

Fall 2023 Panorama Social-Emotional Learning: Student Competency & Well-Being

To better support you, your school and teachers would like to ask you some questions about how you think and feel. The information collected in this survey will not be part of your grade or reflected on your report card in any way. Instead, you, your family, and your teachers and school leaders will use the information to better support you. Please respond honestly—there are no right or wrong answers! It will take a few weeks before these results are available. If you need help with something immediately, be sure to tell an adult at home or at school right away.
