The School District of Pittsburgh
(Pittsburgh, PA)

REQUEST FOR PROPOSALS (RFP)

YOUTH COURT – STUDENT SUPPORT SERVICES

Issue Date: February 24, 2023
Submission Deadline: March 16, 2023
Introduction
The School District of Pittsburgh is seeking proposals from qualified consulting firms to implement a youth-led trauma-informed, restorative youth court disciplinary program. The successful contractor will be selected based on the criteria below and will benefit students across the district, especially African American students, by providing support around school disciplinary policies and procedures.

The selected proposal should implement best practices and promising new interventions, and provide technical assistance to deliver effective, equitable, and restorative interventions that reduce referrals, suspensions, and expulsion rates.

This program is funded by the District’s Elementary and Secondary School Emergency Relief (ESSER III) funds. No contracts will be extended beyond September 30, 2024. Proposals must have a strong sustainability model and be clear about what specific expectations school leaders, staff, and students must agree upon to ensure successful implementation. Due to the explicit need to adhere to the model with fidelity, training of trainers, and time constraints, we recommend serving no more than ten middle and high schools (proposals are not limited to ten schools).

Additional Background
On May 26, 2021, the Pittsburgh School District Board of Directors unanimously passed a resolution to establish a 21-member ad-hoc Public Stakeholder Advisory Committee (PSAC) to advise on the use of ESSER III funding. The district’s final proposal has a brief description and high-level budget for a youth court program. However, federal regulations require that a Request for Proposals is launched and that a qualified firm(s) be selected based on the process described below.

• Define and outline policies and procedures, roles and responsibilities, and define how the youth court will fit within the school structure.
