## **When Absence Management Calls You**

---

If an available job has not been filled by another substitute two days before the absence is scheduled to start, the system will automatically start calling substitutes in an effort to fill the job.

Keep in mind, Absence Management will call about one job at a time, even if you are eligible for other jobs. You can always call into Absence Management to hear a list of all available jobs.

When the system calls, be sure to say a loud and clear "Hello" after you answer. This response confirms to the system that you picked up the call and prompts it to list the options.

When you receive a call from Absence Management, you can:

**Listen to available jobs**

**Press 1**

Enter your PIN number followed by the # sign -

If you opt to listen to jobs, the system will list the job details, and you will have the opportunity to accept or reject a job.
