## 2011 District Value Added Summary Reports PSSA Mathematics

	Significant evidence that the district exceeded the standard for PA Academic Growth
	Moderate evidence that the district exceeded the standard for PA Academic Growth
	Evidence that the district met the standard for PA Academic Growth
	Moderate evidence that the district did not meet the standard for PA Academic Growth
	Significant evidence that the district did not meet the standard for PA Academic Growth

**GRADES 3-8:** The standard for PA Academic Growth is met when the student group makes one year's growth/maintains their relative achievement level from one year to the next in relation to the statewide distribution (2006 baseline).
