Board to Now Hold Blended Meetings In-Person Tech Support to Move to South Side Location This Saturday

PITTSBURGH November 10, 2020 – The Board of Directors for the Pittsburgh Public Schools will hold its first in-person meeting since schools closed this past March. Similar to classrooms across the District, the Board will hold blended meetings with Board Members and District leadership participating in-person and remotely. The Superintendent’s Executive Cabinet will join the Board in-person at today’s, November 10, Agenda Review meeting beginning at 6:30 PM in the Administration Building in Oakland. To ensure the required social distancing is in place, live public viewing of the meetings is only available online from the District’s homepage at www.pghschools.org. The Board’s Legislative Meetings will also be blended, while its Committee Meetings and Public Hearings will continue to occur entirely remotely. A full schedule of the Board’s upcoming meetings is available on the District’s website.

In-Person Tech Support to Move to South Side Location This Saturday

The District’s Regional Technology Centers are closed, so that the PPS tech team can support the return of staff and some students to school buildings for in-person instruction. Beginning Saturday, November 14, in-person technology support will be available every Wednesday and Saturday from 8 AM – 2 PM at the Pittsburgh Public Schools Service Center located on the South Side at 1305 Muriel St, Pittsburgh PA 15203 (entrance located on S. 13th Street).

Families should schedule an appointment in advance at www.pghschools.org/techsupportappt. Pre-scheduled appointments will be prioritized, but walk-ins are welcome. Appointments are scheduled in 20-minute increments. Everyone must practice social distancing and wear a mask. Please see below for a schedule of dates.
