Start of Winter Sports Delayed Until at Least December 3

PITTSBURGH November 19, 2020 – Effective tomorrow, November 20, all winter sports activities in Pittsburgh Public Schools are delayed until at least December 3. Superintendent Anthony Hamlet announced the delay at the District 8 Athletic Committee's recommendation. The Committee met yesterday and made this recommendation to the Superintendent following the recent uptick of COVID-19 cases and a stay at home advisory by the Allegheny County Health Director. The Committee will revisit the recommendation at its December 2 meeting and provide an update at that time. Practices for winter sports were set to begin tomorrow.
