal has the prerogative to approve, disprove, or reschedule the visit for a more appropriate time.

Parent/Teacher Conferences

Parents are encouraged to maintain open lines of communication at all times. Teachers and staff are always available to schedule conferences when requested. Please do not come to school, unannounced, and expect teachers to be available to meet with you unless you have scheduled the meeting previously. These meetings can be scheduled by contacting the teacher directly. Every visitor must report to the main office upon entering the building and sign in on the visitor’s sign-in sheet along with receiving a Langley visitor’s pass. Under no circumstances is a parent/family member permitted to report directly to a child’s classroom. In order to ensure student safety, no persons will be permitted to be in the school without a visitor’s pass and an appropriate purpose for the visit. This year, Parent/Teacher Conferences will be on **Monday, October 10** from **9-12:00 pm** and **1-4:00 pm**.

Parent Volunteers

We encourage and value parent and community volunteers. Volunteers may serve as tutors who provide academic support, a classroom helper, an office assistant (making copies, stapling, making a bulletin board etc.), or a lunch/recess volunteer. Volunteers must possess proper clearances (Criminal, Child Abuse, etc.) in order to volunteer at our school. If you are interested in volunteering at Pittsburgh Langley, please call Ms. Armenti at (412)529-2153 – we would love to have you!

Positive Behavior Intervention and Support System (PBIS)

Our PreK-8 school wide behavior matrix of: **safe, proud, respectful, and responsible** serves as our foundation for classroom and individual student behavior support, classroom expectations, routines, structures, and rules. These components will be connected with the school wide behavior matrix and seamlessly incorporated into classroom instruction. Throughout the school year, we will recognize students for exhibiting positive behavior related to one or more of our behavior expectations. All students, in PreK-8, have the opportunity, every day, to be praised and acknowledged, by staff, demonstrating **safe, proud, respectful, and responsible** behavior.

Restorative Room

Students who are experiencing difficulties will have the opportunity to be sent to one of our Restorative Rooms (RR). We currently have two RR rooms, one for **K-5th grade** students and one for our **6-8th grade** students. During this time, we will work with students, individually, to de-escalate, reflect, and break down what happened and what the student needs to do in order to make things right. As each situation is different, at times, it may become necessary for students to be assigned longer periods of time in our RR rooms.

When student behavior causes it to be necessary for the teacher to write an office discipline referral, either the principal or assistant principal will determine the consequences. Consequences may include but not be limited to: phone calls to parents/guardians, meetings with parents/guardians, mediations/restorative circles, after-school detention, out of school suspension, and other options that are deemed appropriate.

Snacks

All Langley students receive breakfast and lunch at school, which includes snacks sold at lunch for middle school students. All snack food that is not part of a packed lunch (sandwich/drink/main course lunch item) will be confiscated at student arrival. Please understand that we cannot allow snack food to be a distraction, so we will confiscate all snack foods that are not part of a packed lunch. Please reinforce this to your children and be sure to monitor all items that your children bring to school.

Student Safety

Students are required to enter the school through metal detectors with their belongings searched. In addition to what is listed in the PPS Student Code of Conduct, students are not permitted to bring any one of the following items: aerosol sprays, perfume, slime, glass bottles, open containers of any liquid (hot or cold), and/or purchased food items from our neighboring stores that is not sealed or stored for lunch.

Tardy to School

It is imperative that all children are in school, on time, every day. Our Morning Meeting Time begins at **8:19 am**. Students who report to school after **8:19 am** will be marked tardy. Please work with your children to ensure that they arrive at school on-time each day. We do not want your children to unnecessarily lose even one minute of instructional time. We will accomplish this goal if we all work together!

Tardy To Class – Middle School Students Only

Students have a reasonable amount of time to move from one class to class. If a staff member holds a student, a blue corridor pass is needed to enter the next class. It is the student's responsibility to present the blue corridor pass to the teacher of the next class. It is the responsibility of the teacher to take the initial step to curb unexcused tardiness. Students who are repeatedly tardy to class will be referred to an administrator. Students tardy to an individual teacher's class **three times** will be referred to administration.
