

# Save the Date!

Call all Heart Heroes! The Kids Heart Challenge is coming to our school starting on March 3<sup>rd</sup>! We want each of our students to pledge to be heart healthy! Choose your challenge today!

Get a head start on completing Finn's Mission! With Finn's Mission, you and your family can learn the important life-saving skill of Hands-Only CPR! During our Kids Heart Challenge program, your child will learn about kids with special hearts and participate in activities for physical and emotional health, register today!
