Making Progress: A school identified as making progress is one that was previously in either School Improvement or Corrective Action but has made AYP for one year. If the school fulfills its AYP for a second year, it will exit the improvement system and will be counted among schools meeting AYP targets.

** The District is currently appealing Weil's AYP status. If this appeal is approved by PDE, the status would change to Made AYP.*

New schools, or schools that were reconfigured, do not have prior AYP status (na).
