Superintendent Hamlet to Hold Special PPS Community Talk Back Virtual Event Monday, August 16

WHO and WHAT: Superintendent Anthony Hamlet, Ed.D, will hold a special virtual event, *PPS Community Talk Back: Transportation + Back-to-School* on Monday, August 16 at 10:30 AM. Dr. Hamlet will be joined by District staff to provide clarity for families and the community related to the multi-faceted issue of transportation. As part of the special virtual event, the Administration will detail its plan to address the seat gap, outline the unknowns influencing the District’s decision to change the first day of school, and answer community questions regarding the start of school. The special virtual event will stream live from the District’s website and Facebook page. The complete virtual event will be posted on the District’s website following the morning presentation.
