## **Food Service Center and Warehouse Closed Until December 31**

PITTSBURGH December 28, 2020 – Out of an abundance of caution, the District’s Food Service Center and Warehouse will be closed until December 31, 2020, after two employees report testing positive for COVID-19. December 23 was the last day an impacted staff member was in the facility. The facility has been cleaned with the District’s electrostatic machine. Communication has been shared with all staff assigned to the facility.
