SC-Science and Technology

		Science 1 is an integrated course based in investigative experiences applying science and engineering practices. Students will examine patterns and relationships focused on light- sound waves- exploring organisms- and the sky.
Code	006701	
Course Name	Science 1	
State Code	03231	
NCES Code	03231	
Credit	0.6	
All Schools		

Code	006702	Science 2 is an integrated course based in investigative experiences applying science and engineering practices. Students will examine patterns and relationships focused on matter- ecosystem diversity- and Earth's materials.
Course Name	Science 2	
State Code	03231	
NCES Code	03231	
Credit	0.6	
All Schools		

Code	006703	Science 3 is an integrated course based in investigative experiences applying science and engineering practices. Students will examine patterns and relationships focused on the life in ecosystems- weather- climate- and interactions of forces.
Course Name	Science 3	
State Code	03233	
NCES Code	03233	
Credit	0.6	
All Schools		

Code	006704	Science 4 is an integrated course based in investigative experiences applying science and engineering practices. Students will examine patterns and relationships focused on how energy works- plant and animal structures and the changing Earth.
Course Name	Science 4	
State Code	03234	
NCES Code	03234	
Credit	0.6	
All Schools		

Code	006705	Science 5 is an integrated course based in investigative experiences applying science and engineering practices. Focused on patterns and relationships of structure- properties- and energy of matter in ecosystems- and Earth and space systems.
Course Name	Science 5	
State Code	03235	
NCES Code	03235	
Credit	0.6	
All Schools		

Code	006699	Science K is an integrated course based in investigative experiences applying science and engineering practices. Students will examine patterns and relationships focused on living things- weather- sky- and the forces of push- pull- and go.
Course Name	Science K	
State Code	03230	
NCES Code	03230	
Credit	0.6

Code	006889	This course helps students to develop skills in history- geography- civics and government- and economics. Specific content depends upon state standards for grade level.
Course Name	Social Studies (Grade K)	
State Code	00430	
NCES Code	00430	
Credit	0.2	
All Schools		

Code	006895	(Alternate)- This course helps to develop foundational skills in the social studies disciplines: history- geography- civics and government- and economics. These disciplines are often taught together and organized around a theme. Specific content depends upon state standards for grade 1.
Course Name	Social Studies Gr. 1	
State Code	S00431	
NCES Code	S00431	
Credit	0.2	
All Schools		

Code	006896	(Alternate)- This course helps students reach greater understanding of the social studies disciplines: history- geography- civics and government- and economics. Courses often offer study of these disciplines in an integrated fashion- through the context of a specific theme or discipline- such as state-based social studies or the history of a people. Specific content depends upon state standards for grade 2.
Course Name	Social Studies Gr. 2	
State Code	S00432	
NCES Code	S00432	
Credit	0.2	
All Schools		

Code	006897	(Alternate)- This course builds on previous knowledge and introduce concepts in the social studies disciplines: history- geography- civics and government- and economics. Instruction of the disciplines is often integrated for instructional purposes. Students may study these disciplines through the context of a specific theme or discipline- such as state-based social studies or U.S. history. Specific content depends upon state standards for grade 3.
Course Name	Social Studies Gr. 3	
State Code	S00433	
NCES Code	S00433	
Credit	0.2	
All Schools		

Code	006898	(Alternate)- This course allows students to continue to develop skills in history- geography- civics and government- and economics. Although the four disciplines are typically integrated- these courses may take a more discipline-specific approach- such as concentrating on U.S. history- state-specific history- or civic engagement for periods of time. Specific content depends upon state standards for grade 4.
Course Name	Social Studies Gr. 4	
State Code	S00434	
NCES Code	S00434	
Credit	0.2	
All Schools		

Code	006899	(Alternate)- This course helps students to develop skills in history- geography- civics and government- and economics. These courses may be more discipline-specific (dividing up state history- U.S. history- geography- government- and so on). Specific content depends upon state standards for grade 5.
Course Name	Social Studies Gr. 5	
State Code	S00435	
NCES Code	S00435	
Credit	0.2	
All Schools		

Code	006987	(Alternate)-This course provides initial foundations in the social studies disciplines: history- geography- civics and government- and economics. Specific content depends upon state standards for kindergarten.
Course Name	Social Studies Gr. K	
State Code	S00430	
NCES Code	S00430	
Credit	0.2
