Agenda

• Welcome
• Dinner
• Milliones Overview - Mr. Graf
  • Culture, Systems, Instruction, State Standards, Assessments, Academics
• Guest Speaker - Devonte Butler
• Honors Awards Presentation
Pgh Milliones - Culture, Systems, Instruction

Culture
1. Our school and classrooms are a MUSEUM. Staff are the CURATORS. Your students are our ART.
2. Restorative Practices
3. Self Expression Projects for student voice and engagement
4. Mindset - We Are All Learning

Systems
1. PBIS
   • Incentivize and Reward Positive Behavior and school norms.
   • Hallway Management - Hall Sweeps
   • Classroom Management - Communication with Parents, cooperation with boundaries for students

Instruction
1. Project Based Learning
   • One visual, audio, and video project this year.
   • Narrate learning on Instagram/Facebook
   • Authentic Feedback

2. Write to Learn - We want our students writing and developing their VOICE
State Standards
The Pennsylvania State Board of Education has adopted academic standards in 12 subject areas. The academic standards are benchmark measures that define what students should know and be able to do at specified grade levels beginning in grade 3. The standards are promulgated as state regulations. As such, they must be used as the basis for curriculum and instruction in Pennsylvania’s public schools. State requirements for curriculum, instruction and assessment can be found in the Board’s Chapter 4 regulations, available online at: Chapter 4

Assessments
1. Keystone Exams - The Keystone Exams are end-of-course assessments designed to assess proficiency in three subjects: Algebra I, Literature and Biology. The Keystone Exams are one component of Pennsylvania’s system of high school graduation requirements.

2. PSSA Exams - Pennsylvania System of School Assessment (PSSA) includes assessments in English Language Arts and Mathematics which are taken by students in grades 3, 4, 5, 6, 7 and 8. Students in grades 4 and 8 are administered the Science PSSA.

3. PASA Exams - The Pennsylvania Alternate System of Assessment, also known as PASA, measures how well students with cognitive disabilities have achieved in reading and mathematics as measured against alternate academic achievement standards.

4. CDTs - Classroom Diagnostic Tools (CDT) are based on content assessed by the Keystone Exams and the Pennsylvania System of School Assessment (PSSA).

4. Act 158 Graduation Requirements
## Pgh Milliones: Assessment Calendar

Pgh Milliones - Academics

CAS
Center for Advanced Studies
1. Increased Rigor
2. Pre Requisites for AP classes
3. Student leadership opportunities

PSP
Pittsburgh Scholars Program
1. General education college track

AP & CIHS
1. Advanced Placement Courses - English Literature, English Language, AP Statistics, AP Computer Science, AP Human Geography
2. CIHS - University of Pittsburgh, Justice Scholars
   • Argument
   • Social Justice
   • African American History

PSE
Program for Students w/ Exceptionalities
1. Continuum of Supports and Services
2. Start on Success Work Readiness Program
3. Community Based Vocational Education
Pgh Milliones - CTE Programs

Entertainment Tech
Mr. Hackett

Early Childhood Edu
Ms. Tripoli

Sister Schools
