School-Parent-School Compact

Reviewed: (9-14-2023)

(Revised 9-15-23) 2023-24 School Year

Learning can take place only when there is a combination of effort, interest, and motivation. This signed agreement is a promise between the student, parent(s), the teacher and principal to work together. We believe that this agreement can be fulfilled by a team effort. Together we can improve teaching and learning in our school.

As a parent I agree to:

- Insist upon timely and regular attendance.
- Discuss daily with my child about classroom activities.
- I will be an advocate for my child and reach out to their teacher to seek help when necessary.

As a student, I agree to:

- Attend school regularly and arrive to school on time.
- Come to school each day with the necessary tools for learning.
- Advocate for myself and my learning
- Follow classroom expectations and help to maintain a positive learning environment.
- Respect the rights of others by holding myself accountable for my words and actions.
- Complete my assignments on time and to the best of my ability.

As a staff member, I agree to:

- Maintain professional standards regarding attendance, preparation, student and parent communication.
- Provide relevant and challenging instruction. I commit to planning engaging lessons that are aligned to PA State Standards. I will provide daily interventions for all students, (Achieve 3,000 and Smarty Ants). I will be an advocate for my students by reaching out to inform and update parents of their student's progress.
- I will provide a highly structured environment that nurtures positive self-esteem and respect for others and hold myself accountable for maintaining a mutual respect for the learning environment.
- Establish ongoing communications with parents by sharing student progress and scheduling parent conferences as needed. Parents can discuss their child's progress at any time by emailing, calling, or writing to the child's teacher. Staff will return all parent correspondence in 24 hours or earlier when possible. Parents will have the opportunity to meet staff on Back to School Night, (8/23/2023), Open House (10/9/23) and at monthly parent and family engagement activities. We will ensure parents have access to classroom assessments in a timely manner using our Home Access Center.
- Minadeo will share progress, or interim reports on (10/6,12/18, 3/7, and 5/17) and report cards on 11/15, 2/7, 4/19 and 6/24. Minadeo will provide opportunities for parents to volunteer and attend classroom activities. Parents are welcome to school on a regular basis and volunteer and observe classrooms pending they meet all clearance requirements, and they are on file with the district.
- Parents can request an interpreter when needed to communicate with school staff. Staff will have access to a translation service to communicate with families in their home language. We will be available to parents through phone, email, letters or in-person meetings.
- We will equitably follow the Student Code of Conduct.

Please sign and return this form to your child's homeroom teacher.
