**Parent's or Guardian's Permission for a Student to Participate
in Elementary Interschool Competitive Athletic Sports
and Notice Regarding Student Accident Insurance**

To the Principal of _____ School,

I, the undersigned parent or guardian of _____
(name of student – please print)

give my permission for him/her to participate in the Elementary School Swimming Championships held at Allderdice High School.

I am aware that the Pittsburgh Board of Public Education is providing Student Accident insurance for the one day Elementary Swimming Championships in December and the two day Elementary Track Championships in May. This coverage is administered by Gleason Financial LTD and is underwritten by the ACE American Insurance Company. *This coverage is only for the day in which students actually participate in the above named championships.*

Finally, due to the nature of our Elementary Track and Swimming Championships, I (the Parent or Guardian) also understand that no athletic examination is needed for interschool athletic competition in the School District of Pittsburgh at the elementary school level. If I (the Parent or Guardian) wish for my child to have a physical before such competition, I understand it must be done at my own expense by a physician of my choice.
